

## BREVITIES.

Thirty Theatres amuse London.

On the 6th inst., the railroad track was laid 18 miles west of Cheyenne.

The New York Times' advises those who doubt the personality of the Devil, to visit that city.

In order to keep up with the progress of the age. Time has abandoned the scythe and hour-glass and purchased a mowing machine and watch.

"I want to buy a sewing machine," said an old lady entering a shop. "Do you wish a machine with a feller?" inquired the shopman. "Goodness, no!" she exclaimed. "Don't want any of your fellers about me."

Mr. I. J. Richie, the first straw paper manufacturer in this country, is now working in the Pine Rock paper mill in Huntington. Forty years ago he commenced to make straw paper in Centerport, L. I.

Rev. M. H. Gallagher, in noticing some queer instances in the education of children, said he knew of a woman who used to tie her boy to a bed-post on Sunday, while she went to church, and make him learn the hymn beginning, "Thine earthly Sabbath, Lord, we love."

In the good old times in Prussia, a girl who owned a little property—a hut or a fishing boat—was thereby legally authorized to pick out a husband for herself. If she wished to commence her "friagel" (hunt for a husband) she would hang up her blue apron in front of the door of her house, and post herself behind it. The young men of the village would then pass by the apron, one by one, a long procession, and dressed in their Sunday clothes. As soon as the right one appeared, the girl would rush out, throw her arms around his neck, and within three weeks there was a wedding.

**100 Prizes, Worth \$5,000**

Every Certificate will be numbered, and as only 5,000 will be issued, every purchaser will know by the number of his Certificate how the Enterprise is progressing.

It is to be understood that there is no limit to the number of Certificates to be issued to any one purchaser, thus offering to all the opportunity of getting as many shares or chances in the drawing as they choose, the only condition being that Ten Dollars' worth of Goods is to be purchased for each share.

The advantages to be derived by this Enterprise are so apparent that it is confidently expected that all the Certificates will be secured by April, 1888.

It must be evident to all that this is not a Lottery, nor an ordinary Gift Enterprise, for the reason that our Customers get such Goods as they choose, at the Lowest Market Rates, obtaining the full value of their money at the time of purchasing, with the chance of drawing a Handsome Prize in the bargain. Our compensation arising from the greater quantity of Goods sold within a given period.

Disinterested men well established in the confidence of the people will be secured to conduct the drawing, which will be done on a perfectly equitable plan.

Amplification will be given in the newspapers of the time and mode of drawing.

Finally, we pledge ourselves to faithfully fulfill all the above named conditions.

Goods on the above named favorable terms can be obtained at

**GODDE'S DRUG STORE,**

Our General Merchandise Store, in EXCHANGE BUILDINGS,

And also at our TEN and STOVE WARE HOUSE, at Shaker's Old Stand, on West Side of Main Street, in each of which, there is now on hand a complete assortment, and will also be largely replenished with Goods from California.
