 all all Departments

We exhibit the elite and fashionable in the exclusive Millinery styles for Autumn a superb and magnificent array of Parisian modes and clever adaptations from America's foremost Artist Milliners—creation in a wonderful variety of new Autumn shapes, materials, trimmings and color harmonies. The whole panorama of Fall's Millinery vogue lies spread out before you—a Millinery Festival of exquisite pattern hats and faithful copies from our own work rooms outrivalling in breadth and beauty all previous exhibits—styles that bespeak delicate and artistic individuality—the exclusive, discriminate and authentic. You are cordially requested to review their beauties and inspect them. **COME.**

## Our Autumn's Exhibition of Fashion's Authentic Styles

*Monday—Tuesday—Wednesday*

A festival of Autumn Fashions—an authoritative exposition of the new Autumn creations gleaned from the exclusive and elite of the fashion world. What clever designers have conceived and skilled fingers realized, what rooms have produced and factories wrought to grace the Autumn maid or matron we have gathered into one beautiful, fascinating array, informant of the authentic styles for Autumn. We cordially invite a personal visit—the store puts on its most brilliant attire for your coming—festoons of Autumn foliage in harmony, shading or delicate contrast serve as a beautiful, fitting background for the new colorings and vast wealth of Autumn merchandise—everywhere sheer Summer's garb is replaced with the more sombre hues of Autumn. Millinery—Apparel—Fabrics—Merchandise—upon which Fashion has set her seal of approval—the authentic of Autumn modes—Come

Exquisite, modish and distinctively elite is the garment vogue for Autumn—handsome tailored suits and coats in strikingly mannish weaves and fabrics, elaborate and exclusive evening and party gowns beautifully trimmed and designed, theatre wraps, costumes, waists, etc., exhibiting the style tendencies and fashion features of both Parisian and American modistes—an assemblage of apparel that portrays the triumph of the new Autumn styles—**COME.**

Fascinatingly rich and beautiful are the new Autumn fabrics. We exhibit a wonderful assortment of the new weaves, patterns, colorings and novelties—the authentic of the fabric vogue. Lustrous, luxurious silks and satins, exclusive dress woolens and suitings—every elite weave and fabric for Autumn suits, gowns and costumes—especially featuring the mannish patterns for tailored modes. Inspect them carefully—note their rare beauty them—**COME.** —you must see
