LOCAL AND OTHER MATTERS.

THERMOMETER 44° in the shade at one o'clock to-day.

THEATRE.—Those who wish to see some genuine acting of a high degree of excellence, should not fail to visit the Theatre during Mr. Raymond's engagement. He is, to our thinking, by far the best comedian we have seen on the boards here. His is not "low" comedy, however broad it may be. It is exceedingly humorsome and full of by-play. The secret of his success and the hold he has on the audience appears to be in the completeness of his absorption in the character he represents. His acting is no mere stilted reading of the text, but a vivid conception and an earnest, faithful, thorough representation of the characters which he essays. The result is that he fills the stage, secures the rapt attention of the audience, and sets everybody trying to split his own sides with laughter. On Saturday evening, the audience fairly roared, they were so thoroughly and generally excited by the funny scenes so cleverly enacted before them.

This evening Mr. Raymond appears as "Uncle Nathan," in the new and original domestic drama of "Only a Jew," supported by Miss Walters as "Natalie Dawes," Mrs. Bird as "Marm Touter" Mr. Margetts as "Jeems Chunks" (a housebreaker), Mr. Graham as "Crankley" (a sneak thief), Mr. Thorne as "Ellerton Crooks," Mr. Dunne as "Mark Raby."

Again we say that those who wish to see capital acting and enjoy a hearty laugh, should by all means improve the occasion of Mr. Raymond's engagement by spending at least one evening at the Theatre.

TYPOGRAPHICAL BALL.—We have received a complimentary invitation to a social party of the Deseret Typographical Union, No. 115, to be held at the Fourteenth Ward School House, commencing at 7 p. m., on Wednesday, January 1st. We trust the "boys," and the girls likewise, will have a good time together in the dance. The invitation card is a neat and beautiful specimen of the art.

GILES GIFT ENTERPRISE.—The drawing for the above enterprise will commence in the 15th Ward Assembly Rooms at 8 o'clock to-morrow (Tuesday) morning, and continue until all the numbers are drawn.

SENTENCED. — Charles W. Baker, the champion "swearist," was tried in the Probate Court, on Saturday, before Judge Elias Smith, on a charge of robbing a man of a pocket book and about $80 a short time since. The jury rendered a verdict of guilty on Saturday evening and he was sentenced to two years imprisonment.

CALLED.—We had a call this morning from Prof. Monch, who, for several months past, until the holidays, has been conducting an academy in Ogden. He had 180 pupils under his tutelage. He expects to open a new term of his school next week, when he anticipates being able to accommodate 200 pupils. Prof. Monch is an efficient teacher, and has the excellent faculty of managing and influencing children whose education is entrusted to his care without having recourse to harshness.

SMALL-POX.—We learn that there are three new cases of small-pox at Hooper, but the patients are located at the extreme western portion of the settlement, close to the shore of the lake.—*Ogden Junction, Dec. 28.*

FATAL ACCIDENT TO SAMUEL DEAN.—The following, from the Junction City, Kansas, *Union* of Dec. 21st, concerning the death of Mr. Samuel Dean, son-in-law of Mr. Samuel Neslen, 20th Ward, has been handed to us with a request to publish it:

"A very singular and distressing accident occurred, Thursday evening, resulting in the death of Samuel Dean. About half-past nine o'clock his wife informed the neighbors that he had gone, about six o'clock, to judge Humphrey's well for a bucket of water and had not returned, and that several suspicious indications existed about the well, showing that he had probably fallen in. Marshal Cullinan, assisted by others, examined the well by means of a grappling hook. William Clapp volunteered to go down. After an hour's work, and by means of numerous ropes, the body was brought up. After the body was cleaned it was found that the back of his head was badly cut, but the skull was not broken. The well was sixty-five feet deep. Deceased was an old settler, having been connected with the sutler's store at Fort Riley in 1855. From there he went to Utah, living in Salt Lake until two or three years ago, when he returned to Junction city. The funeral will take place to-day."

Mr. Dean was a native of Massachusetts, and was for several years a resident of this Territory.

