FIRE LADDIES GET EVEN WITH POLICE

Hose Heavers Give Club Swingers Sound Walloping on Diamond.

SCORE WAS FOURTEEN TO NINE

Estimated That More Than Three Thousand Tickets Were Sold—Proceeds to Widows and Orphans.

Chief Lynch's rubber-heeled-pavement-pounding-club-swinging-sleuths are in the repair shop today. "Glass arms," stone-bruised feet, "tin ears," and extremely sad expressions are some of the momentees they carried home with them last evening after passing through a frightful experience down at Walker's ball field.

If you go over to the fire department you will find a different state of affairs. While the firemen may have some of the assortment alluded to above, one thing is entirely lacking. That is the sad expression. Sore arms and bruises are completely forgotten, and will be forgotten just so long as the fond memory of glorious victory lingers.

All of which refers to the ball game yesterday afternoon between the Firemen and Policemen. It's back to the pavement with the latter. Fourteen to nine, in favor of the firemen tells part of the tale. The other part may never be told for the simple reason that there is too much of it.

The game was an annual affair, and was for the benefit of the widows and children of George Edgar and Joe Plant. It is estimated that more than 3,000 tickets were sold, and over 2,000 fans were present. The rooters were about evenly divided. No favor was shown either side. The spirit of fairness was made evident by the fact that Umpire Wilcox went on to the diamond unarmed and wearing no suit of mail.

It would require too much space to mention the wonderful and weird stunts of each individual, but such old-timers as Joe Barlow and G. Parry are entitled to some mention. Golden did the twirling for the Firemen and sent some burners for Billy Cahoon to stop. Morris pitched part of the time for the Policemen and nearly gave Barlow nervous prostration by the assortment he fired in the direction of the grandstand. Capt. Love looked awfully cute on first. So did Sherlock Holmes Shannon, but there is not quite so much of Shannon as there is of Love, and that makes a difference. Shannon stopped everything coming his way that didn't go "through" him. No man made more than two errors. Andrews on third base for Firemen pulled off a number of interesting little plays. In the third the Firemen made the only double play of the game. It was from catcher to second to first, and during the route the ball could be seen all the time.

The base-running on both sides was wonderful to behold. Barlow got to first on a slow wallop, but turned the wrong way and was called out by Umpire Wilcox. Then the umpire nearly got his'n. The policemen swarmed onto the field like Japs going for a Russian, but murder was averted by Wilcox taking it all back.

Considering everything the game was a good one to look upon. Some of the slides for life were worth going miles to witness. Imagine a husky firefighter, club-swinger sliding from third to home on his ear! The care with which some of the fielders caught the ball showed a kindly spirit. Instead of seizing the horsehide with their hands, they sat on the grass and caught the ball in their laps.

It is expected that the official scorer will have the detailed score ready by Christmas time. The line-up was about as follows:

Policemen.		Firemen.
Barlow	P	Cahoon
Morris	P	Golden
Brown, Shannon	1b	Love
Lasker	2b	Alund
Leaver	3b	Andrews
Evans	s s	Compton

PACIFIC COAST LEAGUE.

San Francisco, July 15.—Effective pitching by Hogan and a timely bunching of hits in the first, second and ninth inning gave Oakland the game with San Francisco today, the score being 3 to 1. But three hits were secured off Hogan while Henley had poor luck, ten hits being secured off his delivery. Splendid fielding by Francks was the feature of the game.

INTERNATIONAL TENNIS.

Probability That Americans Will Defeat The Australian Team.

London, July 19.—The only interest in the third day's play in the Dwight F. Davis international tennis cup competition was with regard to the possibility of the Americans gaining the maximum points against the Australians, which they did, both William A. Larned and Beals C. Wright winning their matches. Larned beat Norman E. Brooks, the Australian champion, three sets to love, and Wright accounted for M. F. Wilding by two sets to love. The Australians were not anxious to play, as the Americans had already won three points out of five, proving their right to meet the holders of the cup, but the rules made it necessary for the teams to play out the three day's program. Wright and Wilding arranged to play the best two out of three sets, instead of the best three out of five, and Wright won.

