FLOATING FRAGMENTS.

We have received the latest issue of *Our Desert Home*.

A good steady man wanted to take charge of a small farm. See advt.

Remember the farewell entertainment of Miss Julia Thomas, at Independence Hall, to-night.

Walker Brothers are distributing a remarkably handsome, embossed illuminated card, advertising the "Foster" kid gloves.

The concert for the benefit of Elder George J. Dent, comes off to-night, in the 21st Ward meeting house. Doors open at 7, performances to commence at 7.30.

The "Mormon Panorama" will be exhibited in the 15th Ward to night and in the 11th Ward to-morrow night. On both occasions the lectures and explanations will be given in the English, not Danish, language. After these exhibitions, Brother Christensen will take a tour through some of the settlements.

The Green Lanes of England will be performed for the first time in the city on Thursday night, all the strength of the club, including Mr. O. F. Whitney and Miss Edith Clawson, appearing in the cast. Mr. H. M. Wells appears in the same play as a "dude." Pique will be played Friday night, and the Green Lanes repeated on Saturday.

E. BEESLEY.

The Criminal Record.—According to the police record of the city there were arrested during September of males who had arrived at the age maturity, 133; females, 14, boys under 18 years, 1; persons given lodgings, 4; insane, 1; kept in the city jail for other officers, 2. Total for the month 155. This number exceeds that of August by 7.

Should be Well Attended.—The farewell entertainment of Miss Julia Thomas will be given in Independence Hall this evening. In addition to her rare talents this lady has, during her stay in Utah, exhibited a degree of disinterested public spiritedness that is seldom manifested. Her services have always been freely given in aid of any benevolent purpose for which they have been solicited. We trust that the appreciation of her friends and the public will be shown by a large turnout this evening, when she will render a number of literary gems in her happiest style.

The Latest.—The following is the table of contents of the latest issue of that best of periodicals, the *Juvenile Instructor*:

Modes of Traveling, (illustrated); George Washington; History of the Church; Will we Progress, by J. H. M; My Mission to Oregon, by David M. Stuart; A Missionary's Observations, by an Old Friend to the Juveniles; Names of the Week; Editorial Thoughts; Exercise of the Faculties; Ways of obtaining a Living; Topics of the Times, by the Editor; The Manufacture of Buttons; Methodism, by W. J.; Prize; Validity of the New Testament as shown by Internal Evidences, by J. H. W.; Capital; Pressed, ye Saints of God, words by E. R. Snow, music by Geo. Careless; Enigma.

Indian Murdered—There is a good deal of excitement at the Ross Fork, Idaho, Indian agency, over the late murder of an Indian. It appears that a rancher on Dry Creek missed a horse and found it near where the Indian was camped. Believing the red man stole it, the owner of the animal, without any evidence beyond his supposition, shot and killed him. Indian Agent Cook heard of the homicide, and instituted an investigation, which led to the conclusion that the murdered man was innocent of the stealing. Prosecuting Attorney Willard Crawford has been apprised of the occurrence. Not only are the Indians greatly incensed over the affair, but the white settlers are indignant at the rash and cruel act, calculated to inflame the passions of the red men and cause serious trouble.

From Gunnison. — On Saturday morning we received a fraternal call from A. B. Johnson, Esq., proprietor, publisher and editor of the *Review-Press* of Gunnison, Colorado, who is on a flying visit to Salt Lake. We learn from him that matters are looking up in that town. Business had been looking blue for about a year past, owing to work having been suspended upon the proposed extensive steel works, but operations have been resumed, and prospects are brighter. The temporary suspension was caused by the company who were inaugurating the enterprise being without coking coal. They have found and now own an extensive deposit of that article, however, some distance from Crested Butte, and expect to proceed to develop the steel works, which will give the Gunnison country a great lift in the business line. Mr. Johnson left for his home on Sunday, a statement regarding his visit was inadvertently left over until to-day.

Forgery Case.—Morton Pugh is in trouble. He obtained board at Mrs. Frier's in the Sixth Ward, and paid a portion of his bill. On being requested to hand over the balance he presented a paper, purporting to be signed by Mr. Wood, of the D. & R. G., and making it appear that that gentleman would be responsible for payment. This paper was ascertained to be a forgery. Pugh was arrested and now lies in jail.

Robbery.—Last evening, Mr. and Mrs. McAvoy, left their rooms in the Metropolitan a short time and went to the dining hall for supper. During their brief absence a thief entered their apartments and stole a ten dollar bill, a diamond ring, one with an emerald setting, and a plain gold ring. A man is under arrest charged with committing the robbery.

