A GOOD PLAN

Anybody can learn to make money rapidly, operating in stocks, by the "Two Unerring Rules for Success," in Messrs. Lawrence & Co.'s new circular. The combination method, which this firm has made so successful, enables people with large or small means to reap all the benefits of largest capital and best skill. Thousands of orders, in various sums, are pooled into one vast amount and co-operated as a mighty whole, thus securing to each shareholder all the advantages of the largest operator. Immense profits are divided monthly. Any amount, from \$5 to \$5,000, or more, can be used successfully. N. Y. Baptist Weekly, Sept. 28th, 1878, says: "By the combination system, \$15 would make \$75, or 5 per cent; \$50 pays \$250, or 7 per cent; \$100 makes \$1,000, or 10 per cent, on the stock, during the month, according to the market." Frank Leslie's Illustrated Newspaper June 29th: "The combination method of operating in stocks is the most successful ever adopted." New York Independent, Sept. 12th: "The combination system is founded upon correct business principles, and no person need be without an income while it is kept working by Messrs. Lawrence & Co." Brooklyn Journal, April 25th: "Our editor made a net profit of \$101.25 from \$2 in one of Messrs. Lawrence & Co.'s combinations." New circular (mailed free) explains everything. Stocks and bonds wanted. Government bonds supplied. Lawrence & Co., Bankers, 57 Exchange Place, N. Y.

Important to Wool Growers!

I take pleasure in announcing that I am making a pure "TOBACCO SHEEP DIP" from the best Kentucky Leaf, which makes an article of uniform strength and purity, without the addition of poisonous substances, and should be diluted 100 parts to one (although safe to use at any degree of strength) for dipping sheep.

This dip is convenient for use, as it only requires water to dilute it. As tobacco is so well known to wool growers who have used the same, I can only add that I have it in this convenient form for them—put up in one and five gallon tin packages, sealed tightly.

Order either of my Sheep Dips, viz.:

Concentrated Extract of Tobacco.
Also, Non-Poisonous Sheep Dip.