The first set of the matches, between Larned and Brookes, was one more of endurance than a display of brilliant tennis. After that the game was without feature except for the regularity with which each won his service. The American won. The second set fell easily to Larned, Brookes showing signs of fatigue. Larned took matters easy in the third set and won without effort.

The American team has improved wonderfully since arriving here and has established beyond doubt its right to challenge for the cup.

The Americans have not selected the team for the challenge round, which will be played at Wimbledon, July 21, 22 and 24, but it is probable that Ward and Wright will play in te doubles and Clothier and Larned in the singles.

After the match the American team will return direct to the United States to take part in the championships there. They are trying to persuade the Doherty brothers to accompany them.

JONES DECLARES NO FIGHT IS ON.

Says He Is Not Out With Knife For Any Rival Managers.

CAUSE OF ALL THE TROUBLE

Offer Was Made to Release Horses, but Jones Wanted Circuit Animals To Remain Here.

The rumor around town among horsemen that there is likely to be a bitter struggle between rival tracks, is denied by Manager W. S. Jones of Agricultural park track.

What trouble there is came about as a result of certain horse owners taking their animals down to Calder's on July 4, but the real difficulty arose over the arrangement for the races yesterday in connection with the Granite stake outing. The management of Calder's track claim, it is said, that Jones did not treat them fairly in the matter of permitting horses to race there yesterday. It is true that he declined to allow any of the circuit horses to race. He told the owners that if they did their horses could not compete in the coming six-day meet. Mr. Jones also refused to release certain local horses.

This, it is said, caused the rupture, and while Jones admits there is some feeling in the matter, he denies the turf war talk. He says if there is a fight it will all be on one side because he has nothing to fight over.

Following is the statement made by Manager Jones to the "News" this morning:

"I was informed some time ago by the management of Calder's track that they intended giving some horse races and they wanted to know if I would release certain local horses for the day on which the events were to come off. I said 'yes,' on one condition. That condition was that the management would bar the circuit horses. My reason for this is obvious. I wanted to keep the various strings intact. I was told that if I would guarantee that the horses I released would race, the proposition would be accepted. Well, that was impossible. How could I make the horses race? Then, I made another proposition; I told the management that they could have all the horses they wanted provided they paid me pro rata, on the horses that I had spent $90 to get here from the circuit. I thought that was fair. I brought the horses here for a six-day meet at Agricultural park track, and I did not see why I should turn over those horses to race for someone else. This proposition was also declined. I was told that my expense was nothing to them, and that the horses were here. I think my offer was fair.

"As to a fight, there can be no fight because I have nothing to fight over. I am giving the meet and have brought several strings of high class horses here. I have gone to a great deal of expense, and I am going ahead with my plans to give the best races ever seen here."

YESTERDAY'S HORSE RACES.

Granite Stake Folk Have Enjoyable Outing at Calder's.

Those who journeyed down to Calder's park yesterday afternoon to participate in the outing of the Granite stake folk, had an enjoyable time watching the horse races and other sporting events.

The races consisted of running events between Pat Ryan's stable and George Wentworth's stable. The spectators were surprised by seeing the former's horses win.

The local runner Argot beat Mocorito in the five-eighths mile race. He got away nicely and came under the wire a winner by half a length. There was a merry fight for first place in the half-mile event, when Red Cross Nurse was raced every foot of the distance by Senator Stoup and Miss Pallidine.

The summary follows:

Five-eighths-mile dash—Argot first, Mocorito second, Dori 1, third. Time—1:03½.

Half-mile dash—Senator Stoup first, Miss Pallidine second, Red Cross Nurse third. Time—:50.

Three-eighths-mile dash for country horses—Lottie, owned by Pugh of Mill Creek, first; Blackhawk, owned by K. K. Nebeker, Murray, second. Time—:43.

The track and field events, open to any athlete in the Granite stake, brought out some interesting contests. The championship cup was won by Fred Bennion by one point. The result of the meet, in points, and the summary of events, follows:

Fred Bennion 21 points; Hunt, 20 points; Neilson, 1 points; Davis, 9 points; Butler, 3 points; A. Bennion, 6 points.

