

STREET CAR AND TRAIN COLLIDE.

Collision Results in the Death of
Five Persons and the Injuring
Of Twenty More.

ALL THIS WAS IN CHICAGO.

In Philadelphia a Party of Merry
Makers Run Down by Train, Five
Being Killed.

Chicago, Sept. 30.—Five persons were killed and a score of others were injured in a collision between the Wisconsin Central limited passenger train, which leaves here at 6 o'clock, and a forty-third avenue street car at Fifty-second avenue tonight. The street car was crowded with passengers returning from the Harlem race track, and every man in the car was injured. The motorman had received the signal to cross and had just reached the center of the track when the passenger train crashed into his car. None of the passengers had time to escape.

DEAD.
F. Roberts,
William Griffith, Kansas City, helper at Hawthorne track.
Joseph Butler, colored.
J. Williams, jockey, who rode second horse in last race at Harlem today.
James Gallagher, Elmira, N. Y.

INJURED.
Frank Gray, Lexington, Ky., badly cut and bruised.
Louis Struby, leg broken and badly injured.
J. M. Corrigan, arms and legs cut.
J. Markely, badly cut and bruised.
Charles Cross, severe scalp wounds.
John Kilroy, motorman, bruised and cut.

Dennis Enright, conductor of demolished car, ankle broken.
John Luney, badly bruised and cut.
All of the injured with the exception of Kilroy and Enright are employed at the local race tracks.
The blame for the accident is laid by Motorman Kilroy upon the wet rails of the track. He says the danger in time to avoid it, and applied the brakes, but the car slid along the track with locked wheels. The passenger train, which was running at a high rate of speed, struck the street car near the center, cutting it squarely in two. It was reduced to splinters and in an instant the force of the collision was such that several of the injured were hurled high in the air, and two of the killed met their deaths by striking the ground after being thrown upon the wreck.

KILLED AT A GRADE CROSSING.
Philadelphia, Sept. 30.—A merry party composed of about a dozen persons was run down by a passenger train tonight at Sharon Hill, seven miles south of this city, on the Philadelphia, Baltimore & Washington railroad. Killing five and injuring three others.

DEAD.

INJURED.

Thomas Brown, 18 years, serious.
Martha J. Farron, 13 years.
Miss Clara Osgood, 40 years.
The accident occurred in front of the Sharon Hill station while the party was waiting for a train. There had been a family reunion at the Farron home, and several members of the Farron family had accompanied the guests to the station. The Shamokin accommodation, for which the party was waiting, usually passes the station on the fourth track. This was known to some of the party, and when the train was heard coming in the distance, nearly everyone passed over to the third or fourth track. Before anyone could give a warning, the accommodation train came rapidly down the third track and ploughed into the group.

Miss Grant's Narrow Escape.

San Diego, Cal., Sept. 30.—Miss Julia Grant, daughter of U. S. Grant, and Miss Isabel G. Ingie have narrowly escaped serious and possibly fatal injuries in a runaway accident on Eighth street. Miss Grant's spirited horse overturned her light buggy, throwing both young ladies to the ground. They were bruised about their heads and sides and were removed to their homes in a carriage. It is hoped that no serious results will result. Their horse was badly injured, a section of the shaft entering its side to a depth of about five inches.

Bertha Page's Body Found.

Santa Cruz, Cal., Sept. 30.—The body of Bertha Page, a young society woman who disappeared from San Jose three weeks ago, was discovered floating in the bay here today. It was about half a mile from the cliff where her jacket and gloves were recently found, giving rise to the belief that she had jumped into the sea. When brought ashore the remains were so badly decomposed that but for the clothing and jewelry they would have been unrecognizable.

STEEL STOCK HOLDERS.

Trust Makes Proposition to Officers and Employees.

New York, Sept. 30.—The following circular was issued today after a meeting of the finance committee of the United States Steel corporation:
New York, Sept. 30.—To the officers and employees of the United States Steel corporation and of its subsidiary companies, who subscribed for the preferred stock of the corporation, pursuant to the circular of Dec. 31, 1902:
"The finance committee sees no reason to change its opinion as to the intrinsic value of the preferred stock subscribed for pursuant to the said circular letter, but of course it recognizes that the decline in the market selling price naturally may occasion anxiety in the minds of the subscribers under the circular. Accordingly, it deems it

proper now to dispel apprehension of a loss by the following additional offer of guarantee:
"The corporation will, at any time during January or February, 1903, pay to every subscribing officer and employee who shall have retained this stock for the full period of one year, and otherwise complied with the terms of the circular, \$2.50 per share for the stock, less the rebates and benefits he shall have been entitled to under the circular (not including benefits received on account of differences between interest and dividends which he will, in any event, retain); provided, he wishes to sell the stock for that price at that time."

Called on the President.

Washington, Sept. 30.—Among the callers on the president today was James R. Garfield, acting secretary of the department of commerce and labor, who presented Henry F. Green, the recently appointed civil service commissioner.

Asst. Secy. Armstrong of the treasury department had a chat with the president concerning business and political conditions in the west, through which section he has just made an extended trip. He told the president that the wonderful prosperity of the country never was better exemplified than it is just now by the business conditions which prevail in practically every state.

Bryan Speaks in Ohio.

Columbus, Ohio, Sept. 30.—It is announced today that Hon. William J. Bryan will be in Ohio on Oct. 5 to lend assistance to the Democratic cause. He will speak at Napoleon and Oak Harbor during the day and in Sandusky at night. He has promised to give three days to the Ohio committee, but preparations for the European trip reduced this number to one.

