COMMENTS.

The arrival at San Francisco yesterday afternoon of Bill Squires, the Australian champion fighter, will stir up the fight fans all over the country and a great deal of matchmaking and guess work will no doubt be indulged in. In a few days we may expect to hear that Squires has been matched to fight Jim Jeffries and then will follow a denial from Jeff. Be-

O'BRIEN WILL GO TO ENGLAND.

O'BRIEN WILL GO TO ENCLERCY. O'Brien has been offered a match with Gunner Mofr, the same to take place in London in the autumn in connection with Billy Noian's grand international passage at arms, in which American pu-glists will be pitted against Britons. Up-to-Date Noian has been quit tact-ful in making his arrangements for the big fourney across the pond, being fear-in that if too much were said about his plans some unkind person might remark: "No wonder they are avoiding Gans."

plans some unkind person might remark: "No wonder they are avoiding Gans." The scheme, as far as he has learned, is as follows. A rich Englishman with sporting instincts is behind Nolan, and the series of Queensberry contests will be held at Olympia, the Madison Square Garden of London, in August next. No-lan, who came across from England to sign up men for the tourney, told such as he places himself in touch with that be wanted four championship events. After canvassing the situation, he de-cided upon the following program: Jiramy Walsh vs Digger Stanley, Abe Attell vs Jae Bowker, Battling Nelson vs Johnny Summers, and Sam Langford vs. Gunner Moir. Johnny Summers, and Sam Langford vs Gunner Moir. Coffroth says: "I think a Squires-Burns match would be a big card, even though it should happen that O'Bries and Burns boxed another draw. You see, Squires and Burns are built on the same lines and each of them is the de-termined rashing fighter. I don't know of anyone among American heavyweights better fitted to give the Australian a therough tryout, and for that reason I an looking forward to bringing the men together. Of course, I can't say that I have the match cinched. Burns has told me to go ahead and make arrangements, but Squires will have something to say on the subject when he arrives. I don't expect that the Australian will throw any obstacles in the way of a meeting; though." After thinking matters over Nolan de-cided he could improve upon the heavy-weight card and invited O'Brien to take the place of Langford. O'Brien rather likes the idea and will be among the Nolan vogayers probably when the American Queensberry specialists set out for England in July.

Til whip O Brien surely and will be ready to box Squires a few weeks later." "But if O'Brien should defeat Burns?" was asked of Coffroth. "That is something I haven't allowed for." said Coffroth with a smile. This is tantemount to easying that he believes Burns will win from O'Brien if they meet again.

Independent of Leagues. Special Correspondence: Eureka, April 17.–The Eureka baseball players were out for their first practise of the year last Sunday, when seven of the players who helped to win the laurels of last season were on the diamond and "warmed up." The way they handled themselves made the fans rejoce, and it is sure now that the camp will have just as strong a team of basepail players this year as last, but they will belong to no-eague. Independent ball will give better satisfaction to the players and the public, so everyone the will are anot a basepail players this respondent ball will give better satisfaction to the players and the public, so everyone the will draw more and big-ger excursions to the district. SECOND HEAT RUN.

### Coulson, La Mont and Le Roy Fought It Out for One Mile.

It Out for One Mile. There was another large crowd at the Auditorium last night to witness the sec-ond heat of the series of state champion-ship roller skating races. The entries last night were Colson, La Mont, Le Roy and McAllister. The latter did not have a chance to win as the others were too fast. Colson took the lead and looked like a winner until he fell and La Mont forged ahead. The fight was then between La Mont and Le Roy but the former had the misfortune to fall on one of the turns and Le Roy crossed the tape a winner. Wil-kinson and Le Roy are now qualified to race in the final on Saturday night. This evening the third heat will be run.
