By Telegraph to the NEWS.

Revelt Among the linights. CHICAGO, May 10 .- The Daily News o day publishes the text of a long circular said to have been sent out to all prominent Knights of Labor assemka, Illinois, Michigan, and Missouri by local assembly 8133 of Portland, Ore-gon. The circular denounces General

Master Worknan Powderly for his rejoicings over the Chicago municipal election, and embodies the resolution assed by the assembly demanding that wderly be deposed from office. The ve of a great revolt, and the circular s the result of a

CONCERTED MOVE by which if the assembly is suspended race.

Will follow.
Pirrsmung, May 10.—Inan interview here to-day A. M. Carellon of the general executive board, Knights of Labor, condemned the strike of the Knights in the coke region and said: "Whenever our men agree to submit to arbitration they are bound to submit to it, no matter what the difference may be. Arbitration is our grand principle. If we submit a case to arbitration we would expect the other side to abide by it, if it were in our favor. When it is against us and we don't submit, how can we approach he other side again and ask for arbi-

WASHINGTON.

The "Bear's" Trip-Stacks of Trade Dollars. Fairchild to-day addressed a letter to further says that the coercion bill will Captain M. A. Healy, commanding the revenue steamer Bear lat San Fran . cisco, which will soon set sail for cisco, which will soon set sail for more so by enforcement. He asserts Alaskan waters, clothing him with that Parnell's letter was a forgery. He full power to enforce the law which would not say Pigott was a forger, but prohibits the killing of any otter, mar- he spoke of him as being a renegade bearing animal within the limits of Alaska Territory or in the waters thereof, except under the law, and the department regulations. Captain Healy's attention is called to section 1961, revised statutes, which forbids the killing anywhere of female seals less than one year old, and he is instructed to use the force at his command to the end that no persons attached to or connected with any ves-

sel of the United States VIOLATE THIS LAW.

and also to enforce the penalties provided for such violation. He is also enjoined to be diligent in enforcing the law against the importation of inrifles and ammunition into the Territory of Alaska as provided by the executive order of May 4th. These orders are almost identical with those issued on the same subject last year. No reference is made to the alleged encroachments on our fishery rights by foreign nations. That question still forms the subject of negotiations beforms the subject of negotiations be-tween this country and Great Britain, and the policy of this government with regard thereto naturally remains Reports received at the Treasury De-ortment show that 6,500,426

TRADE DOLLARS have been redeemed to date. The principal redemption was in Philadelphia. The law authorizing the redemption of trade dollars has already been in operation over two months and has hearly two months to run. It was originally estimated that there were about \$7.000.000 of these coins in this about \$7,000,000 of these coins in this country and the redemption shows that the estimate is nearly correct.

mportations from China and Japan Bay swell the amount to \$8,000,000. THE FOLLOWING CHANGES n the pay department have been orin the pay department have been ordered: Major Chas. McClure, relieved from duty at Newport Barracks, Kentucky, July I, and ordered to El Paso, Texas, relieving Major Geo. F. Robinson, who is ordered to San Francisco to relieve Major John S. Witcher. Major Witcher is ordered to Newport Barracks, Kentucky. Major Chas. H. Whipple is relieved from duty at Fort Keogh, Montana, and is ordered to take the temporary station at Fort Leavenworth. Major John B. Barker is relieved from duty at Fort Leavenworth.

ker is relieved from duty at Fort Leav-nworth, and is ordered to Helena, MAXWELL DAND GMAT.

Acting Commissioner Stockslager of ie general land office has recommende Attorney-General be requested to file a motion in the Supreme Court for a reargument of the Maxwell land grant case, in which the decree of the circuit court for the district of Colo-

rado was affirmed April 18th last. Mr. tockslager says: "The grounds upon which I think a hearing should be had are that the roads would not listen to any comcourt was fundamentally in error in treating the grant as an empressario grant, since, first: that no contract was entered into as provided by the were ?to be

MEXICAN-LAWS cases. Second: that an analysis of the stances, listen to any such conces-grant to Beauble and Mirandi will dis-sion. The Stubbs party has gone cast close that no empressario feature entered into said grant. Third: that said grant was specifically a private settlement; a grant made to two persons for eleven leagues only was applied for or granted to said Beauthan for the get a reduction of the pro-rata now demanded east of Chicago in order to secure if possible some freight originating on the seaboard for the all price for or granted to said Beauthan and Mirandl, to be equally divided be-tween them and that the foregoing propositions can be shown and dem-onstrated.

