SALT LAKE CI1Y, May 22, 1876.

Ab dl six woeks ago I was perfectly cured of a cancer in my tongue. The suffering through which I passed previous to its re-moval, cannot be described. The cure was effected without any surgical operation, and I gradually experienced great relief from the commencement of Dr. Plant's skillful treatment. The entire cure was performed in six weeks. I am sixty-one years old, and am prepared to answer any or all inquiries in relation to the matter.

But the case, to myself, seems so wonderfu that I think it my duty to take the present means of communicating the fact for the benefit of others. MRS. MAY. At h Ward, Main Street.

A PERFECT CURE.

Br. E. L. The girl had been afflicted for years with fits. She was placed under Dr. Plant's care, and in a short time she was entirely cured, and has not had a single fit for twelve months. Anothor daughter of the same gentleman was affected with a for twelve months. Anothor daughter of the same gentieman was affected with a hugh wen.
