

has taken place in Provo. A grand ball followed at the Mozart hall, and was as successful and as thoroughly enjoyed by the visitors as the elaborate banquet.

Mr. Brigham L. Young of Kanab is the guest of his sisters, Mesdames Jas. and Wm. Strong.

Mr. and Mrs. J. N. Christensen announce the engagement of their daughter, Ruby, to Mr. H. B. Crandall of Salt Lake City.

Mr. Charles D. Moore gave a very delightful reception on Tuesday last in honor of his sister, Flora.

Mrs. Rena S. Smoot gave a charming reception to a number of her friends on Tuesday last.

The marriage of Miss M. Luella Williams and Mr. John M. McCord took place on Wednesday last.

Messrs. Will Alexander, C. A. Wolf, E. G. Van Law, E. T. Archer, C. C. Price, J. L. Stewart and C. T. Hunt entertained a bevy of Provo's charming young ladies on Monday last, at the power plant in Provo canyon.

The ball given on Thursday evening in the Mozart was a grand success.

CLUB CHAT

The play which was to have been given by the Revue club for the benefit of the Free Kindergarten at the Ladies' Literary clubhouse next Thursday has been postponed until the 16th. The committee having the affair in charge are Mrs. Woodruff, Mrs. High, and Mrs. Loomis, and a number of talented women both in and out of the club will take part. Mr. John D. Spencer has been prevailed upon to assist in the entertainment, and will take the only man's part in the cast. Mr. Curtis will be stage manager.

The Daughters of the American Revolution will celebrate Washington's birthday in a special meeting at the home of Mrs. L. C. Miller on that date.

At the meeting of the Ladies' Literary club yesterday Mrs. S. W. Morrison gave a paper on Walter Pater, and Mrs. F. W. Hayt of Park City, a paper entitled "Vacation Notes."

At the annual meeting of the country club this week the following directors were elected: W. Mont Perry, E. B. Wicks, George P. Holman, George K. Fieber, R. H. Channing and J. A. Pollock. The directors will meet later to elect officers.

The Woman's Republican club met on Monday with Mrs. Melton and an enjoyable program was given, consisting of the reading of an original story by Miss Jean Melton and recitations by Miss Ethel Paul.

The Cushman met this week with Mrs. Sue Ritter Wells, and the topic was "College and Social Settlement Work in East London," by Miss Emmeline Wells. The club will meet next time with Mrs. Sue Ritter Wells, and the topic will be "Modern French Sculpture."

The fund for the building of Memorial Hall in Washington, the continental museum projected by the Daughters of the American Revolution, grows steadily. More than \$700 was added as a result of a fair held at the new Willard, Washington, and about \$400 was realized at a fête held in Chicago in honor of the wedding anniversary of George and Martha Washington. At the latter entertainment the guests brought their offerings in small white envelopes, containing, on an average, \$1 each.

At the annual meeting of the Woman's National Press association, held recently at the Rigas House, Washington, the following officers for the ensuing year were elected: President, Miss Frances Graham French; past president, Mrs. Delva Lockwood; first vice president, Mrs. H. B. Sperry; corresponding secretary, Mrs. Ruth Peal; recording secretary, Mrs. Grace Parker Hopkins; treasurer, Mrs. E. M. Stillman; auditor, Dr. Adeline Portman; librarian, Miss Ellen B. Foster; delegate-at-large, Mrs. Mary S. Lockwood; editor-in-chief, Mrs. Clara B. Colby. A substantial gain in membership was reported.

The Ladies' Library association, of Randolph, can claim to be among the pioneer women's clubs, having celebrated, on January 15, its forty-eighth annual meeting. Five of its charter members still belong to it.

New England clubs, especially those of Boston and its vicinity, are interested in the plan to establish a memorial of Mrs. Alice Freeman Palmer in the institution for the education of women in Madrid. At a meeting of the New England Women's club, of which Mrs. Julia Ward Howe is president, Miss O. M. E. Rowe described the struggles of the school, as she had observed them. The building which had been erected for the institute, she said, was, by the irony of fate, about to be diverted from its intended use as a place for the education of friars, who are to be sent to the Philippines.

Kansas club women, and nearly every woman in Kansas, is said to be eagerly interested in the plan to establish a memorial of Mrs. Alice Freeman Palmer in the institution for the education of women in Madrid. At a meeting of the New England Women's club, of which Mrs. Julia Ward Howe is president, Miss O. M. E. Rowe described the struggles of the school, as she had observed them. The building which had been erected for the institute, she said, was, by the irony of fate, about to be diverted from its intended use as a place for the education of friars, who are to be sent to the Philippines.

The men's clubs of Milwaukee will be asked by the women's organizations to send their assistance to the maintenance of the vacation schools of that city. It has been suggested that they try to give their financial and moral support to the other schools for public betterment which the women's clubs have on hand. "Just let the men know," said a clubwoman, "what real life is like in a vacation school, and they will never give it up." The Children's Merchants' association has established a president for the Milwaukee club, as it last year supported a vacation school.

Every Department Offers Paramount Bargains in Our Great

ALTERATION AND EXPANSION SALE

JUST about 18 months ago we doubled our store capacity and today we find ourselves again hampered for room and in order to meet the demands of our increased trade we are adding an additional floor capacity of over 4,000 square feet, together with other needed improvements throughout, in order to facilitate and dispatch business in accordance with advanced, up-to-date, modern methods.

FOR weeks mechanics have been busy getting our new salesroom under way and at this writing the premises are in the hands of the cabinet makers who are putting on the finishing touches. Moving departments is always a difficult problem in a store such as this and in order to do so with the greatest rapidity, stocks must be reduced to a minimum in order to make the grand change quickly when the signal is given.

AS THE TIME DRAWS NEAR FOR THE SHAKE-UP OF ALL DEPARTMENTS

Stocks Must Be Sacrificed to Facilitate Intended Changes.
