SEMI FINALS PLAYED TODAY.

Only Star Men Left in Tennis Tourney at Fort Douglas Courts.

BROTHERS WIN.

Are Scheduled for Place in Doubles Finals, Against Team Chosen Today. Singles Tomorrow.

Some really fine pointed tennis is on at Fort Douglas this afternoon, and there was some of it yesterday when the local team of Salisbury brothers passed defeat to a team composed of the former American champion, Sam Neel and Brown, and thus qualified for a place in the finals. Likewise there was some more of it when the Roberts brothers won as dark-ness gathered, from Hunt and Badger, and thus got to within one place of the finals, with a prospect of meeting the Salisbury brothers for the championship

The straws point pretty well to the lineup for the finishing contest now. This morning no games are scheduled, but this afternoon at 2:30 o'clock the Roberts brothers decided whether they or Conrad and McLeod shall appear in the finals. At 4:50 Hunt meets J. Salisbury in the semiand Boyd meet to decide the question of place in the finals to be played Saturday

t 4 o'clock.

From the work of Hunt to date, it is bery doubtful if he can be defeated as proposition in singles by any man on he courts. His return drive is the one hat wins. It is swift, low, and usually ent to the most remote corner of the ourt from which the player is expecting the is to be almost conceded a place espite the capable rival matched against lim.

As for his opponent, it is hard to pick winner between F. Roberts and Boyd. Both are excellent men, but Roberts eems to be a favorite by a shade, and a booked by many wise ones to appear omorrow on the other side of the net rorn Hunt.

Resides the singles fluals tomorrow af-

from Hunt.

Besides the singles finals tomorrow afternoon, the women's singles are to be played off with Miss Williams and Miss Humphrey lined up at the finish. The men's doubles, which is really the event of the tournament, go over until Monday at 4 o'clock, on account of the appearance of the players in the singles finals. The playing yesterday, demonstrated that a great deal of ability may go begging for results, when listed in teams which don't know how to work together. The Sallsbury brothers had played together for years, and did it again yesterlay to the defeat of a team which was omposed of one excellent and one brillant man, who had never worked together before. The same combination occurred in the later game, when the Roberts brothers put Neel and Badger out, and proved themselves a combination and to beat as a proposition in doubles, both Hunt and Neel played in their bestimm, and showed even the keenest of the local men that they can gather points by watching. But as in the case of all-star football team, the team work and them en's singles F. Roberts won from C. Roberts in a way that shows it is well to be just as young as you used to be when playing tennis. The younger brother won handly at good decisive scores. ides the singles finals tomorrow af-

Fate is often in this case only another word for ignorance. Many a glad mother dates her happiness from the day she first began the use of Doctor Pierce's Favorite Prescription. It often happens that with the cure of female weakness and the establishing of the delicate womanly organs in sound health, the way is opened for the joy of motherhood. "I can truly say your medicine is a friend of mine," writes Mrs. Arthur Bratt, of Amhetstburg, Ontario, Canada, "I am mother of four children and suffered greatly at times of birth of first three. When three months along with the last one I began to think of trying some medicine to ease those terrible pains, and asked our doctor whether there was anything he could give me to lessen labor pains. He said there was nothing that could help ma. I then thought I would write to Dr. Pierce. He advised me to take his 'Favorite Prescription.' I started to take it at fourth month. I was very weak, had bear trouble and would faint away two or three limes a day. Our doctor could not help me and life was a drag. I would eften say, oh, if I could only die in one of these spells; but I took five bottles of 'Favorite Prescription' and felt better every way. Got along well at the time of delivery. I had heard of painless childbirth, and I thought it must be a good medicine that would help those pains, but I know now for myself, and can not tell it plain enough. Your 'Favorite Prescription' is the best medicine as we mothers know. I advise my friends to try it. Baby is now four months old and is a strong healthy boy."

NELSON AND BRITT MATCHED AT LAST

Long Exected Contest to Occur At Union Coursing Park.

Fighting Public flave Demanded the Meet for Many Months, and Will Attend Heavily.

San Francisco, Aug. 10.-James Edward Britt and Battling Nelson tonight signed articles to fight twenty-five rounds before the Colma Athletic club at Union Coursing park on Sept. 9, for a purse of \$20,000 or 65 per cent of the gross re-ceipts and a \$10,000 side bet. The winner is to take all. Both men are to weight 133 pounds on the morning of the contest. The agreement was arrived at after three hours of wranglings Britt insisted upon a \$20,000 purse or 65 per cent of the receipts at his option, but refused to concede the same choice to Nelson, who is only to receive the percentage if he wins. As the club refused to make up any deficiency between the gross receipts and the \$2,000 purse.

The referee will be chosen two weeks before the contest.

This fight is one which the followers of the gentle art of fisti-cuffs on the coast have been working to bring about ever since the fight to a decision last spring. Every time James Edward has taken on a new man, he has been knocked, and Nelson was demanded.

Tuesday night last the board of supervisors were asked for a permit for Britt and another man, and the sporting writers knocked so hard it was refused. Then, they rather forced the present agreement, as they had secured a statement from Britt that if he could get free from the previous negotiations, he would take on Nelson in September.

The Interest locally in the two fighters, and the long struggle to get them matched aguin, will give Salt Lakers considerable interest in the mil.
