DESCRET EVENING NEWS.

GEORGE OJ CANNON. EDITOR AND PUBLISHER, Thursday, May 13, 1869. call to go there.

SOUTHERN UTAH.

THERE have been some persons who have never been able to perceive what useful object was to be accomplished by forming settlements in that part of the Territory which lies South of the Rimof the Great Basin. While there was unoccupied land, susceptible of cultiva-tion, north of the Rim, they could not are the propriety of endeavoring to open where a grand ball will be held tosee the propriety of endeavoring to open fields, plant orchards and gardens and it did upon the southern portion of our number of failroad men were present in Territory. The settlers, themselves, who feeling. Many went there, not because, mittee at Washington on May 18, the the country was desirable to them, but supposed object of the meeting is in re-lation to the Busteed impeachment inbecause they were called to go. They quiry. looked upon it as a mission, and their loyalty to the cause of God, and the strict habits of obedience in which they any hesitation on their part in respond- Cheyenne, Darling and the Mary Erwin, ing; yet they looked forward with plea- below; six boats were soon enveloped sure to the time, when, the mission in flames. The hulls of the Melnotte

wrought a great change in the feelings the flames, to the Westmorland and of all who have had opportunities of Cheyenne, each of which had 200 barrels judging of its success. There is no of coal oil aboard. Rumors are afloat longer room for doubt upon this subjudging of its success. There is no of coal oil aboard, . Rumors are afloat, ject. The settlement of that part of the Westmortand runs the Orleans trade, he was determined never to receive a Territory, which we are in the habit of and is valued at \$20,000. There were calling "Dixie," is no longer an experi- seventy tons of freight aboard the old ment. It has been demonstrated that Latter-day Saints of the Anglo-Saxon race can live and sustain themselves was an Arkansas River boat, and just there. Many who went there with the repaired; value \$12,000. The Cheyenne able to return north to live, are now months in use; she was loaded with a perfectly contented with their new valuable freight of 3000 tons. The boat places of residence, and have given up was valued at \$30,000; her cargo at \$50,000. The Darling belougs to the all idea of moving back. Some time ago D. O. CALDER was offered be Agency for the sale of the Wheeler & Wilson, Grover & Baker, and other first-class Sewing Machines, but owing to the conflicting testimony of persons who were acquainted with the character of the different Machines, was

unable to decide which was the best 'or family use IN THIS COUNTRY, and therefore did not

accept. When in New York last season, he (in com-pany with H. B. Clawson), visited a firm doing a very large business in SELLING, EXCHANG-ING, RENTING and REPAIRING all sinds of

Sewing Machines, and who had no special in-

Machine. They informed him that the

HOWE MACHINE

Was in every respect the best Sewing Machine

in the market-that, during the many years of

their business career they never had a HOWE

Machine returned to them-that their cas

tomers had exchanged pearly all other Machines for the HOWE-that, it they were compilies to confine their sales to the Machines of but one maker, that one would be HOWE. The evi-
