> tain their case. The trial of the suit of Henry H. The trial of the sult of Henry H. Boody against Samuel J. Tilden, was begun this morning in the special term of the Superior Court. The plaintiff sues for co-partnership account on pool in railroad stock in 1864, and for \$26,000, which it is alleged the defendant was overpaid under missporchangion as overpaid right to the presidency is concerned,

and consequently will regard his Proceedings of the Commis of the electoral commission, to-day, the argument on the Louisiana most momentous consequences. the argument on the Louisiana count was begun by Senator Mc-Donald, who supported the objec-tions to the Hayes certificates from Louisiana. He referred to pre-vious congressional action and laws to show that the returning board had no power to look into irregu-larities at an election, unless a pro-per foundation is laid by the state-ment of the supervisers of registra-There is one thing that would pear likely to happen, indeed it is almost if not teo late now for it to happen. That one thing is for the tripartite electoral commission, and CONGRESS. IN the House of Representatives Feb. 1— Mr. STRAIT, by unanimous con-sent, introduced a bill (H. R. No. 4574) to appropriate the proceeds of the sales of the supervisors of registra-tion, or the commissioners of elec-tion, or other proper affidavits. In the ruling decisions upon the dis-puted questions submitted to them, dered those decisions by a large ma-bill of the supervisors of registra-tion, or the commissioners of elec-tion, or other proper affidavits. In the election of 1872, the vote of Louisiana had been rejected because the returning board had not com-plied with the law, and they now

make a brilliant effort. Trumbull States. After arriving in the State of Mississippi in June, and preaching a few times with little success, being alone, and learning that Bro. D. P. Rainey was in Tennessee, I democrats. On the republican side Matthews and Stoughton will make the principal argument, as in the Florida case. The decision in the Louisiana controversy will, no made my way to him that I might have a companion. Finding doubt, turn upon the question of admitting evidence, and thus the him in bad health, after remaining with him for a short time, he thinking it wise to return home on account of his health, we parted. I then started on foot for Alabama, distance over 200 miles. I had already travelled over 100 miles on foot, carrying my effects. Reaching this place Oct. 29th, I

day Nov. 5th. Since that time I have been laboring in this vicinity with no one to assist me, that is, no other Elder. But through the bies-sings of the Lord I have been the means of bringing a few souls to a knowledge of the truth. After laboring faithfully for two months and a half, I commenced baptizing. I baptized twelve persons and or-

forty. Others will come in if we remain here.

We find that the evil one still works. I have had very great op-position to contend with, and it is still raging, and threats have been made. We know the Gespel must be preached to all the world and then shall the end come, says our Savier. Matthew 24. I have been blessed by coming out on my mis-sion, this being the first time on this business.

this business. Bro. Charles Brewerton and Bro. Wm. C. Wightman, jun., of Pay-son, Utah Co., arrived here on Thursday, Feb. 1, for the purpose of laboring with me, they having been in Des Ark, Prairie Co., Arkansas,

miss Denied. Judge Wallace, to day, in the United States court, denied the mo-tion made yesterday in the Emma mine suit, to dismiss the complaint on the ground that the plaintiffs had not produced evidence to susfor a short time. I was very glad to meet them, as I had been alone so long. I have labored hard here, sitting from 11 to 12 o'clock at night, but I am satisfied as long as I know that it will do good. Bro. Brewerton and Bro. Wight-
