**Wired from Washington.**  
WASHINGTON, April 4.—The Commissioner  
General of the Land Office has ordered  
that final action in the Land Office  
upon all entries of public lands, except  
private cash entries and section 16, shall  
not depend upon acts of settlement  
and cultivation, but suspended in the  
largely to recent westward movement  
the first guide meridian, Kansas; all  
land of the great West in Nebraska,  
the whole range of the Colorado, ex-  
cept lands in the Utah reservation; all  
lands in New Mexico, Montana, Wis-  
consin and Nevada, and all portions of  
Minnesota north of the indemnity limits  
of the Northern Pacific Railroad and  
south of the Canadian boundary, and  
Chicago, Minnesota and Manitoba  
Canada. Final action in the Land  
Office is also ordered suspended until  
the first of June, 1885, which have not  
been examined, also, in all cases of  
desert land entries.

The statutes relating to the tenure of  
office and to powers of removal have  
recently been the subject of much  
careful study, and not alone by those  
who were directly concerned in the  
line of office. Wide differences  
of opinion have been developed,  
which are quite apart from questions of  
policy. The President's power of ap-  
pointment and removal, and the ad-  
vice and consent of the Senate, is dis-  
cussible, but that instrument confers  
no power of removal except by im-  
peachment. The President's power of ap-
