NEW TABERNACLE FOR WEBER STAKE

Latter-day Saints in Stake Conference Decide on Important Step

ITS PROBABLE COST \$150,000

Will be a Handsome Edifice and Large Enough to Accommodate the Largest Gatherings.

Ogden, Utah, Oct. 23.—The Weber stake of Zion is to have an elegant new tabernacle in the very near future. This was fully decided upon at a meeting of the presiding priesthood of the stake held Saturday afternoon, and by the unanimous vote of the Latter-day Saints of the stake in conference which assembled yesterday afternoon at the Ogden tabernacle. The will be the building of great joy to the entire inhabitants of Ogden City and Weber county, as for years past the Ogden tabernacle has been entirely inadequate to accommodate the large gatherings of Saints and friends at conferences on the occasion of special meetings.

The key note to the building of the new tabernacle was struck a week last Sunday by President Joseph F. Smith, when he lectured at the tabernacle and hundreds were turned away, being unable to get inside the building. It was then he made the expression that he hoped it would not be far in the future when he would see a new tabernacle built in Ogden large enough to accommodate all who desired to attend the presidency of the stake, the High Council and Bishops of all the wards in the stake were made a committee to look after the arranging for the building of the new tabernacle, and they will select sub-committees to visit and raise the necessary funds for the edifice.

What amount will be necessary to accomplish this purpose is not yet decided upon, but it is estimated that at least \$100,000 to \$150,000 will be required to erect a suitable tabernacle in Ogden.

The church owns the tabernacle stands which was laid a number of years ago, for the building of a tabernacle, but was abandoned because it was not large enough to accommodate the Latter-day Saints and their friends. A new stake house has been a long time in the making, but President Smith has decided not to place any burden on the Saints, which they felt they could not stand, but now for several years past the Lord has blessed the people in their farming and business operations so that they are in a position now to construct the tabernacle without hardship and it is believed the money can be raised so that the building can be commenced as soon as spring opens up.

QUARTERLY CONFERENCE

Of Weber Stake—Excellent Reports of Conditions of Various Organizations.

Ogden, Oct. 23.—The quarterly conference of the Weber Stake of Zion was held in the Ogden tabernacle yesterday. Pres. L. W. Shurtliff presiding. The attendance at all the meetings was unusually large. The morning session was commenced at 10 o'clock, by the choir singing, "Praise to the Son of the Most High." Prayer was offered by Patriarch David McKay. The choir sang "Softly and Lowly the Sacred Word."

President L. W. Shurtliff reported the progressive condition of the stake, the organization of the stake, now in progress and the diligence with which the presiding officers of the stake support the presidency in its labors in this large stake.

Elders H. W. Manning, Robt. A. Middleton, John Bowman made brief addresses and bore testimony to the truths of the Gospel.

The Holy City, was beautifully sung by Earl Johnson.

Elder John Henry Smith, of the Apostles quorum, addressed the meeting. The promise of the Holy Spirit and the gifts following, he said, were given to all who would obey the laws of God, the gifts are bestowed upon the Saints according to their faith. The speaker had heard the speaking in tongues and the interpretation thereof. He had seen the sick healed through the healing ordinances, and had heard the bearing of testimonies to the truthfulness of the Gospel in many languages, all of which the fulfillment of God's promises that his spirit should be poured out on all nations. These blessings have been made manifest since the angel, spoken of by John the Revelator, had shown through the heaven bringing the everlasting Gospel, and the Father Himself had presented the Redeemer of mankind to the boy Joseph Smith, who had been chosen, to usher in the great latter-day work.

The choir and congregation sang the

Doxology, and benediction was pronounced by Elder Joseph Hall.

The afternoon session was commenced at 2 o'clock by the choir singing, "Earth with her ten thousand flowers." Prayer was offered by Elder Nathan A. Tanner. The choir sang "Author of Faith."

The authorities of the Church, both general and local, were unanimously sustained.

President Shurtliff announced the action taken at the Priesthood meeting with reference to the building of a new stake tabernacle, and desired to know whether the conference would sustain the action taken. The resolution as adopted was read by the stake clerk, and on being placed before the Saints was unanimously sustained.

Sister A. R. C. Smith sang sweetly, "O Love Divine."

Presidents C. E. Middleton and N. C. Flynture made short addresses.

A beautiful solo, entitled "Hosannah" was sung by Sister Mary Farley.

Elder George A. Smith addressed the Saints. He thanked the choir for its sweet music, but more especially for the example of man and womanhood the chorists gave on their trip to Portland, having preached the Gospel by their example, as well as charmed the people with their music.

