

their ministry and return in good health and spirits. On his arrival here Brother Poulton found a letter from his late field in which were expressions of appreciation of his labors.

Death of E. P. Allred.

Sister Elizabeth Parks Allred, wife of Bishop James Allred, of Spring City, departed this life on the 25th of February, after an illness of twenty-four days, the cause of death being pneumonia.

The funeral services were held on the 27th, at 10 o'clock. Some of the leading citizens of Manti, Ephraim, Chester, Moroni and Mount Pleasant were among the large company present. Words of kindness and sympathy were spoken by Bishops Reid, Irons and Dorious, President Peterson and Counselor Frantzen. The remains were followed to the cemetery by a long cortege. The dedicatory prayer at the grave was offered by President Peterson.

Sister Allred was born in Pike county, Ills., March 29th, 1823 and was baptized into the Church of Jesus Christ of Latter-day Saints, in Salt Lake City, October 19th, 1861. She resided in the Fifteenth ward until 1865, when she removed with her husband to Spring City. Here she officiated as first counselor to Sister Mary Ann Price Hyde in the Relief society of this Stake until her death. She was greatly esteemed by all who knew her.

Snowflake Stake Conference.

The quarterly conference of the Snowflake Stake was held in the Stake house at Snowflake on Sunday and Monday, February 28th and 29th. The weather was very fine and there was a good attendance from the wards near by, but very few from the remote wards attended.

Presidents Jesse N. Smith and Lorenzo H. Hatch, with members of the High Council were on the stand. We were not favored with the presence of any of the general authorities.

The speakers were President Jesse N. Smith and Lorenzo H. Hatch, Bishops C. I. Kempe, Hans Hansen and L. M. Savage, and Brothers Paul Smith, Joseph W. Smith, W. D. Korchner, and E. M. Webb. Many subjects were dwelt upon by the speakers, among which was that of economy, and several others which were of great importance to the Saints. There was a Priesthood meeting in the evening, when some business was transacted.

The arrangements for holding our next conference at Pinetop in connection with the other three Stakes of Arizona was talked over.

The general and local authorities were presented and sustained by vote of the conference. The reports of the Bishops showed that the prospects for the coming season seem good.

Conference was adjourned to meet at Pinetop on the First Sunday in July next.

JOSEPH FISH,
Stake Clerk.

Morgan Stake Conference.

The quarterly conference of Morgan Stake convened on Sunday and Monday, the 14th and 15th inst. The weather was pleasant and the meet-

ings were well attended. The condition of the Stake was reported by Counselor S. Francis, who said that spiritually the Stake was in a better condition than for some time past; but financially it was not so good as might be desired. The tithing was low this year compared with what it had been; but he thought this was owing to the depression in the produce market. However, the Stake was in as good a condition as could be expected under the circumstances, and they had every cause to be thankful for the manifold blessings which they received.

The various quorums were reported by their respective presidents, and the reports showed that the quorums, with one or two exceptions were in good working order, and the members alive to their duties.

Among those who addressed the conference, besides the local brethren, were Elders Allen, of Summit Stake, and Purton and Ellis, of Weber and Davis Stakes. Many important subjects were spoken upon, and much good counsel was given. All who attended felt well repaid for coming together.

On Tuesday, a Sunday school union and jubilee were held, and the attendance was so large that the seating accommodation proved insufficient. A good programme was rendered and an enjoyable time was spent. This made three days of meeting, and from the numbers present and the interest manifested it is evident that the Saints of Morgan Stake are up and doing.

A. FRANCIS,

Clerk of Conference.

Star Valley Conference.

The Young Peoples' Conference was held at the Auburn ward meeting-house, on Saturday afternoon and Sunday, the 21st and 22nd February. President John A. Bagley and Bishop E. N. Austin were present from Bear Lake. The weather was pleasant and the people came from far and near. On the afternoon of the first day the meeting was called to order by President Bagley. After singing by the choir, and prayer by J. H. Burningham, President Bagley spoke of the object of the gathering. Brother H. E. Morgan then read an essay entitled "The Rising Generation." The presidents of the various associations reported satisfactorily. Bishop E. N. Austin dwelt upon the many advantages which the young people now possessed, also explained how the Priesthood was taken from the earth, and how restored in the last days. Brother Bagley addressed the meeting on the law of tithing and quoted from Scripture thereon.

There was an officers' meeting at the close of the afternoon session, at which President Bagley gave good instructions.

On Sunday conference was called to order at 10 a.m. Bishops Cazier, Clark and Holbrook each offered encouraging remarks. Bishop E. N. Austin occupied the remainder of the time, and spoke of the duties of the Latter-day Saints. He also referred to the Word of Wisdom, and encouraged the people to pay their tithing.

At the afternoon meeting the Sacrament was administered. Bishop Dewey and Bishop Jensen having spoken, the remainder of the time was occupied by President J. A. Bagley. He encour-

aged the young among us to live pure and virtuous lives, and also dwelt briefly upon the Word of Wisdom.

Benediction by H. E. Morgan.
