Murders by Indians—2000 Warriors on the War Path.

WASHINGTON, 7.—The Indian commissioners to-day received a telegraphic report from John D. Miles, Indian agent, now at Osage City, Ks., It says that hostile Cheyennes, Comanches and Kiowas appeared near the Cheyenne and Arapahoe agency on the 2nd instant, and killed and scalped Wm. Watkins, and that five war parties were apparently moving towards Kansas; troops were temporarily granted from Fort Sill to protect the agency. Mr. Miles, with escort, proceeded to Lee & Reynold's ranches, where the Indians made an attack and were repulsed, and four men were found murdered and scalped near by, and their three wagons, loaded with provisions for the Harwood agency, destroyed. One victim had been tied to the wagon and burned. At the next ranche teamsters, stages, &c., were gathered; they reported that a body of a hundred Indians had passed that morning. Mr. Miles advised all the ranchmen to abandon their places, which was done. There are now but two ranches occupied on this road. The Indians will doubtless clean everything till repulsed. Mr. Miles, in return for the offer of his own life to save others, asks for two or three companies of cavalry to protect the government interests between the Cheyenne agency and Caldwell. There is need of speedy and decided measures. Mr. Miles is a Quaker, and a thoroughly reliable agent. The military department endorse his request. The hostile Indians number about 2000.

Big Robbery of Buffalo Robes.

James W. Taylor, consul at Winnepeg, British N. A., writes the Secretary of State, that about May 1st, three residents of Manitoba, trading with Indians at Mud River, had several hundred buffalo robes stolen by a party representing themselves as authorized by the marshal of Manitoba, on the ground that they were trading in smuggled goods; he had written the marshal to ascertain if the party acted under his orders in selling, and he found that it was a pretext for robbery. The U. S. collectors at Pembina and the U. S. marshal at Dakota, state that the proceedings were without answer and without authority.

Bank Reserves.

NEW YORK, 7.—A Washington dispatch says that six million of five per cent national bank reserve, required to be kept in the Treasury, have already been received, and the treasurer estimates that to-morrow's receipts will increase it to nine millions, half the total amount; three hundred thousand dollars in national bank notes was received at the redemption division to-day.

Died Suddenly.

Thomas Kelp, of Brunswick, N.J. who threw his three children into the canal on Monday, drowning one, and then attempted to drown himself, died suddenly to-day.

Erie Matters—Reappointed.

The Erie railway has filed an answer to Angell's suit, in which it denies every allegation thereof.

The Erie Co. has commenced a suit for $1,293,000 against Jay Gould, to cover the amount expended by him from its proceeds in a transaction with the A & P Express stock, and the amount of reimbursement claimed for money expended from the property, free from incumbrance conveyed by Gould in the famous restitution transaction of Nov., 1873. He had agreed to convey this property, free of incumbrance, but failed to do so.

The delay in furnishing the report of the English experts in the Erie case is severely commented on in Wall St.

The following is the Erie railway directory ticket, to be voted on and which will probably be elected on the 14th: Messrs. Roberts, Stebbins, Smith, Johnston, Babcock, Duncan, Meyer, Ramsdell, Robinson, Barlow, Morgan, Balster, Gray, Baker, and Schuschardt. It is reported that Jewel will not become connected with Erie.

Gen. Hillhouse has been reappointed assistant treasurer at New York.

Boiler Explosion.

ST. LOUIS, 7.—An explosion of the boiler of a steamer of the *Belle of Johnson*, running on Osage river, scalded three men, how badly is not known; two deck hands, colored, are missing. The steamer is a total wreck.

$15,000 Fire.

GRAND RAPIDS, Mich., 7.—The Michigan Central Railway depot and its contents were burned this evening; loss $15,000.

Dead.

BALTIMORE, 7.—Bishop Whelan died at St. Agnes hospital, here, today.

Constitutional Convention.

LITTLE ROCK, 7.—The returns of the election show a majority of 70,000 for a constitutional convention.

The Wool Market.

PHILADELPHIA, 7.—Wool is quiet, steady, and in fair demand. Colorado washed 25 @ 30; Colorado unwashed 22 @ 25; extra and merino pulled 45 @ 50; number one and super. pulled 45 @ 50; Texas fine and medium 30 @ 35; Texas coarse 20 @ 25; California fine and medium 30 @ 35; California coarse 25 @ 30.

NEWFOUNDLAND.

A Serious Riot.

ST. JOHN, 7.—A serious riot occurred at Fredericton last night, between a party of lumber men and the employes of a circus there; the latter used revolvers freely, and wounded a number of persons. A large force of special police were sworn in and the people rallied in large numbers; the circus men were finally overpowered and thirteen arrested. This morning the Supreme Court granted an injunction, restraining them from leaving the town before an investigation.

FOREIGN.

FRANCE.

Political Matters.

PARIS, 7.—The Assembly to-day passed the municipal electoral bill.

The committee on parliamentary initial has re-enacted La Rochefoucauld's monarchial proposition.

M. Brun's interpellation was postponed until to-morrow, in furtherance of the plan to break up the coalition of the Left with the Legitimists, who hoped that the report of the committee on the monarchial proposition might be coupled with the interpellation to-morrow, as upon the former subject the two parties are wide apart. The Assembly, however, by a majority of a hundred, to-day, refused to hear anything of this proposition. The position of the ministry becomes critical, as the Moderate and Extreme, with 120 Legitimists are now united against it. It is understood that Duval, a monarchist, intends to move, to-morrow, the dissolution of the National Assembly.

The Judge who investigated the proceedings of the Central Bonapartist committee, is reported to have applied to the Assembly for authorization to prosecute M. Rouher.