A report comes from Ashley which is fully confirmed, that about the 9th of the present month a daughter of James Ross, of Midway, was ravished near Ashley's, when her father was away from camp, by an unknown party, and that she has since died. No clue whatever can be obtained of the perpetrator of the outrage, but he will be severely dealt with if discovered. At the time of the occurrence she was entirely alone in the camp, no one having been seen in the vicinity.—*Park City Record.*

HORRIBLE ACCIDENT.

A RESPECTED LADY KILLED ON THE RAILROAD.

Thr following dispatch was received to-day from American Fork:

"Yesterday about 4.25 p.m. Mrs. Betsy Green, one of our oldest settlers was walking up the track of the U. C. Railway a short distance from her residence. An approaching train whistled twice or three times, but the lady being very deaf did not hear, and was struck and knocked off 12 or 15 feet from the track, breaking her back and cutting her head badly. Friends and relatives soon reached her, but she expired immediately. Mrs. Green was highly respected by all."

Accident to a Herder.—The *Chieftain* states that Albert Byrne, a son of Moses Byrne, of Piedmont, met with a painful accident while herding cattle about eighteen miles from Evanston, about a week ago. The young man was in the employ of Messrs. George Crismon and E. M. Weiler, of this city. He left the camp about nine o'clock in the morning. In about two hours his horse, with the saddle on, came into camp. Men immediately started out to hunt for young Byrne. He was found about three o'clock in the afternoon, lying insensible, with a cut about four inches long over his left ear, and another cut back of his right ear. The situation showed one of those accidents which occur very frequently in this country. While riding at full speed, his horse had stepped into a badger hole, thus throwing horse and rider headlong to the ground.

Brother Thomas Harris has concluded to pull up stakes at Ogden and again take up his residence in this city. He will resume his position as doorkeeper at the Theatre, a post he occupied for several years, and will enter upon the business of mattress making.

He has successfully treated more cases of these diseases than any other physician in the world.

His cures are scattered all over the United States, as his testimonals will show.

The above are the results of neglected and mistreated Catarrh. Below follow the results of Dr. Van Hummell's treatment of Nose, Ear, Throat and Lung Diseases.

The Doctor has taken an office on West Temple Street, third house South of Valley House, Salt Lake City.

Letter from Judge Wenner, Office over London Bank:

SALT LAKE CITY, UTAH,
August 23, 1883.

Dr. Van Hummell: I take great pleasure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid restoration to what I consider permanent good health to the treatment I received at your hands in 1879, and I unhesitatingly recommend your treatment to all afflicted with Catarrh, Throat or Lung Disease.

Very truly yours, U. J. WENNER.

Nasal Catarrh Cured.

Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can influence others suffering with this dreadful disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skillful enough to succeed, I think the public should know it.

I remain yours,
STEPHEN B. LEYBOURNE,
Corner First South and Third West.

From Mr. Warren Hussey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, COL., August 2, 1878.

This is to certify that I have been for many years a great sufferer from nasal and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temperary relief from some, growing gradually worse, until last winter, being in a very bad condition, I consulted Dr. Van Hummell and put myself under his treatment. From the first week my head and throat were relieved, have not had a headache—they were the bane of my life—since he began with me, and now I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummell a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully. WARREN HUSSEY.

The Cure is Permanent.

From a prominent capitalist, former owner of the Golden Terra mine, Black Hills:

DENVER, Col, March 6, 1879.

Dr. Q. Van Hummell, Dear Sir: I am happy to inform you that the catarrh and throat trouble for which you treated me over a year ago has not returned. I consider the cure permanent.

Yours gratefully, J. W. BAILEY.

Dr. Van Hummell's professional qualifications attested to by one of the first men in America, Ex-Gov. T. A. Hendricks:

INDIANAPOLIS, Ind., Oct. 30, 1877.

Governor Irwin: Understanding that you will be called upon to fill a vacancy in the State Board of Health, I take pleasure in recommending Dr. Q. Van Hummell for the position. Dr. Van Hummell was a long resident of this city, and a very near neighbor and friend of mine. He makes the treatment of Nose, Ear, Throat and Lungs and other Chronic Diseases a specialty and therein has been very successful. But he is also well learned in his profession generally. He is a gentleman of excellent habits and character, and would prove a valuable member of the Board. With great respect.

Yours, etc., T. A. HENDRICKS.

Letter from the right Rev. J. C. Talbot, Episcopal Bishop of Indiana.

INDIANAPOLIS, Ind., Feb. 19, 1874.

My Dear Doctor: You are entirely at liberty to use my name as one of your many references. Your skillful treatment of my wife, now nearly a year past, has entirely cured her of severe catarrh and cough, from which she suffered much for many years. Very truly yours,

JOS. C. TALBOT, Bishop.
