WANTS RETURNS RECOUNTED.

William Driver Contests the Election of W. R. Emmett and Alleges Irregularities.

DEMISE OF DR. LOUIS A. PONS.

W. C. Channell Succumbs to Long Illness—Diamond Lost and Recovered—Business Changes.

The question as to whether W. Rollo Emmett, Democrat, was elected to the city council from the Fifth ward for the four year term against William Driver, Republican and present president of the city council, is a matter to be determined by the courts, to which Mr. Driver has appealed.

The complaint of Mr. Driver against W. Rollo Emmett and in which he contests the election of Emmett as his ward in the council from the Fifth ward, was filed yesterday in the clerk's office. Mr. Driver alleges on information and belief that the judges of election in the Twenty-second district counted 5 votes for Emmett which should have been counted for Driver. There were 1,128 votes cast in the ward for the position—that of councilman for the long term—and the returns as certified by the election judges and accepted by the city council as a canvassing board gave Driver 563 and Emmett 565. The contestant charges no irregularities except in the Twenty-second district. Here the returns showed 239 votes cast for this office and gave 122 to Mr. Driver, with 117 for Mr. Emmett. It is claimed that the judges counted 5 ballots for Emmett which should have been counted for Driver, and that this mistake changed the result as placed before the board of canvassers. The court is asked to appoint a day and time when the ballot box of the Twenty-second district shall be brought into court and the ballots again counted. The districts comprising the Fifth ward are Twenty-third, Twenty-fourth and Twenty-fifth.

DEATH OF CHANNELL'S DEATH.

Death claimed W. C. Channell yesterday morning at his home, 650 Washington avenue, after a lingering illness of bronchitis and heart trouble. The deceased was well known in Ogden, having followed the contracting and building business for a number of years. He was a member of the A. W. M., Woodmen of the World, and Builders' union, under whose auspices the funeral services will be held Wednesday at 2 o'clock at the family residence.

DEATH OF DR. LOUIS A. PONS.

A telegram received yesterday from Denver by Larkin & Son, announced the sad death at that place of Dr. Louis Pons, formerly of Ogden. His numerous relatives and friends residing in this city were shocked to learn of his untimely death, caused, it was believed, by a heart ailment. Dr. Pons resided in Ogden for about four years ago, when he went east to study medicine. Last spring he graduated with high honors and this autumn accepted a prominent position in a large hospital at Denver, where two of his sisters reside—Mrs. D. Cashmore and Miss Ida Pons. He was but 29 years of age, and not married. About six months ago he was called home to Ogden on account of the sudden death of his father, David Pons, who fell under a load of hay near Brigham City. The remains of Dr. Pons were taken to Ogden yesterday afternoon by his brother Charles and his sister. The arrangements for the funeral are being made for Tuesday. Dr. Pons was a bright, capable young physician, and was starting out on a very successful career when he was suddenly summoned to the great beyond.

DIAMOND LOST AND FOUND.

Mrs. John Pavlis of Coalville, who is visiting in Ogden with Mr. and Mrs. David Madison, left her money purse, containing a fine diamond ring, about \$20 in money, a day's ring and several other articles, in a Twenty-fifth street car after riding up to Monroe avenue. The car was stopped on the end of the line, and a search made for the pocketbook, but it was gone, one of the passengers having picked it up. The police were notified and the names of most of the passengers secured, and yesterday they were asked. The officers were about to give up the search when they learned of a boy being on the car. He was found and admitted having found the purse and taking it home, but gave it to the jewelry and money back to Mrs. Pavlis.

BUSINESS MOVEMENTS.

Numerous business changes are to be made during the next few weeks. In all around the Eccles building. The new bank building being erected next to the Eccles building will be occupied by Fred Nye, the clothier. The place where the Eccles building was formerly occupied has been rented to Leedham & Patterson for an up-to-date cafe. The downstairs will be used for

a gentle cafe and the up stairs, which is now occupied for offices, will be used for a ladies' dining room. The basement of the Eccles building now occupied by Leedham & Patterson, has been rented to Thomas Feeny, Oscar Madson and Gus Becker, who will fit up an elegant cafe in the place. The apartment in the Eccles building occupied by Miss Rheinboldt for a barber shop, has been vacated, and Adam Farber has rented it for the same purpose. It is also understood that the Farber is going to remove his grocery business from Twenty-fourth street to the place now occupied by Mrs. Tollet on Washington avenue.

