If your pulse is too strong, and your heart throbs so that you can feel the force of the heart-beat against your chest, your heart is weak and needs attention.

This is usually caused by long continued palpitation, over-work, excessive exercise, heart strain, and the condition indicates serious heart trouble. You should not at once.

The very best thing to do is to take Dr. Miles' New Heart Cure, a remedy that will strengthen the nerves and muscles of the heart, and restore them to their normal condition. If you neglect to do this, disastrous

consequences will surely follow. You will have smothering spells, pain in the heart, faintness, the valves of the heart will become leaky, and the heart left in a death struggle.

I had all the usual symptoms of heart trouble. I took about 15 or 20 bottles of Dr. Miles' lisart Cure and am completely cured. I have had no symp-tom of heart disease for two years, and am attending to my business affairs, which I could not do before."-E. C. GATLIN, Manufacturer, Blue Meund, Kan. Doctors Said He Would Not Live.

Maurice Thompson-Ten Reunds. Butte, Mont., June 15.—After ten rounds of clever highting, Young Corbett of Den-ver was declared the whiner over Mau-rice Thompson of Butte. Thompson lay on the canvas dead to the world and wos-being counted out when his second-throw up the sponge and carried their man to his corner. It was a good, clean fight and Thomp-mon surprised even his friends when he knocked Corbett down in the second round. The little Denverite had rushed Thompson and was caught with a swing while off his balance. He was up in a second, however, and fighting back like a demon. Corbett carried the fight to his opponent in every round and landed some terrific swings that would have knocked out any ordinary man, but Thompsou withstood them until the middle of the tenth round. Peter Frey, of Woodruff, Pa., writest "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had bet-ter attend to it at once, as I could not possibly live another month, as there was withstood them until the middle of the tenth round. Corbett made an excellent impression here and appeared like a champion in every round. He hooked and jabbed Thompson at will and drove him to the ropes on numerous occasions. His block-ing was good and his footwork carried him out of all danger. Several times he cought Thompson on the jaw with light and left swings and got away without a return. Although not in the best of con-dition, he left the ring as strong as when he entered it. no cure for me.
