Many farmers are enquiring for Early Amber sugar cane seed. If there is any for sale in the Territory the owners should inform the public through the DESERET NEWS.

The retail coal dealers make out a strong case. Read their letter in another column. We cannot see the good of crowding them out of the business, and fail to see wherein they have acted in any way different from other small merchants.

Swallowing POISON

Spirits of disgusting mucous from the nostrils or upon the tonsils, Watery Eyes, Snuffles, Buzzing in the Ears, Headless, Crackling sensations in the Head, Intermittent Pains over the Eyes, Cold Breath, Nasal Twang, Scabs in the Nostrils and Tickling in the Throat are SIGNS of CATARRH.

No other such loathsome, treacherous and undermining malady curses mankind. One-fifth of our Children die of diseases generated by its Infectious Poison, and one-fourth of living men and Women drag out miserable existences from the same cause. While asleep, the impurities in the nostrils are necessarily swallowed into the stomach and inhaled into the lungs a poison every part of the system.

Dr. Wei De Meyer's Catarrh Cure absorbs the purulent virus and kills the seeds of poison in the farthest parts of the system. It will not only relieve, but certainly cure Catarrh at any stage. It is the only remedy which in our judgment, has ever yet really cured a case of Chronic Catarrh.
