**CURTIS MODELS—PRICES REDUCED
TO MEET THE TIMES!**—The merits of this
system for Cutting all kinds of garments worn
by Ladies, Gentlemen and Children are known
by scores of ladies in this City and Territory;
but the sure way is to prove it for one's self
which may be done without charge. This
system removes all anxiety regarding the FIT
of garments, as all its directions are absolutely
positive. There will be no altering—no taking
up or letting out, which not only injures the
material but destroys the proportions and
often ruins the garment. The system is very
simple and can be learned in a few hours.