High jump—Hunt, first; Neilson, second; A. Bennion, third. Height—5 feet.

Pole vault—A. Bennion, first; Fred Bennion, second. Height—9 feet.

Broad jump—Hunt, first; F. Bennion, second. Distance—19 feet 7 inches.

220-yard run—Butler first; Hunt, second; Davis, third. No time.

Hammer throw—F. Bennion, first, distance, 150 feet 7 inches; Hunt, second, distance, 84 feet 2 inches.

Half-mile—Nelson, first; Davis, second. No time.

100-yard dash—F. Bennion, first; Butler, second; Hunt, third. No time.

Shot put—F. Bennion, first, 34 feet 8 inches; Hunt, second, 28 feet 11 inches.

440-yard run—Davis, first; Neilson, second. No time.

BRITT-SULLIVAN FIGHT.

Lightweights Will Battle in Twenty Round Bout Tomorrow.

The following was written by "Wally" Young:

"Kid" Sullivan, the muscular Tartar, stirred up by Batting Nelson in Baltimore, will make his initial bow to the San Francisco fight crowd Friday evening at Woodward's pavilion. He will be pitted against the best fighter California can put forward, James Edward Britt. His trial will be thorough. If a lucky punch returns him winner he will be the most important man in the game of fisticuffs; if he falls miserably, the reports of his good showing with the durable Dane will have to be considered in the light that the Battler now regards them—as base libels.

The Washington Sharkey, by the way, owes his present match with Britt to those accounts of his battle with the Dane. According to all the reports of the fight including those of Baltimore and New York papers, Sullivan had all the better of the milling, which was of the six-round order.

Figuring Sullivan on the "dope" furnished by his battle with Nelson, he surely looks to be a formidable opponent of the only James Edward. He is stronger than Britt. He has a harder punch than Britt. He is more rugged. In fact, although Britt is undoubtedly a rugged fighter, as his two game battles with Corbett and Nelson will show, Jimmy is no hot-house plant, but he meets in Sullivan a man who is just a little stronger and who will be able to stand, perhaps, a little more of Jimmy's jabbing than have other aspirants to the lightweight title. The Washington boy has no cleverness at all, and he will stand no chance to win from the speedy Jimmy if he lets the fight go on to its twenty-round limit. If he wins, he must do it on a knockout. By the same token, it looks as though victory will come to Britt through the decision route. The blithe plumber lad is not a "knock-down-and-drag-out" fighter. He is always cautious.

In his short career Sullivan has an even dozen knockouts to his credit. The average number of rounds which it took him to finish those twelve fighters was five and two-thirds. The list includes some unknowns, but it also embraces Tommy Warren, Joe Bernstein, Joe Tipman, Tommy Daly and "Kid" Broad. He has fought draws as follows: Sammy Meyers, twenty rounds; Joe Bernstein, twenty rounds; Jimmy Briggs, fifteen rounds; Eddie Hanlon, ten rounds; Young Corbett, ten rounds; Battling Nelson, six rounds. He has won decisions as follows: Joe Bernstein, twenty rounds; Tommy Daly, fifteen rounds; Joe Tipman, fifteen rounds; Billy Whistler, six rounds; Tim Callahan, six rounds. In Philadelphia in no-decision bouts he has met Young Erne, Jack O'Neil and Harry Lewis. He has never been defeated.

THE GOOD OLD WAY.

A severe cold or attack of la grippe is like a fire, the sooner you combat it the better your chances are to overpower it. But few mothers in this age are willing to do the necessary work required to give a good old-fashioned reliable treatment such as would be administered by their grandmothers, backed by Bochee's German Syrup, which was always liberally used in connection with the home treatment of colds and is still in greater household favor than any known remedy. But even without the application of the old-fashioned aids German Syrup will cure a severe cold in quick time. It will cure colds in children or grown people. It relieves the congested organs, allays the irritation, and effectively stops the cough. Any child will take it. It is invaluable in a household of children.
