## LOCAL AND OTHER MATTERS.

**FLOURISHING.**—It has been rumored that the Co-operative store of the 5th and 6th wards was about to collapse. We were informed this morning by Brother G. D. Keaton, clerk of the institution, that so far from the business of the store never was in a better condition. The people of the ward are united in patronizing it; and after being established but one year, it has just been declared, which for those extremely dull times is a pretty good showing.

**POLICE.**—James Marsh and Alfred McLeod, the former arrested for drunkenness, the latter for being drunk and disturbing the peace, were brought before Alderman Clinton this morning and each mulcted \$10.

**DEER.**—By letter from Bro. E. Elmer of Overton, we learn that all is well on the Muddy. Harvesting has commenced, and the wheat crop is much better than it was anticipated it would be.

**EXCURSION PARTY.**—A special excursion train, of seven cars, left this morning for Ogden, packed full of cheerful looking pleasure seekers, of all ages, from the tottering old man to the playful little child; and all seemed bent on a day's enjoyment. The party—numbering nearly six hundred—was mainly composed of the folks of the 13th Ward, and was gotten up under the direction of Bishop E. D. Woolley. Mr. Jennings' Hall, at Ogden, is engaged by the party for the day, and after arriving there they will spend their time in dancing and other amusements. One thing connected with the party is deserving of mention, that is, the poor people of the Ward were all there, to participate in the day's enjoyment, gratis.

**NICE STYLE OF HAT.**—We notice a pretty style of hat worn by a number of our young lady acquaintances, which we think more becoming than any we have seen lately. We refer to the broad brimmed straw-braid hat. There is a striking contrast between it and the very small hat, scarcely as large as one's hand,—lately worn; and in our opinion, the ladies evince taste in adopting this new style. We think ladies ought to dress with a view to comfort and convenience as well as to elegance and grace. Now this hat possesses all these qualities, and withal can be made at home.

**THAT NUISANCE NOT ABATED.**—The stench, arising from the decomposing and almost innumerable corpses of the "hoppers," who have "suicided" by dashing their heads against the rocks in the wall running east from the Eagle Gate, on South Temple St., still annoys every pedestrian strolling in that direction. It is existed in many parts of the city there is not the least doubt that it would breed some epidemic disease of a dangerous character. If the gentlemanly health officer of the city would only take a five minutes' stroll in that direction we believe that the nuisance would be immediately abated. By the application of a plentiful supply of straw fire, carbolic acid, or some other equally powerful exterminator and disinfectant.

**SAILED.**—Through the courtesy of President Young, last evening, we read a telegram to him from Elder W. C. Staines, by which we learn that Presidents Joseph Young, Sen., and H. S. Eldredge, with the rest of the missionaries for Europe who accompanied them, sailed yesterday for Liverpool, on the steamer *Idaho*; all well.

**SPANISH FEVER.**—Brother James Miller, of Spanish Fork, agent of the Co-operative Institution, informs us that from present prospects the grasshoppers are likely to take the greater portion of the crops there. Notwithstanding this the people feel well, generally. The co-operative institution there is in very successful operation.

**CACHE VALLEY.**—We were informed, this morning, by Bro. George L. Farrell, just in from Cache, that the crops in that locality look fair and promising. But few grasshoppers have, as yet, made their appearance, and have done but little damage.

**THE RAILROAD EAST.**—The Elders who have recently arrived from Virginia—Elders H. W. Boyle, Theodore B. Lewis and H. W. Church—with the Company of Saints, speak highly of their treatment on the most of the lines of railroad on which they traveled. Of the kindness shown them by Col. Moffett, of the Orange, Alexandria and other roads, with whom they made their arrangements for passage from Lynchburg, Va., to Baltimore, Ind., and Mr. Stanswood of the Chicago and Northwestern R. R., and Mr. Kyme, of the U. P. R. R., at Omaha, they speak in high terms. The confidence exhibited towards them by the U. P. R. R. Co., through Mr. Kyme, when it was known they were citizens of this Territory, made a pleasing impression on them. They had only to show their Elders' certificates to secure every requisite attention. But they cannot speak favorably of their treatment on the Northern Central and Pennsylvania Central roads—the former line running from Baltimore to Harrisburg, and the latter from the last named place to Pittsburgh. On those lines they were crowded into one car and that a very poor one, and the ride was an unpleasant one, probably heightened by the good accommodations they enjoyed before reaching and after leaving them. The Washington agent of the Pennsylvania Central, Mr. Wilkins, was an exception to the other officers of that line whom they met.

**CURTIS MODELS—PRICES REDUCED**  
TO MEET THE TIMES.—The prices of this  
system for cutting all kinds of garments worn  
by Ladies, Gentlemen and Children are known  
by scores of ladies in this City and Territory;  
but the sure way is to prevent for one's self  
which may be done without charge. This  
system removes all anxiety regarding the FIT  
of garments, as all measurements are absolutely  
positive. There will be no altering, no taking  
up or letting out, which not only injures the  
material but destroys the proportions and  
often ruins the garment. The system is very  
simple and can be learned in a few hours.
