Tardy Mails—General News.

LOGAN, May 20, 1875.

Editor Deseret News:

Since the change of time on the U. N. R. R. our mail matter seems to have undergone a change also. That is very unpleasant to the citizens of Cache, our daily papers arriving here two days after their issue. To a community of news lovers nothing can be more distasteful than to be served up with stale news.

In this age of lightning and steam people expect to have their papers and letters within a reasonable time, considering the *modus operandi* of transit. In the present exigency we expect that all that is required to remedy this matter is mere mention of the facts to the proper mail functionaries and it will be effected instantly.

All is serene and lovely in Cache, good prospects for fruit and crops. The work on the Logan Tabernacle has been resumed under the management of Superintendent C. O. Card, with fair prospects for the completion of the walls and roofing the present season. The day and Sunday schools of Logan are in regular session, with good and competent teachers. There are rumors of rich mines at Oxford, Idaho, notwithstanding which our people attend to their plows, &c., in preference to hunting and digging for the precious metals, which former no doubt is the safest investment.

Yours respectfully,
J. A. LEISHMAN.

TERRITORIAL DISPATCHES.

PER DES. TEL. LINE.

Special to the DESERET NEWS.

Drowned.

LOGAN, May 22nd, 1875.

Mrs. Ostlund, engaged this morning in washing in the Logan river, while in the act of dipping up a bucket of water, fell into the river, and was drowned, her body was recovered half an hour after, some hundred yards below the place.

Our Country Contemporaries.

Ogden Junction, May 20—

On Tuesday, 18th inst., Sophia Matison, a little girl three years old, daughter of Peter Matison, of North Ogden, fell and fractured the left collar bone. Dr. Waugaman attended, reduced the fracture skillfully and the little girl is doing extremely well.

From Mr. Agrippa Cooper, of Oxford, Oneida Co., Idaho, we learn that mining prospects are excellent in that vicinity, and it is expected that before long a rush will be made to that locality, and the fame of the Oxford lodes will go forth to "all the world and the rest of mankind."

The Evanston Age of yesterday, gives particulars of the shooting of a Chinaman by accident, at that place on Tuesday. Some boys were shooting at a mark with a rifle, when a shot fired by Bell Glasbe struck the Chinaman, making a hole in his head just above the left temple. Glasbe was arrested.

DIED.

In the 20th Ward of this city, of pneumonia, HANNAH A., daughter of Thomas G. and Mary Ann Lewis, aged 3 months. Funeral services took place to-day (Friday), at 10 a.m.

At Fairview, May 6th, SOREN RASMUS-SON, aged 58 years. He leaves a wife and numerous friends. Scandinavian *Stjerne*, please copy.

At his residence, Lehi City, Utah Co., Tuesday, May 18th, after a severe and lingering illness, of abdominal aneurism. JONATHAN EMERSON GOLDING, aged 34 years. The funeral took place to-day, May 20th, from the residence of his brother, Mr. Robert J. Golding, in this city. Cincinnati papers, please copy.
