He says he has enjoyed good health during his absence and that he feels younger now than when he left. The readers of the "News" have been kept posted from time to time as to the mission in which he has labored. Brother Hintze adds that a good work is being done in those parts of the

Elder H. T. Fernstrom of the Twenty third ward, this city, who was set apart on the 21st of January, 1898, for a mis-sion to the Scandinavian countries, re-turned on the 24th of February, last. He first labored in Sweden, in the Stable conference worth in Vas Stockholm conference, mostly in Ves-teros. On the 14th of May, 1899, he was transferred to Copenhagen, Denmark, where he was engaged in literary work. He speaks encouragingly of the work in Scandinavia. People are willing to listen to the testimony of the Elders, at least in the large cities, while in country districts there is still much prejudice. Two missionaries have been banished from Bornholm, recently, under an old law directed against "for-eign agitators," presumably formulat-ed as a protection against anarchists and nihilists. But otherwise there is no persecution at present. Elder Fern-strom has enjoyed good health, and re-turned in the best of spirits.

Elders Thomas C. Rowberry, of Grantsville, Tooele Co., was set apart for the Eastern States mission on the ard of Nov., 1897. He subsequently left for that field and labored three months in New Jersey and the rest of th

The Greatest Kidney and CURES!

Mrs. Hiram Yeager, of Salt Lake City, writes:

"My little boy lingered along for six years under the doctor's treatment, suffering from gravel in the bladder and stomach trouble. The doctor performed an operation upon him, but it did not produce the desired effect, and my little boy was no nearer recovery than before. DR. DAVID KENNEDY'S FAVORITE REMEDY was, at this critical time recommended and used; the pains in the back ceased, the urine resumed its natural color, the distressed feeling in the head and stomach disappeared, and the use of only a few bottles of DR. DAVID KENNEDY'S FAVORITE REMEDY cured him."

DR. DAVID KENNEDY'S FAVORITE REMEDY speedily corrects and cures not only all Kidney and Bladder Diseases, but also the many disorders of the liver and blood. It is a health-builder and a health-keeper. It makes men and women well and keeps them well. It is the greatest medicine you ever saw for constipation.

The former spoke of the manner in which the Church was given the name and said they were not Mormon," ashamed of it, as it was the name of a prophet of God and they would wear it until it became bright, as did the primitive Saints, who were nick-named Christians. The latter occupied some time in comparing the former-day Saints with the Latter-day Saints. He said the gifts and blesssings that characterized the former also characterize the latter

At the meeting in the evening Elder Dericout bore his testimony to the truth of the Gospel. Elder L. A. Kelsch preached a sermon that will long be remembered by those who were present. He emphasized the fact that the gifts of speaking in tongues, healing the casting out devils, prophecy, revelation, etc., should and are enjoyed by those who truly serve the Lord. That these sifts in connection with Apostles. prophets and other officers were placed in the Church to perfect the Saints and were to remain until we all come to a unity of the faith. And then he briefly explained the conditions that will exist uring the millennium.

The testimonies given at this conference will surely be a witness against those who heard and reject them, as

ey were strong and powerful. Elders J. F. Derricott, James Anderson and T. A. Whitby will return home on March 10th next, having fulfilled missions which are an honor to themselves and to their creator.

All the Elders are again in their dif-ferent fields of labor, although separate in person they are (I am pleased to say) ted in spirit.

We have about 175 Saints in this conference, most of whom are trying to live lives of true Latter-day Saints, more so at present than ever before. Any one having friends or relatives in southern Indiana wishing us to visit them will please send names and ad-dresses to H. W.
