

and of W. P. Nebeker, of Lake, Rich Co., march into his. After being duly seated, a complimentary and explanatory remarks were made by W. P. Nebeker and J. C. Rich. Whereupon P. Nebeker arose and said in substance as follows:

President Rich, you are 71 years to-day; you are a pioneer, not in the settlement of this great western country, but in your stand and the promulgation of the Gospel of the Church of Jesus Christ Latter-day Saints. But few men of this generation have more friends and less foes. Your course from the beginning has been consistent, hard-riding, honest, straightforward, unflinching in all the works and duties of life; you have ever been a safe counselor, the wise adviser, the friend of the poor and oppressed. We realize your course of life through life has been to please the Almighty, and in doing so you have pleased yourself and the true Latter-day Saints; in doing so you have built up a name and a fame that will shine eternally endures. As a humble tribute of the regard in which we are held by us all, we ask you to accept as a token of our respects a watch which has been donated by a few of your particular friends."

Whereupon, President Rich was presented by W. P. Nebeker with a \$250 gold, English lever watch, made at the works of J. W. Benson, London, under the special direction of Bro. Geo. C. Ferguson, of Salt Lake City.

While the presentation was taking place the brass band, of Paris, immediately outside, opened up several of their charming tunes, and President Rich arose to thank them. He was quite overcome with the unexpected surprise of the present and the call of his friends, and his moistened eyes, said he appreciated his friends, but did not expect a tribute of respect of the magnitude presented; felt that in he had only done his duty, started out in the beginning to do it, expected no reward in this world further than the satisfaction of knowing he had done his duty. The gift presented was a free will offering and presented by his friends he would accept the same and say unto God bless you.

President Rich was visibly affected the more so as he was entirely ignorant of what was coming, so gently and effectually had matters been manipulated. We all feel that President Rich is worthy of the gift, coming as it does from none but his particular friends, and we all trust that he may live many years hence wear it and give us the benefit of his society and good and fatherly counsel. An honest man is the best work of God and Charles C. Rich is one of them.

Yours very truly,  
PETER FERGUSON.

Kansas City either has some very bad preachers or a very wickeder. The Times of that place says: "There was no preaching in this city last Sunday, and all in consequence of a practical joke perpetrated by a lively young girl. The young girl, inspired by the world, the flesh and a little devil mixed, sat down on Saturday evening, and sent a letter to each of the pastors. The letters were on tinted paper, and when nicely. They each contained the words: 'All is discovered.' Nine of the preachers fled to St. Louis and three went west. There is a sensation in town larger than a man's hand."

## DANGER IN DISGUISE!

Summer Pestilence Unearthed: its Causes Explained and Some Timely Advice About How to Avoid it.

CERTAIN VALUABLE FACTS MADE PUBLIC.

It is well known that hot weather brings sickness, and that few people go through the summer without unpleasant symptoms. The mouth becomes dry and parched, the tongue turns red and white, the pulse irregular, the head feverish, the body cramped and the limbs swollen and tired. Ladies especially, with their natural delicacy and tendency to female troubles, find the hot weather almost unbearable, while Little Children are dying every day from exhaustion and because Parents neglect precaution and care. A prominent and well known physician of New York asserts as his positive belief that more than three-fourths of all so-called Summer complaints arise from disordered secretions, and that these secretory organs, which, by being out of order cause so much trouble, are the Kidneys and Liver. These organs are the governors of the system, and by their movements the other parts of the body are regulated. The brain controls the life, but the lower part of the body rules the health.

There is one, and only one known vegetable that will absolutely regulate and control the Kidneys and Liver at all times and thus prevent the many dangers of the Summer. That vegetable (a West India leaf), is used as the basis of Warner's Safe Kidney and Liver Cure. It is pure, pleasant to the taste and absolutely certain in its results. It keeps those who intelligently use it in perfect health, and cures those whose secretions are deranged. For all urinary complaints of either sex it is infallible. For all bilious troubles it is certain. For the hot season it is invaluable, and it should be used upon the approach of the slightest symptoms. It may save your life or that of some dear friend; it will certainly prevent much suffering.

No remedy in America has ever received such high and enthusiastic commendations, and it is warmly

TO WHOM IT MAY CONCERN:  
I take great pleasure in making the following statement: I have been afflicted with a disease of the kidneys for the past two years and have tried numerous remedies with only partial and temporary relief. Warner's Safe Kidney and Liver Cure was recommended to me, and after taking it the pain and distress left me, and I am to-day feeling strong and well. I am perfectly satisfied that Warner's Safe Kidney and Liver Cure is the medicine needed and can cheerfully recommend it to others.

