Utah's Exhibit-Hon, William M. Officer Carlson Hurt-While attempting to board a moving Center street car late last night, Police Officer Carlson lost his footing and was dragged a considerable distance and was seriously cut and bruised. He was holding to the rear railing, and feared to let go lest he become tangled in the fender. When finally he was forced to loose his hold, he was hurt so badly as to be almost helpless. Pessersby assisted him into the Godbe-Pitts drug store, where his injuries were attended to and later he was taken home. It is thought that it will be some time before Officer Carlson will be able to report for duty. He is one of the most popular officers on the force, and his many friends sympathize with him in his misfortune.

Electrical Workers Won Ball Game From the Sheet Metal Workers

The afternoon events of Labor day's celebration were successfully carried out, as was the morning parade. The day was clear and beautiful from morning until night, and the entire town turned out, for it was a national holiday; all places of business were closed up, and the resorts were well patronized for it was the last day of the season with them. The great center of attraction was the Salt Palace grounds, where the athletic events

vere pulled off without a hltch. The first event was the 100-yard dash, won by E. W. Lundahl, who received \$5. J. Munson was second and got \$2. In the 50-yard dash Elmer Pratt was winner and John Elton second. For boys under 12 years old a 50-yard race was arranged. Richard Roberts was the first over the tape and Will

Anderson got second money A humorous number was the 100-yard dash for men weighing 299 pounds or more. Charles Fenstermaker won, with H. A. Ryan in close pursuit. In the race for married women Mrs. Oldfield won, with Mrs. Dashaway

Miss Mac Elton won the race for single women, and Miss Ella Hoffer was a close second

Other events and their winners were

as follows: Fifty yards for men of 110 pounds or less-R. Welsh, first; W. Clemens, sec.

Fifty-yard race for girls under 12 cars-Pahn Agotha, first; Esther Gun. derson, second. Fifty-yard race for girls between 12

16 years-Sadie Gates, first, and Ada Davie, second.

The baseball game was won by the Electrical Workers over the Sheet Metal Workers by a score of \$ to 3, winning the \$50 purse. The tug of war between the electric

nemen and the bollermakers was hot contested, and won by the electriials in 24 minutes. Then the victors iron workers. But the latter pulled the electricians off their feet in five minites. The winners also pulled the boll ermakers over the line, and captured the first prize, the second going to the

electrical workers. There was no disorder during the entire day, and everything passed off pleasantly. The Federation of Labor issued a souvenir of the day, in a booklet con-taining the following statement from President J. N. Spalding of the Federa-

The sheriff stated today that Pautch had been recommended for appointment by some of the best citizens of Alta and that he secured the appointment because of his strong endorsements. Pautch telephoned to the sheriff's ofce Friday night and said that a num-

Later he telephoned that he deputized 15 men but they refused to help him. After that nothing more was heard from him on that subject. Whether or not the trouble at the dance had any-thing to do with the report that the depuy was "shooting up" the town is not known at this time.

Displayed Deadly Weapons and Are Gathered in by the Police.

Henry Morgan and wife Nettie of 7 Keysor court, on Third East between Fourth and, Fifth South streets, are under arrest at police headquarters on the charge of exhibiting deadly weapons with intent to do bodily harm.

The trouble which led to their arrest began two or three days ago, when they had a mixup with the Keysor brothers over a fence, which, it is claimed, was torn down by the Keysors Sunday. Yesterday the Morgans proceeded to rebuild the fence and then real fuss began. It is claimed that Morgan and his wife armed themselves with revolvers. Mrs. Morgan held the shooting irons while Morgan started to work on the fence. The Keysors came out to remonstrate and were threaten ed with death if they interefered. The police were notified, and Detective Matt Rhodes responded to the call and placed the Morgans under arrest.