Chicago the latter part of the week and Monday next another meeting of transcontinental lines will be held and a report made of the result of the The report of the surveyor-general negotiations with the eastern ilnes. was upon the question of title only, and the confirmation by Congress should be held to carry only what was

surveyor-general's report was itself upon Congress, since it declared that all proceedings had been regular and in accordance with law, and that the grant had been confirmed by the departmental assembly, which declarae tion does not appear to be sustained by the evidence. I am also advised withdrawn from its support. An Associated Press reporter called upon S. tion does not appear to be sustained by the evidence. I am also advised that new and material evidence touchthat new and material evidence touching the fraudulent character in this grant, and alleged judicial possession has been discovered which may be indicated to yourself and the Hon. Attorney General and made a part of the basis for a new trial in the lower court or produced in a suit which I have recommended should be brought in recommended should be brought in New Mexico. I respectfully arge that the New Mexico suit be brought and pressed, since the record now before

the SUPREME COURT A fails to disclose the full case of the government, but in any event I deem it essential to the interests of the government to urge a re argument in the present case as even with the imparceiver from 1874 to 1879, the fact that present case, as even with the imperfect record it is my opinion that weighty and auditeient reasons can be brought to the notice of the court to justify a review of its decision or a remand for a rehearing on the merits of the case.

The acting commissioner adds that the new evidence spoken of is in possession of General Benjamin F. Butler, whose services in the matter can let, whose services in the matter can let the road paid no bond interest till after the consolidation with the Union Pacific, when the interest was guaranted by the tariff contract. After the consolidation the value of the bonds advanced rapidly. Jay Gould was the largest holder of the securities of the company.

Geo. Arents, a Wall Street broker, testified that the bonds of the Kansas & Nebraska and St. Jeseph & Western tions amounted to \$1,000. To be sure

be secured. These suggestions, he says, are in accordance with the wishes of Commissioner Sparks. He urges immediate attention as the time for moving for a rehearing will expire on the 12th inst.

THE PRESIDENT

has appointed J. Guy Hammer post-master at Haily, Idaho, vice Henry ex-Congressman Anderson, of Onlo; General Green B. Raum, of Illinois, and Senator Sherman, who also made a subscription of \$100 to the society's

The Commons.

LONDON, May 10 .- In the House of Commons to-day, in committee on the coercion bill, Healy moved as an amendment that a person committed for attempt of court be treated lenient-He argued that witnesses committed for refusing to answer questions olies, and secretaries of assemblies in ought not to be subject to the same pulishment as a crimical. Under the last coersion act the mere detention of many persons shortened their lives ten rears. [Cries, "Here! Here!"] Island, or Friday, blowing signals of distress. The Bessemer's bow had been stove in by the ice, and she made Ralfour, chief secretary for Ireland, said that persons committed could

John O'Connor (nationalist) said, if the government imprisoned witnesses as common criminals, for refusing to answer questions, it would be a dis-grace. Why didn't the covernment general withdrawal from the order propose to aprly the old fashined im-vill follow.

Pressure, May 10.—In an interview Healy's amendment was finally re-lightening her greatly. h cled, 195 to 144.

Heavy moved to limit the penalty for contempt, in the case of a witness, to seven days' imprisonment. Healy's amendment hmiting th penalty was lost, 138 to 111. Another | icg concerning the earthquake from notion, referring to witnesses, was negatived Adjourned.

speech there. O'Brien emphatically erable amount of water spurted out. denies that Parnell is sick or suffering After three days it was all dry again. WASPINGTON, May 10 .- Secretary leader was never better in his life. He pass, but that it will react on its promoters and will certainly be repealed when its obnoxious provisions become ten, sable or fur seal, or other fur- fully capable of just such a thing. Mr. Brien says when he returns from Canada he will spend a week speaking in New York, Philadelphia and Boston.