HEBER.

CLOSE OF BRILLIANT CAREER.

William Wright, an Honored Pioneer, Lays Down Life's Cares at 71.

Heber City, Wasatch Co., Nov. 13.—William Wright, a respected pioneer, has passed to his final rest. He left a legacy to his family and friends, a well spent life—an example of honor, industry and fidelity that may well be a model for all. He died on the 11th inst. at his home in Heber, after a long illness. Services were held today at Charleston, after which the remains, accompanied by a host of relatives and friends, were taken on the train to Provo and interred in the cemetery, where a wife and several children were buried.

Mr. Wright was born Oct. 15, 1832, at Bruff Saw, near Dykefield, England. At 14 years of age he came to Utah with the Latter-day Saints at Liverpool, and in 1850 he emigrated to Utah, being the first of his family to do so.

After a brief sojourn in Salt Lake City he located at Provo, where for about 18 years he was general tithing clerk and lived in the Fourth ward.

In the fall of 1870 he located on his farm at Charleston, where he remained until his death.

"Grandpa" Wright was first married to Josephine Davis, and later to Mary Jane Baum, who, with 20 children, 48 grand-children and one great-grandchild, survive him. Among his public labors he built much of the road at the mouth of Provo canyon. He was actively identified with the progress and development of Wasatch county. As a church member he was a devoted and earnest. His religion was practical, combining temporal advancement with spiritual worship, through his faithfulness to which he leaves behind him an undying name and fame.

We are having one of the heaviest storms of the year. The storm commenced early Sunday last, and with occasional intervals continued up to date, and snow and rain is still coming.

Face Was Always Very Pale and Thin. Nervous Prostration—Faint Spells.

Dr. Miles' Nervine Saved My Life.

There is great danger in a run down condition. Overwork, mental strain, the cares and worries of business and the home, all have a deleterious effect upon the nerves, which in their debilitated condition readily prey to the attacks of disease. Aside from the danger there is no condition attended by so many disagreeable symptoms, such as nervousness, headache, nervous dyspepsia, headache, tired feeling and loss of appetite together with the agony of sleepless nights spent in tossing restlessly about the room, as that which is remedied by Dr. Miles' Nervine. It is a true nerve tonic which, by strengthening the nerves, restores health and appetite and brings sweet sleep.

"For six years I suffered almost constantly from complications of trouble which culminated in complete nervous prostration. I had no appetite, I could not sleep, I suffered from indigestion and nervousness. As is so often the case in nervous prostration I frequently had weak, fainting spells. Doctors did not help me. They said my blood was very poor, and I knew my face was always very pale. The very first bottle of Dr. Miles' Nervine I took gave me noticeable relief, and I felt stronger than I had in years. My neighbors in Payville, Wash., where I then lived, testify to this. I also used some of Dr. Miles' Restorative Tonic and Anti-Pain Pills. I believe Dr. Miles' Remedies saved my life."—MRS. J. C. BENEDICT, Tucker, Utah.

WOODRUFF.

OLD FOLKS PARTY.

Given by Bishop Peter McKinnon—Heaviest Storm of Years.

Special Correspondence.

Woodruff, Rich Co., Nov. 13.—A very pleasant party assembled at the residence of Bishop Peter McKinnon on the 12th of the present month. All of the old folks were invited and supper was served at 6 o'clock in the evening. After refreshment the time was agreeably spent in listening to several selections by the Walton orchestra. Games and story telling were also in order.

The Bishop and his good wife were in charge of the day, preparing a special party for those who have passed the half century mark, a most worthy example.

The serious question of the day is, how winter clothing may be made, busy shoeing snow from their grain stacks, the threshing being unfinished. The present storm is the heaviest for several years.

There has been no stock buyers through this section and prices are ruling low.

A Policeman's Testimony.

J. N. Patterson, night policeman of Nashville, la., writes: "Last winter I had a bad cold on my lungs and tried at least a half dozen advertised cough medicines without getting any benefit. A friend recommended Foley's Honey and Tar and I bought a bottle. I took it and in a few days I felt the greatest cough and lung medicine in the world." Sold by Johnson-Pratt Drug Co.

Itchiness of the skin, horrible plague. Most everybody afflicted in one way or another. Only one safe, never failing cure. Doan's Ointment. At any drug store 50 cents.

