

# BANNOCK STAKE QUARTERLY CONFERENCE.

The Bannock Stake Quarterly Conference convened in the Rexburg Meeting House on Saturday and Sunday, November 22nd and 23rd.

Saturday, 10.30 a.m.  
The President of the Stake and Counselors, members of the High Council, Presidents of the High Priests and Elders Quorums and Bishops of the wards were present on the stand, also President G. C. Parkinson, Counselor to President Wm. Hendricks of the Oneida Stake of Zion. President Thomas E. Ricks presiding.

Choir (led by Professor Wm. J. Young) sang, "The morning breaks the shadows flee."

Prayer by President Wm. T. Rigby; Singing by the choir.

President Ricks made a few opening remarks; spoke of the great blessings that the Lord was bestowing upon us both temporally and spiritually in this Stake of Zion, the crops during the past season having far superseded our expectations, and notwithstanding the bitter feelings that our enemies manifested toward us we are prospering and are being blessed on every hand by Him who is the Father of us all, while his wrath and indignation is vexing the nations of the earth. We are engaged in the Lord's work and we are bound to triumph in spite of all our enemies can do, if we remain faithful to the covenants we have made.

President Geo. C. Parkinson was pleased to meet with the Saints in this valley, and to see the interest manifested by them in making themselves permanent homes and building up and beautifying Zion.

Elder Walker of Lewisville said we cannot expect the Lord to fight our battles without any effort on our part.

President Wm. F. Rigby was pleased to address this congregation, mostly the sons and daughters of the pioneers of Utah. Let us follow the pattern set by our parents and work out our own salvation. We must remember that the good deeds of our parents will not save us, the outside world are more energetic in trying to overthrow us than we are in maintaining our rights.

Adjourned till 2 p.m.

Choir sang. Benediction by Prest. F. C. Gunnell.

2 p.m.

Opening exercises.

Prayer by President Henry Flamm.

This meeting was principally occupied in hearing reports from the different wards and associations, which were very encouraging, all in good working order, excellent feeling prevailing and a spirit manifested to build up and strengthen the borders of Zion.

President Ricks was highly pleased with the reports advised all not to occupy too much land, promulgated the wish of President Taylor in regard to the division of our lands in this Stake. Wished to see co-op stores started in each settlement as far as practicable.

Bishop Jno. Donaldson spoke upon the necessity of home manufacture and of storing up our grain. He also treated upon the law of tithing and obedience to those whom the Lord has chosen to guide us.

Bishop R. L. Bybee endorsed the remarks of Bishop Donaldson and dwelt on the same subject for a few moments.

Elder Jas. T. B. Mason of Parker exhorted the young to do all in their power to help repay their parents for the good works they had accomplished for them.

Choir sang an anthem "Bless the Lord."

Benediction by Jno. R. Poole.

Adjourned till 10.30 a.m. Sunday morning.

The Y. M. and Y. L. M. I. A. met conjointly Saturday evening and had an excellent time.

Sunday, 10 a.m.

Opening exercises.

Prayer by Wm. Troop.

Prest. G. C. Parkinson then addressed the congregation, and compared this Kingdom to the little stone cut out of the mountain without hands portrayed in Nebuchadnezzar's dream, and the meaning of the great image that it crushed to powder; also, the stick of Judah, and of Joseph, the stick of Ephraim to come together which he showed very plainly to be the Bible and Book of Mormon, and how exactly this Kingdom was spoken of by all the ancient prophets and apostles. He also spoke upon the necessity of the education of our children.

Choir sang: "Bless the Lord."

Prest Wm. F. Rigby spoke upon the increase of the Latter-day Saints; exhorted all to subscribe for the Church periodicals, and to possess the standard works and not use trashy literature.

Elder W. G. Paul spoke of the great privileges that we enjoy as Latter-day Saints compared to the outside world.

Choir sang: "Glorious things are sung of Zion."

Benediction by John R. Poole.

Adjourned till 1 p.m.

1 p.m.

Opening exercises.

Prayer by Elder D. Robison, of Lyman.

The Sacrament was administered by Bishop Jno. L. Roberts and Jno. Donaldson.

The authorities of the Church as sustained at the last general semi-annual Conference were presented and sustained; also the local authorities of the Stake, Bishops of Wards, etc.

Elder Jno. R. Poole of Cedar Buttes was the next speaker, compared this

Kingdom to the body of a man, all parts and officers being necessary to constitute a perfect body; spoke of the blessing of Jacob upon the heads of his two sons, in blessing Ephraim he promised that his posterity should extend to the uttermost bounds of the eberlasting hills and showed that we are now located there.

President Thomas E. Ricks wished to see either 10 or 20 acres cultivated in each settlement for missionary purposes next season; exhorted all who could to donate liberally to the Tennessee martyrs fund, also to assist Brother A. Latham as much as possible who had the misfortune to drown his team in attempting to cross the south fork of Snake River.

President F. C. Gunnell exhorted all to keep the covenants we have made.

Conference adjourned till Saturday and Sunday February 21st and 22d, 1884.

Choir sang an anthem.

## AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs. None so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

### A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."

HORACE FAIRBROTHER,  
Rockingham, Vt., July 15, 1882.

### Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup. It seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY,  
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried."

A. J. CRANE,  
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL."

JOSEPH WALDEN,  
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles."

E. BRADON,  
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