A Pastor Made Happy.  
I have been greatly troubled with my kidneys and liver for over twenty years, and during that entire time I was never free from pain. My medical bills were enormous, and I visited both the Hot and White Springs, noted for the curative qualities of the water. I am happy to say I am now a well man, and entirely as the result of Warner's Safe Kidney and Liver Cure. With such glorious results, I am only too glad to testify regarding the remedy which has made me so happy.

An Educational Endorsement.  
The Rev. C. A. Harvey, D. D., of the Howard University, of Washington, has written the following letter:

GENTLEMEN—I take great pleasure in stating that I have for two years past been acquainted with the remedy known as Warner's Safe Kidney and Liver Cure, and that in some cases which had been given up by practitioners of both schools; the speedy change wrought by this remedy seemed but little less than miraculous. I am convinced that no remedy for kidney troubles heretofore discovered can be held for one moment in comparison with it.

Respectfully yours,

MESSRS. H. H. WARNER & CO.:

GENTLES—My wife has been suffering for the past five years from the results of a premature birth, and during that time she has been under the doctors' care and treatment, for a disease peculiar to the female sex, and generally named as a falling of the womb. After a thorough examination the doctors finally concluded she had inflammation of the bladder, and changed their treatment accordingly, but as before without helping her in the least. We at last despaired of her ever being any better, and after expending an enormous amount of money—gave it up. But a little while ago one of your pamphlets having been left at my house, and her symptoms being so accurately described therein, we concluded to try your Safe Kidney and Liver Cure, and I can truly state that after five years of faithful trial of physicians, this is the only thing that has done her the least good.

Sincerely,  
G. E. WOOD.

What the Best Judges in Utah say about them:

SALT LAKE CITY, Aug. 16th, 1880.  
The undersigned hereby certify that they have carefully and thoroughly examined the D. O. CALDER CABINET ORGAN, Class B, (and compared it with a number of Organs of other makers, some of which enjoy a world-wide reputation) and have no hesitation in pronouncing it to be an excellent instrument both in its mechanical construction, thoroughness of workmanship, and superiority of tone and touch, and that, all things being considered, it is second to none as a desirable instrument for the Parlor or Meeting House, and is calculated to give entire satisfaction to purchasers.

CHARLES SMITH.

In presenting the CALDER ORGANS to the Musical Public, with the above valuable Certificate of their superior merits, I desire to call attention to some of the especial features which distinguish them: The actions are made for me by the celebrated E. O. Carpenter, who has for over fifteen years made Organ actions, and their every possible improvement a specialty. They are made with a perfectness of work—adjustment, tone and quality, that stand unrivalled. None but the very best materials, in every part, are used. The Hammond patent stop work, used exclusively in these Organs, is acknowledged by competent judges to combine more excellent features than any hitherto invented. It is simply impossible to disarrange or break any part of it by ordinary use. It will never wear out, nor will the relative position of its parts ever change. The patent divided Octave Coupler, as applied in these Organs is constructed of metal in the most improved manner, rendering it impossible to get out of order and arranged to couple right and left from center of Key-board, thus enabling the performer to increase the power of tone in the upper or lower half of the instrument at will. The Improved Equalizing Arrangement by which the upper or higher notes are rendered more prominent and brilliant, so that the melody part is not overbalanced and drowned by the lower notes of the instrument, as is the case in most other Organs. The New and Improved Carpenter Vox-humana, by which the front set of reeds, as also the sub-bass set, are as discernibly affected as the back set, giving it the sympathetic sweetness of the human voice. Other, and a more extended description of improvements, are to be found in my catalogue, which can be had on application. These Organs are made for me, and bear my name on the key-board as a standing guarantee that they are in all respects precisely as claimed in this advertisement and in my circular. I also warrant them for six years. The prices vary with the style of cases, and combinations in the actions from \$65 and upwards; but to give some idea of the extraordinary low prices of these magnificent instruments, I will quote style 2, action 23; 5 octaves, 4 sets reeds of 2 1-2 octaves each, 9 stops, knee swell and Patent Grand Expression, \$90. Sold for Cash or on instalments. Send for Catalogues.
