A MATTER OF CHOICE.

Really, as a matter of choice, we would rather have ten per-person \$10; or ten persons de-posit \$10 each, than one person \$100; or ten persons deposit \$100 each than one person \$1,000; or ten persons deposit \$1,000 each than one person \$10,000. True, these smaller deposits \$100 these smaller deposits give us more labor in caring for them-sill we prefer them. No one, therefore, should be at all though about bringing in small deposits.