Massachusetts Bank Fails.

Greenfield, Mass., Sept. 30.—The Packard National bank, capital stock \$100,000, and liabilities estimated at \$500,000, will not open its doors tomorrow. The comptroller of the currency has notified the bank officials that a national bank examiner will be here tomorrow.

Great Storm in Arizona.

Kingman, Ariz., Sept. 30.—One of the greatest rainstorms in years fell over this part of Arizona today. At the Gold Road mining camp the storm was in the nature of a cloudburst and filled the canyons with a flood of water which carried away everything in its way, causing considerable damage to mining. To the east of Kingman the

storm fell on the mountains, and a vast body of water rushed down against the tracks of the Santa Fe 10 miles east, washing out five miles of track and carrying out two bridges. All trains are held at Kingman and Seligman, while hundreds of men are repairing the break.

WAITING FOR OCT. 8.

In Pekin Attention is Centered on Russia's Evacuation Policy.

Pekin, Sept. 30.—Attention is concentrated here on Oct. 8, the date fixed by Russia for its evacuation of Mukden and New Chwang. Russia's action in fulfilling or ignoring her agreement to evacuate will be the chief factor, it is considered in determining her relations with Japan.
Prince Ching, president of the foreign board, assures the foreign ministers that he is continuing to resist the Russian proposals. Prince Ching told M. Lessar, the Russian minister, that Russia should carry out her agreement first, and then the other concessions she required in Manchuria would be discussed.
The Chinese papers assert that Mr. Lessar is pressing for Russian control of the customs and mining rights in Manchuria, in addition to the proposals embodied in the last Russian evacuation scheme.

Uchida Yasuya, the Japanese minister, is opposing the Russian demands. Sir E. M. Satow, the British minister, and U. S. Minister Conger have limited their representations to friendly advice. Uchida is negotiating for the inclusion of the opening of Mukden, Tatungkiao and Antung in the Japanese commercial treaty.

Irrigating Canal Contract.

Butte, Mont., Sept. 30.—A Miner special from Livingston, Mont., says: At a meeting of the Clyde Park Canal company held in this city today a contract was let for the construction of an irrigating canal to the halt in the Shields River valley. The canal will be more than nine miles in length and will reclaim about 15,000 acres of rich arid land in the vicinity of Clyde park.

Packing Houses Entertain.

Chicago, Sept. 30.—The packing houses were the chief entertainers of Chicago's centennial visitors today, and over 100,000 persons, most of them strangers in the city, visited the "yards" during the day. In addition to the stockyards show, a carnival of amateur swimming and rowing championship races at the Lincoln park lagoon was begun. Owing to the inclement weather the fireworks display scheduled for tonight on the Lake front was postponed until Friday night.

Furnacemen's Wages Are Cut.

Allentown, Pa., Sept. 30.—The Empire Steel and Iron company, which operates six furnaces, and the Thomas Iron company, which also operates six stacks, posted notices today of a 10 per cent cut in wages, to go into effect tomorrow. The reduction affects 999 men.

Must Treat Recruits Better.

Berlin, Sept. 30.—A fresh decree of Emperor William is in preparation forbidding the ill-treatment of recruits. Public feeling on the subject is rising on account of the numerous instances of abuses which have been reported during the last fortnight.

Gift to Western Reserve.

Cleveland, O., Sept. 30.—H. Melville Hanna, brother of Senator M. Hanna, has given \$100,000 to the Western Reserve university, the income of which is to be devoted to the promotion of instruction and research in anatomy.

Hills Bros O-YAMA JAPAN TEA

The first pickings of the young leaf, small and tender, cleanly fired, without color or manipulation, or any surplus handling to injure it.

It is not to be compared with Spider Leg, which has been subjected to the repulsive hand-rolling process, and which is made from second picking, the flavor of which is spoiled in producing style.

The fine flavor of a tea is grown into it, not put in by handling. In this tea it is preserved, not spoiled. Judging tea by cup quality there is no excuse for the existence on a grocer's shelves of any other Japan tea.

CONSTIPATION STARTED YOUR SUFFERING. CURE IT AND YOUR AFFLICTION WILL VANISH.

Mull's Grape Tonic Cures Constipation.

When the bowels move irregularly the entire bodily system must suffer. Constipation more frequently occurs among women and it manifests itself in provoking profuse leucorrhea and other serious female diseases. Regular bowels will result in a complete cure when you use Mull's Grape Tonic. Unlike pills and ordinary cathartics, this remedy is a mild, gentle laxative in addition to being a greater flesh-builder, blood-maker and strength-giver than cod liver oil or any other preparation recommended for that purpose. Mull's Grape Tonic will permanently cure the most obstinate case of constipation, and the numerous afflictions that invariably follow in its wake. No matter if it is piles, liver complaint, kidney disorder, vertigo, palpitation of the heart, diarrhea or the self-poisoning which follows when the undigested food remains in the bowels where it putrefies and empties highly diseased germs into the blood, such as typhoid and malaria, Mull's Grape Tonic will positively cure. Large sample bottle will be sent free to any address on receipt of 10 cents to cover postage, by the Lightning Medicine Co., Rock Island, Ill. Send name of your druggist. All druggists sell Mull's Grape Tonic at 50 cents a bottle.