PAYSON.

DEATH'S HARVEST.

Two Sudden Attacks of Heart Failure—Demise of John Montague.

Special Correspondence.

Payson, Utah Co., Nov. 14.—Four deaths occurred here last evening and today. The first was that of John Montague, a resident of Payson, died suddenly of heart failure about 8 o'clock last evening. He was attending to his usual duties and on coming to his house fell on the porch and died in 15 minutes. He was about 70 years of age, and a well respected citizen. He leaves a large family to mourn his sudden death.

A young lady, cousin of Mr. J. S. McBeth of this place, passed away also last evening. She was on her way with her father, to California, from their home in Ohio. Her object was to better the young lady's health, but on reaching Payson about six weeks ago she was compelled to rest and gradually grew worse until she succumbed to the ailment. The body will be embalmed and taken to their home in Ohio. Deceased was about 25 years of age.

An old lady living with the family of Peter Woodward also died this afternoon of old age and general debility.

We have also to record the death of a 14-year-old daughter of Mrs. Hannah Fairbanks this afternoon of heart failure. Her death was unexpected, and is a sad blow to her parents.

SMITHFIELD.

WM. H. CANTWELL DEAD.

Came to Utah in Early Days—Fine Downpour of Rain.

Special Correspondence.

Smithfield, Cache Co., Nov. 13.—The funeral services of William H. Cantwell were held at the tabernacle today. Bishop N. Woodruff, Samuel Nelson and E. R. Miles, Sr., were the speakers. The deceased was born in Liverpool, England, April 21, 1848. He was the son of James S. Cantwell and Elizabeth C. Hamer. He emigrated to this country with his parents and family in 1850. He remained in St. Louis for two years, and reached Salt Lake City Dec. 17, 1856, after crossing the plains in a handcarriage company. Deceased came to Smithfield in the summer of 1860, and made it his home almost ever since. He died on the 11th inst. He leaves a wife and three daughters. Three of his

daughters and one of his brothers still survive him. He was a brother of the late Dr. Cantwell of Salt Lake City. He was of a jovial disposition, always having a good word for everyone. Several inches of snow has fallen here the last few days, but for several hours it has been raining, so that now the ground is quite well soaked with water. There are several acres of beet in the ground. Mr. Washington Merrill has about 60 tons still in the ground. Many other persons have smaller amounts.

Anxious Moments.

Some of the anxious hours of a mother's life are those when the little ones of the household have the croup. There is no other medicine so effective in this terrible malady as Foley's Honey and Tar. It is a household favorite for this and long throat troubles, as it contains no opiates or other poisons it can be safely given. Sold by Johnson-Pratt Drug Co.

The little folks love Dr. Wood's Norway Pine Syrup. Pleasant to take; perfectly harmless. Positive cure for coughs, catarrh, asthma; never fails.

SPANISH FORK.

CHANGE IN BISHOPRIC.

George H. Hales Succeeds Bishop Marinus Larsen—Ramsey Concert.

Special Correspondence.

Spanish Fork, Utah County, Nov. 14.—Last night Spanish Fork had the pleasure of hearing Miss Emma Ramsey, an artist of note in her own right, away that otherwise would have attended. There was, however, a good and appreciative audience.

Her selections were rendered with artistic skill. There is no doubt that, with her natural ability and the careful training she is taking in the cultivation of her voice, she will become an artist of note in her own right. Spanish Fork wishes her abundant success in her contemplated tour.

Last Sunday a change was made in the Bishopric of the Third ward in this place. Bishop Marinus Larsen was released after about eight years of faithful service, and Geo. H. Hales appointed his successor.

There is no couch medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never fails to cure. Sold by Johnson-Pratt Drug Co.

HARRISVILLE.

HAPPY WEDDING BELLS.

Ward Conference—School Flourishing—Stock Improvements—Fine Crops.

Special Correspondence.

Harrisville, Weber County, Nov. 15.—Last Sabbath our annual ward conference was held and a good feeling pervaded the assembly. A great improvement was noticeable in all the records of the ward. All of our auxiliary associations are in good condition and the ward is progressing rapidly. The advantages of the free book system are commencing to be appreciated.

The wedding bells rang this week wishing happiness to two of our young people. Miss Mary Ann Agren and Miss Mattie Shurtleff were united in the Salt Lake Temple and Andrew Roy Brown and Miss Geneva Miller were married here by Elder Levi J. Miller.

