LOCAL AND OTHER MATTERS.

Correspondents writing for publication are requested to write on one side of the paper only. No notice can be taken of anonymous communications. Correspondents' names must in all instances accompany their communications, not necessarily for publication, but as a guarantee of reliability.

THEATRICAL.—Last night there was a very good house, Miss Alexander taking her benefit and making her last appearance. The first piece was "The Pride of the Market," which was well rendered. It was followed by the reading of "Widow Bedott," by Miss Louise, very creditably done. One of our young songs by Mr. Hardie, well sung and loudly applauded, and the drum solo by Miss Louise and Miss Susie, which was gracefully and capably danced. The "Unprotected Female" was the afterpiece, a very good farce but very poorly played, with a great many alterations from the original which did not improve it. After the first piece Miss Alexander was the object of a handsome present, Mr. Margetts being the medium selected to convey it to her. To-morrow evening Mrs. Romney will make her first appearance after an absence of four years and eight months from the stage. She will appear as Nelly O'Neill in "Green Bushes," and Distaffina in "Bom-basties Farioso." This lady was so popular and her abilities so well known, when she was on the boards before, that eulogy is unnecessary. Mr. Dunbar will also appear to-morrow evening, as Wild Murtuch. He is a strong attraction. The pieces selected are excellent, and embrace the full strength of the company.

SPRINGVILLE.—Bro. Charles D. Evans, writing from Springville, on the 14th, says: "Although quite a large number of the men, who form the bone and sinew of Springville, are absent casting up the national highway, the few who remain are actively engaged in building up Zion at home. A few weeks ago the bishop called on each person possessing a team to haul a load of timber from the canon to be used in putting a fence around the Tabernacle and Public Square, the latter being surrounded with mulberry trees which were planted last Spring for the two-fold purpose of being useful and ornamental. The hard finish is completed on the front and north side of the Tabernacle, and the remainder of the outside work is being prosecuted with the utmost vigor; at the same time Bro. Chase is taking care to have the inside labor, which is limited to the seats only, keep pace with the structure. The whole building, it is expected, will be completed early next month. As an embellishment to the Tabernacle, a donation is in progress to purchase chandeliers and an organ. Our chorister, Bro. F. Weight, has sent east, through Bro. Calder, for one, which will be here by the 5th of next month. The labors of the Female Relief Society are invaluable in searching out and relieving the wants of the distressed. Sister Cynthia Clyde, the Presidentess, is highly esteemed by all its members. The Society has recently made an appropriation in favor of procuring glass for the Tabernacle. On last Sabbath Bro. Elmer Taylor, Bro. S. Wood and Richard Thorne, missionaries to "our Dixie," made very appropriate little speeches at our meeting. The Bishop followed in a short address, after which a vote was taken to sustain the authorities of the Church, and to deal with those only who are the friends of God.

CO-OPERATION.—The shareholders in the contemplated Co-operative Store met in the City Hall this morning and effected the following organization by unanimous vote: President B. Young, President; Hon. W. H. Hooper, vice-President; also a Board of Directors consisting of the following named gentlemen: President Young, Hons. W. H. Hooper, & Geo. A. Smith, Geo. C. Cannon, H. S. Eldredge, H. W. Lawrence, and W. Jennings, Esqs., W. Clayton, Esq., was elected Secretary, and David O. Calder, Esq., Treasurer. F. D. Richards, A. Miner, H. W. Naisbett, and Joseph Woodmansee, Esqs., were appointed to draft a Constitution and bye-laws for the association. Bro. W. Clayton will receive the names and subscriptions of any and all persons who have not yet joined the association and who may wish to become shareholders, under the regulations prescribed for the organization of the company. All lists of the members given in at the various Ward meetings, should also be handed in to him at the earliest possible date. His office is in Eldredge and Clawson's Store, East Temple Street.

IT IS DESIRABLE that subscriptions of members be paid in by the first of November, but at the latest by the first of January, 1899.

CEDAR CITY ITEMS.—Bishop Henry Hunt, before starting south, gave us the following items concerning Cedar, Iron Co. They have had excellent crops there this season, the best they have ever had. They were liberal in helping to gather the poor this season, and were blessed with a liberal ingathering of produce, the only exception being hay, the east meadow having been flooded by the high water in Coal Creek. This is the first year that they have raised any fruit in Cedar, and they had some fine specimens. The Bishop had as fine apples in his own garden as any he saw in this city. They also gathered some excellent peaches. I was once thought that fruit could not grow there, but this season has fully dispelled all such ideas. If any of them lingeringly remained, they are about taking in some more land, the water having increased, which offers favorable opportunities for those desirous of settling in that region to procure farms. Their Sunday School is progressing, and is lively; and their Female Relief Society, under the presidency of Sister Whitaker, is doing a good work. A co-oper is much needed in Cedar. Bishop Hunt will not go direct to Iron county, as he will accompany President Erasmus Snow in a preaching trip through some of the settlements in Sanpete county.

PROGRESS.—The bridge over Green River was completed one day ago and it was expected that in a few days the track would be laid out at that place. The force of track layers, as it were, doubled, and six miles of track were to be their regular day's work. Before reaching Bridger it is believed that twelve or fourteen miles of track per day will be laid. While the stringers of the Green River bridge were being secured at one end, a passenger train was running over the other. Through passengers will probably run to Bryan in a day or two now.

WORTH KNOWING.—A correspondent of the Maine Farmer says: "Many a housewife may be glad to know, when she has a piece of fresh meat she wishes to keep a few days, that it can be successfully done by placing it in a dish and covering it with milk. Sour milk or buttermilk will do as well. I have practiced the plan for years."

Died:

In this city, this morning, 14th inst., of diarrhoea, Catherine Truscott, wife of William Boaz, aged 78 years, 1 month and 18 days. She was born in London, July 23, 1840, and immigrated to this place in 1860. She was a good and faithful Saint, and beloved by all who knew her.

The funeral services will be held in the 13th Ward Assembly Room at 2:30 to-morrow afternoon. Friends and acquaintances are invited to attend.
