THE EVENING NEWS.

Thursday, - - March 21, 1872.

PRICE OF GOLD.

Corrected Daily by BANK OF DESERET.

SALT LAKE CITY, March 21, 1872.

Buying at 11:00, selling at 11:30.

LOCAL AND OTHER MATTERS.

THEATRE.—There will be a performance at the Theatre on Saturday night, when an attractive bill will be presented. Miss Adams, Messrs. McKenzie, Margetts, and Graham and other favorites will appear.

COMING.—The California papers say, "a miners' stampede will soon set in for Eastern Nevada and Utah." Let them bring plenty of cash along with them, or—well they know how it is themselves.

THE LECTURES.—Prof. Pratt's lecture at the Old Tabernacle last night, was pretty well attended, and the audience manifested great interest in and attention to the lucid reasoning of the learned speaker. The lecture lasted about two hours, and was the conclusion of "Bible and Book of Mormon Evidences Compared."

The subject for to-night's lecture is the "Pre-existence of Spirits."

LARGE LIVERY STABLE.—An extensive livery stable is in the course of erection on the Snyder lot, Second South Street, opposite F. Little's Row.

ON THIS PLANK.—The *California Agriculturist* puts out this plank—

"Our columns are open only to such advertisements as we regard worthy of public notice and patronage."

BEAUTIFUL.—The weather was a trifle cloudy and colder yesterday, and it was generally anticipated a storm was brewing, but it is clear, beautiful and warm to-day.

A CHASTE SOUL WORRIED.—Judge McKean of Utah, whose chaste soul is so worried over the practice of polygamy that he does not hesitate sacrificing both law and gospel to put it down, turns up in Washington. Would it not be well, now that his Honor is here with some spare time, to turn his attention to the grave charges preferred against him by Senator Stewart and others?—*Washington Capital.*

HOW SHE DID IT.—Mrs. Mary Olmstead Hanks thus proved to the California legislature the natural superiority of woman to man—

"Physiology has demonstrated the fact that man does not possess one faculty of brain which is not common to woman. Scientists have agreed upon the proposition that the organization possessing the greater number of functions, the higher its rank in the scale of creation. Woman possessing two more physical functions than man, stands in this respect his superior."

And she thus met the argument that if the women vote they ought to fight also—

"There are several classes of men exempt from military duty, on account of some peculiarity of their nature or occupation. It is fair to presume that women, whose occupation is peculiarly a peaceful one, will be also exempt from military duty. We hear a great deal said about the chivalry and generosity of man towards woman. Would it not militate against that boasted chivalry and generosity were man to exact of woman a treble duty—more than he performs for the State? to ask her to bear soldiers and also bear arms."

AH!—The papers say, "In four out of five of the divorce cases in San Francisco, women are the complainants." The horrid men must be a bad lot.

FRANKLIN.—A letter dated at Franklin, March 18th, from "Anglia," says: "Our crops last year were pretty good, excepting hay and potatoes, the dry season being bad on hay, and the frosts of May and August severe on potatoes. Snow is now deep in some places.

"Elder Wilford Woodruff, when here last summer, made some remarks about our unfinished meeting house, suggesting the propriety of completing it. Bishop L. H. Hatch has felt the necessity of this labor, and this winter Bros. Monsom and Traveler were engaged to labor on the same. They, with other brethren, have cased the windows with panel work, put up the cornice, and erected a nice stand with pulpit. This work has been done in a first class manner. The brethren and sisters generally have responded nobly for this good work. Several men have been working on the house for seven weeks. Bro. John Biggs, treasurer of the meeting house committee, has superintended the work all the time.

"Our mail from Brigham City has been reduced to semi-weekly, and now arrives Mondays and Thursdays, returning on the days following. The NEWS is looked for eagerly."

THE BEST ABOUT IT.—Hon. Frank M. Pixley, of San Francisco, thinks "The experience of Salt Lake City is not an argument in favor of woman suffrage, for they outvoted the Gentiles ten to one." For the word Gentiles substitute "ring" and then we beg to differ from the honorable gentleman, and say that the outvoting of the "ring" was the best of all. Trust the women for that.

ELECTION RETURNS from the country by Deseret Telegraph—

Fillmore, 10.—The number of votes cast at the election, on the 18th, in this county was as follows: For the constitution, 876; for Representative to Congress, Hon. Frank Fuller, 876; for Senator to State Legislature, Hon. Thos. Callister, 876; for Representative to State Legislature, Hon. T. M. Lyman, 874. No opposition.

Manti, 20.—Twenty-three hundred votes were polled in Sanpete County for the constitution and State officers. Two precincts are not yet heard from. Returns from them will follow this.

GEO. PEACOCK.

STARTED FOR HOME.—Elder Nicholas Groesbeck, who has been attending to business in England during the last few months, sailed from Liverpool, per steamship *Nina*, on the 24th inst, on his way to his home in the Valleys of Utah.—*Mail. Sat. Feb. 17th.*

PETER MCKINNON.—Mrs. McKinnon, of 40 Shaw Street, Greenock, Scotland, writes to request us to ask, through the NEWS, for information concerning her husband, Peter McKinnon, who left Greenock for Utah Feb. 27th, 1866, and who has ceased to communicate with her for a considerable time past. The last letter she received from him stated that he was in Bingham Kanyon, working in the mines, and that he intended soon to start for Bear River Valley. Mrs. McKinnon is left with three children and is very anxious to hear from or of her husband. She will be very thankful for any information concerning him. Should this meet his eye, he should write immediately and relieve his wife's anxiety. Anybody knowing his whereabouts will please communicate to the above address.

HOW'S THIS?—Says the S. F. *Pioneer*, several women in the city of San Francisco, within the past few weeks, committed suicide, because of their inability to procure work, and preferring death to dishonor." Alack! has it come to this? Two alternatives only—death or dishonor, in a Christian, monogamic city! Why where are the slanderous creatures who prate about Utah monopolizing all the feminine misery? Such alternatives as death or dishonor are not dreamed of in Utah. Honor, bright honor, is the word here to woman-kind.

DIED.

At the residence of Jacob Peart, in the 14th Ward of this city, March 20th, SALLY, wife of Benjamin Lee, of York State.

Deceased was born July 9, 1793, in Windham Co., Vermont, and joined the church in 1842. She moved to Nauvoo in 1844, which place she left in 1846 and went to Mount Pisgah. From the latter place she moved to Winter Quarters, and thence to Salt Lake in the fall of 1848. Funeral services at residence of Jacob Peart, on Friday morning, March 22nd, at 10 o'clock. Friends are invited to attend.

Special Notices.

A GREAT MEDICAL DISCOVERY!
MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF
J. WALKER'S VINEGAR BITTERS
Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants They are the GREAT BLOOD PURIFIER and A LIFE-GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving congestion or inflammation of the Liver, and all the Visceral Organs.

FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Disease are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION. Headache, Pain in the shoulders, Coughs Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

J. WALKER, Proprietor.
