Chief Justiceship of the United States, is that Mr. Waite, of Ohio, is the new nominee.

Raids by Indians are reported from Texas and Montana; in the former five hundred horses were driven off, and in the latter five hundred head of beef cattle. In both cases military went in pursuit.

A railway viaduct, at Tonquelle, in Spain, fell on Saturday, crushing thirty-three men to death beneath its ruins. On Thursday last a terrific explosion occurred at the Dunbar furnace, fifty miles from Pittsburg, Pa., blowing off the head of one man, the roof from the casting house, and blowing the receiver to pieces.

The Indians at Vermilion Lake are reported to be dying of starvation, and some of them have had recourse to cannibalism to sustain life, having eaten a man and two children for that purpose. The failure of the rice crop, and of the government to send the usual sup-plies of provisions are the causes compulsion of votes is neither le-assigned for their wretched condi-gal nor constitutional.
