OGDEN.

OGDEN, UTAH, - NOV. 8, 1893.

OSCAR E. HILL CONVICTED.

He Waived the Statutory Time and was Sentenced to Five Years in the Penitentiary.

At the opening of the Fourth district court yesterday morning the Oscar E. Hill embezzlement case was called up. Considerable interest was manifested and the court room was well filled with spectators, who expected to hear some sensational developments, but their ones was doomed to disappointment. It was probably 11 o'clock before a jury was impaneled, the defense making no objection. Up to this time it was generally believed that the defense would be a stubborn one and that the trial would last for days, and when the jury was passed without a solitary challenge it became apparent that some agreement had been arrived at by the attorneys on both sides.

The witnesses called by the prosecution were J. C. Armstrong, president of the Commercial National bank; Thomas Reely, assistant cashier of the Depot National bank; William O. Calder, bookkeeper of the bank of California; Richard Garrier, assistant cashier of the Omaha National bank; George S. Forbes, general manager of the Union National bank of Chicago; A. H. Raywood, one of the directors of the Commercial, and S. H. Taylor, bookkeeper, at the time the defalcations occurred. The testimony adduced by these witnesses was conclusive evidence of Hill's guilt.

No cross-examination of witnesses was made by the defense. When the prosecution rested the defendant's attorneys said: "We have no evidence to put in."

The case was thereupon submitted to the jury after the charge had been made by Judge Miner. An agreement was entered into that a verdict on each of the two indictments should be brought in and the jury retired. Fifteen minutes they returned with the verdict according to the instruction. After this announcement had been made Judge Judd, who had appeared to the case in connection with Assistant Prosecuting Attorney Maginnis, recommended the defendant to the mercy of the court, and suggested that five years, the lowest possible punishment, on each count be given.

The statutory time for sentence was waived and the judgment of five years in the Territorial penitentiary on each of the two counts was rendered, the sentences to run concurrently.

Mrs. Hill, who had been by her husband's side during the trying ordeal, now completely broke down and was led to the marshal's office. Hill was taken to the penitentiary that night.

City Council Heats.

An adjourned session from Monday night was held last night by the "city fathers." The committee to whom had been referred, some months since, the question of the erection of a market place, reported recommending the plans made by Architect D'Hemecourt be accepted and that $250 be paid him. After a good deal of "talk" the report was adopted and the recorder was authorized to pay that in draw a warrant for the same.

The expense incurred by entertaining the California veteran firemen was ratified by the council, the bills having been already paid.

The matter of repairing Twenty-fifth street sidewalk was referred to the paving committee with power to act.

The fire committee was authorized to buy 1200 feet of hose for the fire department.

The city marshal's report for the past two weeks showed fourteen arrests, of which five were convicted, seven were discharged and two referred to other officers.

Certain repairs to the central fire station building was ordered made.

Jones presented a resolution authorizing the recorder to draw a warrant of $5000 in favor of Holbrook & Wilkerson on paving contract. Pay rolls were ordered paid and council adjourned.

Alleged Housebreakers.

William Edison and George Weltmore, the two housebreakers arrested on Monday night, were before Commissioner Halmstad yesterday, but the case was postponed until today, as the necessary witnesses were not present.

Notes and Personal.

A couple of ordinary drunks were before the house Justice Calhoun yesterday and mulcted accordingly.

G. H. Younger was arrested last night on the charge of incorrigible an officer. He will see the interesting face of the police judge this morning.

Judge Judd was in Ogden yesterday on business connected with the Oscar E. Hill case.

SEE WHAT IT HAS DONE FOR ME

I am so glad as can from Dyspepsia. A few months ago I had given myself up to die, and by mere chance I heard of Hiller's Geneva Mineral Water, from Geneva, New York. I called at the Water Depot in Portland, Oregon. I told the agent I had been afflicted for many years with what is called Cystitis, or inflammation of the bladder, also stranger, that I had lost fifty pounds weight in the last year, and that I would soon pass to another sphere. I have spent hundreds of dollars on doctors and medicines, also all to no avail, and was using medicine all the time for the last six years, by the time I had used five gallons of the Geneva Water I was completely well. Oh, hear me, all you that are afflicted and suffering with Urinary Troubles or Stomach Ailments of any kind, the Geneva Mineral Water will cure you. It has cured me.

Come and see me and judge for yourself. 109 Post office Block, Salt Lake City.

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

is the only vegetable substitute for that dangerous mineral, Mercury, and while its action as a cathartic is fully equal, it possesses none of its perilous effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these