Mr. Orson S. Taylor has been instrumental in disposing of a highly prized Belgian horse, valued at \$3,000 to a company of 17 shareholders, residents here and in the near vicinity. The horse is a beauty, the only one of its kind in northern Utah.

Our people are very much interested in the improvement of the district. As the prizes taken at the county fair by O. S. Taylor proved.

This season's hay crop was not equal to last year's. The fruit crop was excellent, and the best harvest is better than was expected.

Jeddie Taylor, the 16-year-old son of Harvey J. Taylor, is in a very critical condition, and it is feared that he cannot be brought home and very much respected.

A household necessity. Dr. Thomas' Electric Oil. Heals burns, cuts, wounds of any sort; cures sore throat, croup, catarrh, asthma; never fails.

HUNTINGTON.

COUNTY MASSMEETING.

Appoints Committee to Protect Right of Citizens in Forest Reserve.

Special Correspondence.

Huntington, Emery Co., Nov. 13.—As the summer range for nearly all the towns in Emery county is now enclosed within the forest reserve, and as every person, whether they own or 500 head of stock that they wish to run on their accustomed range, must get a permit, the people of Emery county are just waking up to the necessity of immediate action, as requests for permits must all be in before the first of January, 1904.

The people of Huntington have had several meetings, and the county commissioners by request called a convention of all the citizens of the county interested in this matter to meet at Castle Dale on the 12th inst. Yesterday the convention met, and a good representation from all the towns was present. The allotment of stock for the reserve in this county is as follows: Horses, and 100,000 head of sheep. The sheepmen are trying to get this order modified so that three or four times that number of sheep can run on the reserve. Sheep owners and their agents have all been placed upon the market. This is the new plan for the forest reserve, that acts by destroying the germ of microbe that is the underlying cause of all their destruction. Hephelade is a new preparation made to a very potent formula on an entirely new principle. Any one who has tried it will testify as to its worth. Try it yourself and be convinced. It is the best remedy for the forest reserve. It is the best remedy for the forest reserve. It is the best remedy for the forest reserve.

The new plan for the forest reserve is to be conducted through a Bureau for the purpose of developing power to pump and lighting machinery. After having been diverted to the water will be returned to the natural channel of Jordan River at a point about forty (40) feet below the said place of diversion.

All protests against the granting of said application, stating the reasons therefor, must be made in writing and filed in this office after thirty (30) days and before sixty (60) days from the date hereof.

PLEASANT GROVE.

M. I. A. STAKE CONFERENCE.

Interesting Addresses by B. H. Roberts and Mrs. Goddard.

Special Correspondence.

Pleasant Grove, Utah Co., Nov. 16.—The annual Mutual Improvement Conference of this stake was held in Pleasant Grove yesterday. In the morning separate officers' meetings were held by the young men and young ladies.

These were present at the Young Men's officers' meeting 25 ward officers and five stake officers. All of the 14 wards were represented and reports from them showed that the work of the young men was progressing very favorably. The young men met in the stake hall. There were 30 ward and six stake officers present. Most of the 15 associations were present, and reports from the different wards showed that the most of them were in excellent condition. Best methods for their future welfare were discussed and acted upon. Elder B. H. Roberts and Sister Goddard of the general boards were present.

General meetings were held in the afternoon and evening. Sister G. N. Child of the Y. M. M. I. A. reported that the attendance this year was better than ever before. That they had good officers in all the associations, and that the class work was exceptionally good as they had been fortunate in obtaining the brightest young men of the ward.

Sister Lydia B. Lund reported the Y. M. M. I. A. to be in very good condition; the attendance is excellent and the young ladies are taking hold of the work better than ever before.

Elder Roberts occupied the rest of the time of the meeting, and dwelt upon the government of the conjoint meetings, urged the young men to be true to the stake and all their rights and some privileges, and always show a spirit of gallantry toward them.

He reviewed the Manuals that have been studied by the Young Men's associations since the Y. M. M. I. A. work was reorganized seven years ago and dwelt at length upon the present Manual, that is being studied by the young men, that of the Book of Mormon as covered by the "New Witness for God."

At the evening session most of the time was occupied by Sister Goddard, who gave some very good advice to the young people.

Musical selections were furnished by the Pleasant Grove choir and by talent from the other wards, and the conference was very successful.
