

## LOCAL AND OTHER MATTERS.

**THEATRICAL.**—Considering the state of the times, Miss Lockhart had a good house last night on the occasion of her benefit. "True to the Core" is a very fine drama, abounding in startling situations and pleasing effects, but we are sorry to say it dragged in several places, owing to some of the members of the company not being up to their parts. It will be repeated to-night, when we hope the deficiencies of last evening will be remedied and supplied. Tomorrow evening has been chosen by Mr. Graham for his benefit, and we have no doubt his admirers, who are many, will turn out and give him a good reception.

**OUR VISITORS.**—We had the pleasure of a visit, this morning, from Judge John G. Wilkin, of New York, Clinton Lloyd, Esq., Chief Clerk of the House of Representatives, Washington, H. P. Miller, Esq., assistant editor of the *Freeman*, Milwaukee, and M. K. Moorhead, Esq., of Pittsboro, who, under the kindly guidance of Hon. W. H. Hooper, our Representative, are doing the lions of the city.

**ACCIDENT.**—About noon to-day, as Dr. Bauman was turning the north-west corner of the Temple block, the buggy which he was riding in upset, luckily without injuring Dr. B. or the gentleman who accompanied him. The buggy, however, was much damaged, and the shafts broken. On the receipt of the news of the accident, Mr. J. W. Miller, of Messrs. Faust & Houtz, to which firm the buggy belonged, repaired to the spot and, replacing the horse in the harness, proceeded toward the stable. After walking quietly for about a block, the horse took a sudden fright and bolted, and the buggy came in contact with some building material nearly opposite the Western Union Telegraph office on East Temple street, dashing Mr. Miller on to some rocks and badly bruising his hip, and for a short time rendering him insensible. He does not however appear to have suffered any other severe injuries. The horse ran with the buggy about forty or fifty rods, and was stopped opposite the office of Wells, Fargo & Co. This is the first time that an accident has occurred to any of Faust & Houtz's outfits. They have been very fortunate in this respect.

**MILITIA MUSTER.**—Pursuant to orders received from Major General Burton, there will be a muster of a portion of the 1st and 2d brigades of his division of the Nauvoo Legion on Friday next. The troops will assemble at the military parade ground, at 9 a.m., on the east side of the river Jordan, near the bridge, for organization drill and inspection.

**THREE OF THE POWELL EXPEDITION KILLED BY INDIANS.**—We have received a dispatch through the Deseret Telegraph line from St. George of the murder of three of the men belonging to the Powell exploring expedition. It appears according to the report of a friendly Indian that about five days ago the men were found by peaceable Indians of the Shebet tribe very hungry. The Shebets fed them, and put them on the trail leading to Washington in Southern Utah. On their journey they saw a squaw gathering seed, and shot her whereupon they were followed by three Shebets and killed. A friendly Indian has been sent out to secure their papers. The telegraph does not give us the names of the men.

**THE ST. THOMAS MAIL.**—H. A. Skinner, Esq., Postmaster at Beaver has forwarded us some communications which we think fully exonerates his office from any fault in the mis-carriage of the St. Thomas mails. We are pleased that bro. Skinner has been able to make his case good.

**LOAN.**—A. C. Smith, Esq., has our thanks for his communication, which arrived last evening, but he will observe we have already been enabled to publish the information contained therein, by means of the Deseret Telegraph line. We hope he will continue to communicate when anything worthy of note occurs in his vicinity.

**A COMPANY FROM GEORGIA.**—Elder J. W. Crosby, Jr., writing from Rome, Ga. on the 30th ult., informs us that a company of Saints will leave there for Zion on the 10th inst. He adds "there are a good many of the Saints who cannot get away this year, as the emigration will close before they can gather their cotton and corn crops."

**INFORMATION WANTED.**—William W. Badcock of Georgia, desires to hear from his sister Eliza Badcock, who arrived from England by the late company of immigrants. Will she please inform him of her whereabouts?

**WE SHOULD LIKE TO KNOW.**—The editor of the *Cleveland Herald* must have felt a little envious when he penned the following item: "A Chicagoan describing the sensations of bathing in Salt Lake, says it renders one uncertain whether he is a Chicago traveler or a big air bladder. Where's the difference, anyhow?"

**NORTH OGDEN.**—Elder Henry Holmes, writing from North Ogden on the 3rd inst., says "Our crop is excellent, but we shall have also an excellent crop of grasshoppers another year as they have deposited their eggs in abundance all over the settlement, warning us to lay away at least two years' bread. The health of the people is good, except a very few troubled with the 'blues,' caused by so many being involved on account of the non-payment of railway dues. In fact, it seems that both money and credit are for the present gone. There is about \$10,000 due this little ward. We have held no indignation meetings on the matter, but I assure you the people feel indignant about the treatment they have received after laboring as conscientiously as they did to complete the great national highway. Our co-operative store is doing a good business, we have been organized nine months. Our commencement was but a small one, but we have gradually and steadily grown, and the majority of the people are rapidly learning its benefits."

By obtaining the **CURTIS "Premium Models,"** and learning to use them, which can be done in a very short time, any lady will be enabled to cut out all kinds of garments worn by males or females, adults or children. There may be other models in the Territory by which ladies' dresses can be cut, but the Curtis "Premium Models" are positively the only ones that will do as above stated, and abundance of unquestionable testimony can be given that they will do all that is promised. Female Relief Societies will find these Models of great service, enabling all, however ignorant of the art of cutting out, to procure a perfect fit in every style of garment required. Mrs. Jos. Bull, of the 17th Ward, & L. City, is sole agent for the Territory.

A Blind Adherence to Old Ideas is absurd in this age of brilliant discoveries. When an invalid can drink the actual counterpart of the famous Seltzer Water in his own chamber, why should he do himself with revolting cathartics? TARRANT'S SELTZER WATER is the equivalent of that peerless combination of alkaline and tonic elements, and is admitted to have no equal in the materia medica as a remedy for indigestion, biliousness, general weakness, constipation, and tendency to the head.

**GREAT CENTRAL ROUTE**

IS ALSO

**The Blue Line**

Established January 1, 1867, for the carriage

Through Freight without Transfer

This Line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western, Canada, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic and Jackson, Lansing and Saginaw Railroads.

**THE "BLUE LINE"** Is the only route that offers to shippers or freight the advantage of an unbroken gauge of track from Chicago and the Mississippi river to the Seaboard, and is of the

**SAME GAUGE AS THE UNION PACIFIC,** over which these cars will run on completion of that road.

**THE BLUE LINE CARS** ARE ALL OF UNIFORM BUILD, thus largely lessening the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Road or Line and the public.

The facilities of the Line for making uniformly quick time are unequalled.

All claims promptly settled on their merits.