ARRESTED.—William Brandon was arrested this morning charged with stealing a large quantity of ready made clothing from Mr. Jamieson, tailor and clothier, East Temple Street. The stolen goods were found in his possession, and he was lodged safely in jail. Some other articles belonging to the property of Mr. Jamieson were in Brandon's possession when he was arrested, and which are also supposed to have been stolen. Among the latter are two fencing foils, and two pairs of boxing gloves.

CONCERT AND BALL.—We are informed that a concert and ball will be given in the Second Ward schoolhouse on Tuesday, Dec. 31st, the concert to commence at five o'clock p.m. and the ball at 8 o'clock p.m., the proceeds of both to be appropriated for the benefit of the Sunday school. The school is said to be in good condition. Brother James T. Wilson is the superintendent.

THE LATE SNOWSLIDE.—We are informed that ten bodies have now been dug out of the snowslide. It is thought that there are other bodies that have not yet been exhumed, and may not be till the melting of the snow. It is, however, not positively known that any more are in the slide. Several teams have also been exhumed.

The body of Leroy Dibble, one of the killed, was brought to town on Saturday and was examined by coroner George J. Taylor this morning. This body was found at a depth of ten feet from the surface of the snow. The friends of deceased contemplate forwarding the remains to his relatives in Erie Co., New York, but this, we understand, has not yet been decided upon.

We are informed there was another large snowslide in Cottonwood kanyon yesterday, but it was not attended with any loss of life.

In addition to the above we have just learned from Mr. Joseph E. Taylor, that the body of Mr. Thomas Triplett, another, of the killed, and brother-in-law to Mr. George Chandler, of this city, was brought to town last night and will be buried to-day. Also that Mr. Benham, now in this city, received a telegram last night informing him that the body of Mr. Elliot, lately in the employ of the first named, had been found and was at Granite City. Mr. Benham at once dispatched a coffin in which the remains were to be placed.

NEW BATH HOTEL, Rotterdam,
Dec. 5th, 1872.

Geo. Q. Cannon Esq., Salt Lake City,

Dear Brother,

My time is so completely occupied in attending to the business and traveling arrangements of our party, that it is impossible for me to send you further correspondence, but Brother Lorenzo Snow kindly volunteered to attend to it.

PAUL A. SCHETTLER.

CALLED.—C. W. Penrose, Esq., editor of the Ogden *Junction*, called this evening, as lively as ever. He says little Snow at Ogden and less mud than here.

Fatal Accident.

FILLMORE CITY, Dec. 26, 1872.

Editor Deseret News:

Enclosed you will find the results of a coroner's inquest sent to me by Joseph S. Gyles, J. P. in Holden.

It seems that the brethren of Holden had made a cannon of some description, I cannot tell what it was like, as I never saw it, neither have I heard it described, but I understand it was a temporary home made thing. It seems that they were trying to fire it on the 24th inst., from the evidence of Willis Harmon, corroborated by John Turner and many others who witnessed the fatal accident. They saw Martin Parker take fire and go to touch off the cannon. He tried three times before it went off. When the smoke cleared away, they saw Parker lying on the ground, and thought he was only making fun, until they saw blood, when they ran up and saw his brains were nearly all out of his head. He breathed once or twice and was dead.

It was 4:45 o'clock p. m. when the fatal accident occurred. Bro. Parker was a powerful man and very venturesome. He was about 28 years of age, and leaves a wife and three children. Respectfully,

F. M. LYMAN.

The following is a copy of the verdict rendered by the Coroner's jury:

Territory of Utah,
Holden Precinct
Millard County.

An inquisition holden at Holden, in Holden Precinct, Millard County, on the 24th day of Dec. A. D. 1872, before J. S. Gyles, Justice of the Peace, in and for the county aforesaid, upon the body of Martin Parker, there lying dead, by the jurors whose names are hereunto subscribed. The said jurors, upon their oaths, do say, that deceased came to his death by the bursting of a cannon, fired by deceased. In witness whereof the said jurors have hereunto set their hands the day and year aforesaid.

JOHN D. HUNTER,
ANEIL P. HARMON,
JOHN ELLETT,

J. S. GYLES, Justice of the Peace.

TO-DAY'S DISPATCHES.

EASTERN.