Criminal Chapter.

LITTLE ROCK, Ark., May 10 .- Dan Bristow, the famous Arkansas trapper, was murdered at Bayou Bartholomew while setting his traps. The party laid in ambush for him, and after killing the old man robbed him of \$400. No BALTIMORE, May 10 -Wm. Ritter, a grocer doing business in the country ten miles east of this city, this morning and a fight with his wife which splitting her skull nearly in half, killing her instantly. The couple have

LIVING HAPPILY ogether for some years, and the cause of the killing is unknown. CINCINNATI, May 10 .- A Steubenville, Ohio, special says: Mr. Van Baker, of Helliday's Cave, West Virginia, left home yesterday afternoon, and returning this morning found his wife and mother dead in the sitting room, with their heads mashed by a car pin, and an axe lying beside the bodies. Robbery was supposed to be the motive of the murder. SANTA FR. N. M., May 10 .- Governor

Ross has issued the death warrant for Jasper Thomason, who killed Albert Potter a year and a haif ago near Luna Valley. Thomason was to have been executed February 18th, buthas been TWICE RESPITED

and strong efforts were made to have the sentence commuted to imprisonment for life. He will be executed next Friday at Socorro. HUNTSVILLE, Ala., May 10.—William, Charles and Newton Hutchins, sons of J. M. Hutchins, a leading contractor and builder of this city, had a bad state of feeling toward each other for some time. They quarreled to-day, and William drew a revolver and fixed five shots at his two younger brothers, killing Newton instantly and seriously wounding Charles. The fratricide surrendered himself to the authorities.

THE RAILWAYS

Agitation Over the D. & R. G.-The Investigation, etc. CHICAGO, May 10 .- The Times says After the meeting of the transcontinental lines, Slubbs, of the Southern Pacific, and party went on to New York, stating before they left, that the to the Secretary of the Interior that | Southern Pacific would meet the competition of the Canadian Pacific, the Pacific Mail and the clipper ships in its own way, which meant that if these latter routes took any business they would get it at a loss. It was discovered that there was no possibility of arranging with outside lines on basis of differentials, as the American

1879 as high as 85 for seconds. Artemus II. Holmes was recalled. Questioned about

THE POOLING of the Kansas Pacific, Denver Pacific

and Union l'acific he admitted that he had conversed with Gould, Sage and Dillon about the matter, but claimed Boms, resigned.

The new building recently erected in this city by members of the Grand Army of the Republic, Department of the Potomac, was dedicated this evening with appropriate ceremonies. Addresses were delivered by Post Comparison of the Kansas Pacific and Denver Pacific, Holmes said the Union Pacific was prohibited from leasing. Before mander-in-chief General S.S. Burdette, the pooling arrangement neither of the roads were permitted to earn anything. The \$3,000,000 worth of stock of the Denver Pacific released from the trust was transferred to Kansas Pacific, and was used in acquiring branch roads, etc. The sellers, Gould, Sage, Dillon and Jothers received therefor Union Adjourned

Bangerous Situation.

MARQUETTE, Mich., May 10,- The tug Mullie Spencer arrived here to-day at uoon from Dulath and Preports encountering the steam barge Bessemer, ore laden, thirty miles east of Otter Relfour, chief secretary for Ireland, said that persons committed could avoid punishment by answering the questions. There was no difference between cases of contempt, under the ordinary law.

Lohn Of Conner (nationalist) said at thirty-nine inches of water in eight minutes of the accident. Chamberlain, second mate of the Bessemer saved the steamer from foundering by a dating act. He took a pair of blankers, bad himself lowered overboard the was in the lowered overboard. until he was in the icy water up to his nech, then taking the blankets between sleet be got them down by the hole nd the suction drew them in, filling , so the pumps kept her free. Five ore gwere then thrown overboard

The Arizona Shock.