He spoke against profanity and against the use of the name of Deity too frequently even in our devotions. "Mormonism" has taught us to pray, he said, with thanksgiving and honor our parents, to value the lives of our fellow beings, and to be pure and virtuous, to refrain from bearing false witness against our brethren and sisters.

The Saints were advised to use the talents God had given for the accomplishment of all the good that lies in our power. We should seek to comfort the distressed, and be a blessing to those with whom we come in contact. He said, and all should be active in the accomplishment of the purposes of our heavenly Father.

Elder John Henry Smith was pleased with the spirit of the conference and advised all present to meet all the responsibilities of life and prove equal to the task imposed on them by the Redeemer of the world.

The choir sang "Oh, ye mountains high," and Elder Joseph Stanford offered the closing prayer.

The Young Men's and Young Ladies' Mutual Improvement association conference was held in the evening.

HORSES DYING

Distemper in Bad Form Among a Band of Horses—Fear of Its Spread.

Ogden, Oct. 23.—An epidemic of distemper among Weber county horses is feared, and to prevent its spread are urging that 100 head of horses belonging to C. M. Clay, and pastured near the Hot Springs, be killed at once. Complaints that horses in the pasture were dying rapidly from disease caused Sheriff Bailey to visit the pasture this morning, and he found nine horses lying dead out of a herd of 100, and 40 more afflicted with distemper. Some were so nearly dead that the owners were picking their flesh, and they had not the strength to resist. Sheriff Bailey killed one horse in this condition, and returned to the city, where he reported the matter to the humane officer and Dr. Condon, county physician. Tomorrow the three officials will visit the pasture and determine what is to be done with the animals.

N. G. U. VOLUNTEER IN HARD LUCK.

Loses Job and Expelled from Carpenters' Union Because He Would Not Leave Guard.

FINED FOR NEGLECTING DRILL.

Joseph P. Hurley Tells Story of His Efforts to Serve His Country.

Ogden, Oct. 23.—A case of severe punishment inflicted by a labor union organization upon a man who enlisted in the National Guard of Utah, in order to force him out of the guard, and also of punishment inflicted by the guard to compel him to attend his drills and duties, came to light here today in the arrest of Joseph P. Hurley of Company B, N. G. U.

It appears from Hurley's story that he is a carpenter, and was working on the Southern Pacific railroad when he enlisted. His union got after him at once, and said it would cost him his job if he continued to belong to the guard, and that he had to get out of it at once. The man made an effort and asked for a discharge, but it was not granted. Meanwhile the union brothers made life so hard for him that he dare not attend drills, and consequently the guard began to get after him. Before a summary court held on Oct. 17, at which Maj. Williams of Salt Lake was trial officer, he was fined \$10, for absence from drills, and turned over the money to secure his release. The notice of the trial brought the fact of his membership before the union and he lost his job. In Lent he has, so he states, a mother and sister depending on him for support, and he feels that his effort to serve his country has turned out pretty badly for him.

A TRAINED NURSE

After Years of Experience, Advises Women in Regard to Their Health.

Mrs. Martha Pohlman of 55 Chester Avenue, Newark, N. J., who is a graduate Nurse from the Blockley Training School, at Philadelphia, and for six years Chief Clinician Nurse at the Philadelphia Hospital, writes the letter printed below. She has the advantage of personal experience, besides her professional education, and what she has to say may be absolutely relied upon.

Many other women are afflicted as she was. They can regain health in the same way. It is prudent to heed such advice from such a source.

Mrs. Pohlman writes: "I am firmly persuaded, after years of experience with Lydia E. Pinkham's Vegetable Compound, that it is the safest and best medicine for any suffering woman to use."

"Immediately after my marriage I had an acid discharge and pains down through my limbs so I could hardly walk. It was no bad case of female trouble as I have ever known. Lydia E. Pinkham's Vegetable Compound, however, cured me within four months. Since that time I have had occasion to recommend it to a number of patients suffering from all forms of female difficulties, and I find that while it is considered unprofessional to recommend a patent medicine, I can honestly recommend Lydia E. Pinkham's Vegetable Compound, for I have found that it cures female troubles where all other medicine fails. It is a grand medicine for sick women."

Money cannot buy such testimony as this—merit alone can produce such results, and the ablest specialists now agree that Lydia E. Pinkham's Vegetable Compound is the most universally successful remedy for all female diseases known to medicine.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues and hopelessness, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other female medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles.

The needless suffering of women from diseases peculiar to their sex is terrible to see. The money which they pay to doctors who do not help them is an enormous waste. The pain is cured and the money is saved by Lydia E. Pinkham's Vegetable Compound. Experience has proved this.

It is well for women who are ill to write Mrs. Pinkham, at Lynn, Mass. In her great experience, which covers many years, she has probably had to deal with dozens of cases just like yours. Her advice is free and confidential.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.