NEW YORK.—The east and north rivers are badly blocked with ice.

The *Herald* says that one of the leading stock operators has locked up one million and a half in greenbacks.

At the solicitation of his friends Froude has altered his determination of sailing on Saturday, and will remain in the country another week.

WASHINGTON, 30.—The death of the king of the Sandwich Islands and the future of that kingdom, in view of the fact that he left no heir to the throne, are subjects of considerable comment and speculation in official and diplomatic circles. Gov. McCook, of Colorado, who was minister resident at Honolulu prior to Gen. Grant's administration, is of the opinion that if the government wants to annex the Islands it can be done now without much difficulty, and if our present minister there shows any sort of management he can have control of matters. The English and French ministers are absent on leave, and there are no foreign vessels of war in the Hawaiian waters except American, and in all the departments of the government of the Kingdom the Americans have the ascendancy.

CHICAGO, 30.—A Washington dispatch says that information of a diplomatic character, just received here from Mexico, is construed by the members of the diplomatic corps, to be indicative of a general revolution in that republic, and the impression is that by or before February 1st., a revolution against the new Government of President Lerado De Tejado will occur.

OSWEGO, — The block occupied by Hamilton & Co. was burned this morning, loss $43,000.

NORWICH, N. Y. — Walter McConkey, President of the bank of Chicago, died yesterday.

CINCINNATI. — Wm. F. Hewsen, a well-known broker of this city, died last night.

ST. LOUIS, 30.—Gilbert C. Collins, a clerk at the Turkey Hill Coal Pit, five miles from Belleview, Ill., while assisting in dumping coal into a screen on Saturday last, fell down a shaft one hundred and twenty feet, and was so badly injured that he died in two hours.

BOSTON, 30.—A Washington correspondent writes that Boutwell has written his resignation, to take effect February 15.

CINCINNATI.—Wm. Williamson and J. H. Sandman, well known business men and members of the Chamber of Commerce, died yesterday, suddenly, of pneumonia.

WEST INDIES.

HAVANA.—The epizootic has broken out among the oxen in two jurisdictions. It is of a magligant type, and death often follows immediately after the first attack.

The Intendente has made public a number of fraudulent entries in the custom house; also the names of officials implicated in the frauds. The exposure has caused much excitement among office holders and merchants.

MEXICAN.

MATAMORAS.—The election for municipal officers at Tampico is reported to have been very disorderly. During the counting of the votes a disturbance arose, and eight were killed and wounded. Great excitement prevailed. Both parties claim the election.

TESTIMONIALS
IN FAVOR OF THE
PRINCE ORGAN!

GREAT EXPOSITION, Kansas City.

The Prince Organ, which took the Premium, met in strong competition the Mason & Hamlin and the Estey Organs, but vanquished them easily. When the Prince is placed beside other instruments its superiority of Volume and Power become so apparent, that even those prejudiced in favor of the others, are obliged to concede the point.—Kansas City *Journal*, Sept. 27th, 1872.

From J. H. Ridges, Esq.
Salt Lake City, Nov. 20th, 1872.

Messrs. Daynes & Son:

I have examined the Prince Organ and cheerfully accord it my approbation as a Good Organ, approved alike for its Durability and Sweetness of Tone.

J. H. RIDGES,

I have examined the Prince Organ, and can recommend it as a first-class instrument.

C. J. THOMAS,

Dec. 2, 1872.

I have inspected the Prince Organ and I can recommend it as an instrument worthy of patronage, both in the variety of stops and the easy construction in taking out the reeds and in keeping dust from the reeds, which is a desirable requisite. JOHN TULLIDGE,
Prof. of Singing and Harmony.

The Prince Organ is the best I have ever played on for variety of effects and sweetness of tone. Jos. J. DAYNES,

NOTICE.

A RUMOR HAS GAINED CREDENCE that Zion's Co-Operative Mercantile Institution discounts the Wholesale Merchandise Orders issued from its Office. Any statement to that effect is totally false and can only benefit those dealers who are willing to speculate on the necessities of our laboring class.

We accept our orders at one hundred cents on the dollar and trust the holders of them will, in justice to themselves, demand their valuation whenever disposing of them.