PHOENIX, A. T., May 10.-The facette prints to-morrow the following concerning the earthquake from ernment asserts that the substance experimented with in Berlin was no

Washington: The distance covered was 1,200 miles long and 600 miles wide. The general direction of the shock was southwest New York, May 10.-William Smith to northeast, and the average duration O'Brien, editor of United Ireland, was seen at the Hoffman House this morning. He says he will start for Montreal to-night and will make his first the bed of an old stream and a considerable smount of water spurged out. most severe snock rolled the boulders down the mountain sides and raised clouds of dust, which, with the noise, caused many to think it an eruption, all of which was

> PURELY IMAGINARY. there being no eruption in any part of the section disturbed. The railroad track at the point where it ran in 'an east and west direction bent four and a half inches out of the line for a dis-tance of 300 feet. The miners working 600 feet below the surface felt the vibrations severely and some became seasick. All soid the shafts and winzes seemed to raise 150 feet. The shock was not severe in Fronteras, Mexico; ten houses were thrown down, a child killed and a man fatally injured. At umpas, one mile southeast, four louses were demolished. Governor Torres telegraphed on the 8th to W. Barshu that southwest Cumpas was

destroyed and that many LIVES WERE LOST. Dr. Goodfellow has gathered the daand Ales, A. T., May 10. - There were two very slight shocks of earthquake here this afternoon.

875,000 Damages Wanted. SCRANTON, Pa., May 16. - Franklin Howeli, a wealthy banker of this city, was sued to day by a Pittsburg lady for breach of promise, the damages asked being \$75,000. About a year ago Nowell was sued by a well known Scranton lady, who laid the damages at \$45,000. That case was settled mutually. thought Howell is not sane, and an application will be made to the court

for the appointment of a committee to take charge of his estate. Assigned.

Cuba Coming.

from speaking in the city.

MADRID, May 10 .- In Congress today the Cuban home, rulers declared that the government, unless it promptly found means to improve the prospec of the Spanish West Indies, granting the liberty demanded by the Creoles, would find itself unable to check the Cuban movement in favor of annexation to America.

German Spirits, BERLIN, May 10 .- The Reichstag today began to debate the first reading of the spirit bill. Minister Von Scholz, in presenting the bill, urged the necessity of increasing the revenue of the empire, in view of the greater pre-cautions demanded for the security of the father and. The bill, he said, especially affected the agricultural interests. The government believed, how-DENVER, May 10 .- Railroad circles ever, that the South German states, without endangering the interests of their distillerles or agricultural classes, could support the tax. The majority of the speakers that followed declared

in favor of the bill.

Riedel, Bavarian finance minister, stated that he would support the bill in the general interest of Germany, but Bayaria was not disposed to renounce her rights. She gave her approval un-der reserve, and demanded careful in-quiry as to whether or not the business of the Bavarian distilleries would suf-fer under the bill. Representative Schmid, of Wurtemberg, said the bill met the views of Wurtemberg. The government was especially happy in the circumstance that the measure threw a fresh band of

interested in the published statement relating to Hon. Walter Ridgely, the eastern college graduate and wealthy

roads sold for 23 cents in 1878 and in that the affair had been correctly reported, a telegram of inquiry was sent to the mayor of Texarkana. He rephed by telegraph that there never was any such a man or any such affair in that part of the country. Further investigation showed that the original story was the invention of a drummer who is an ardent admirer and disciple of Joe Mulhatton.

The Condemned. CITY OF MEXICO, May 10. - The sen tence of death which has been pronounced on Colonel A. Arvizu, Lieut Jutiasviaz and Sargrant Valenzula, of the Mexican army, for having violated the army regulations by crossing the border to Nogal s, illegally, is said to be the result of the opinion of the government that a severe example must be made to proposed. made to prevent in future similar dar, crous occurrences, which might bring about an international difficulty oring about an international difficulty. Among some American residents here it is felt that while the sentence may be legally just, the commutation of the sentence might be gracefully asked of the Mexican government by the United States. It was expected here that the sentence would be executed to-day, but no news to that effect has reached here from the frontier. tere from the frontier.

Wants a Pardon

NOGALES, A. T., May 10 .- Some days ago a petition was forwarded from this place to President Diaz, of Mexico, asking him to pardon the military prisoners who recently created the disturbance on American soil, and who were sentenced by court-martial to be shot to-day. Another petition was sent to Washington asking President Cieveland to recom-mend them to parden, and also une requesting him to take no such step.
