---- The Maine farmers are think ing of making beet-sugar on an extensive scale.

memorial of the 22,626 women of Utah to Congress, and in a subsequent issue appears an explanatory letter from Elders W. H. Maughan, Edward Hanham, V. L. Halliday J. T. Belliston, and T. A. Wheeler.

-The Volkes family are to leave England for America once more about the middle of March. It is said that Miss Victoria is to shortly marry Mr. Critchett, the son of a celebrated London oculist, and Miss Rosina is to marry Mr. Cecil Clay, son of the celebrated whist-player, James Clay, of the lie buildings ever and anon engage same city.

-The bank robbery at Northampton must have exercised the minds of people greatly, as it is reported that a good Methodist brother, in public prayer recently, thus expressed himself-"O Lord, we thank Thee that heaven is our safe and Christ our chronometer lock."

---- Commenting upon the statement that Robert Henry Hurst, elected for Horsham, England, was Sankey diminished nightly, to arrested for bribery in promising to pay the railway expenses of voters to the polling places, the Omaha Bee says, "If all persons, members of Congress and of state legislatures, were unseated in consequence of similar acts in the United States, we wonder hew many of our present Solons would remain law-makers."

A correspondent of the Sac-amento Record Union gives the move this serious objection, and ramento Record-Union gives the lowing items of news from Boston, all managers of public buildings Mass.-The Arizona colony, projected several months ago, is likely sary. to be formed, and the first part of fifty men may soon start. Births in Boston, 11,033 in 1875, being 704 less than in 1874, partly owing to the present mild winter; 3,998 certi-

ficates of marriages filed in 1875. being 700 less than in 1874, a sure sign of hard times.

## WHO ARE TO BLAME?

WHEN our readers see in the dis-patches or otherwise that this or the other senator or representative introduces a bill in Congress for obnorious special legislation affect-ing Utah, they are apt straightway to presume that the said senator or

erous petitions for the restoration of the Ft. Reading reservation to demonstrative they are in approbation of it. The more completely a bill for Utah subverts the fundamental principles of American government, the better the Utah ring likes it, and the more emphatic are the members of the ring in manifesting their insane delight over such rested Vinalet, the Carlist Minister of War, and interned him at Bayruinous legislation. No bill affecting Utah has ever been introduced in Congress that has been too proscript-

## WESTERN.

News from Japan and China.

Edmunds enquired if any of these 4 per cent. bonds had been issued. After some debate the Senate passed, without amendment, the bill reported by the finance com-mittee on Wednesday, to amend the acts of July 14, 1870, and Jan-oary 20, 1871, to amborize the re-funding of the institute debt. The vote on the passage of the bills was yeas 51, nays 5. Those voting "no" were Cockrell, Eaton, McCreery, McDonald and Rebertson. The impending between the aborigines and imperialists in Formoss, con-siderable activity is said to prevail at Mamoi and at the arsenal at Foochow, and the troops at the south camp are being drilled incessantly.

McDonald and Rebertson. The bill, as passed, amends the acts named to provide that the amount of bonds bearing if per cent. inter-est, authorized to be issued, be in-creased to five hundred million dol-lars, and that they be payable at the pleasure of the U. S. after thirty years. It also provides that the act shall not be construed to authorize any increase of the total amount of the bonds provided for by the acts named, nor to authorize any in-crease of the bonded debt of the U. S. The Portuguese plenipotentiary in China has been instructed to proceed to Peking, to ratify the old ireaty and to remonstrate against the continuance of the blockade of Macao by Chinese customs commis-sioners; he will be backed up in his demands by a strong force if neces-
