As a Frenchman, I do testify that my clive dil is the very best in the great political revolution that is ant keepen by obtaining meals unagitating the country powerfully in every State of the Union brings out many pusillanimous phases of char-acter. The powerful influence at \$10, besides an additional fine of \$5 work against the administration en for drunkenness.

the present centralizing, corrupt period of years, and embracing the treatment of many thousands of cases of those allments peculiar to Women, Dr. Pierce, of the World's Dispensary, Buffalo, N. Y., has per-fected, by the combination of cer-tain vegetable extracts, a natural specific, which he does not extol as a cure-all, but one which a desi state of things political. When the most rabid red hot republicans and supporters of the administration desert their old position, however, and claim that they have al-

ways been democrats, that they never were anything else, the inference is that such are a parcel of principles, but always incline to whichever side they think to be the strongest for the time being. There is not a few of that class

among the crusading ring in this city and Territory, who are just of that kind of breed, and although the most rabid of "Mormon"-eaters now, if they thought they could make any capital or gain any adin natural supports, internal fever, congestion, inflammation and ulvantage by it, they would pretend

to be the friends of the "Mormons"

Missus, DAY & Co. have the largest stock of Hardware in the city, and sell the cheapest. That is the place to purchase. Co-op. Or-the place t to-morrow. At present, however, every body who does not join in with them in their efforts at inaug-urating religious persecution, but anietly pursues his own business Bidsher A Baker J Bredason J Bell M L Boyd M Bridge R Blair W It is surprising that quite a num-Brown M

ber of that class should have made Collins A Chase Mr. the late discovery that they are apes Mrs. democrate, that they never were republicans, and never were supporters of the present administration; and these are the persons,

many of them, who, in loud mouthed spoutings, supported and ratified the re-election of Grant and abused the "Mormons" in the same breath. Some idea of the political revo-

lution that is going on may be formed from the statements of Governor Parker, of New Jersey, who said lately, at a reception by the Manhattan club, to Governor

Tilden, of New Yerk, that, nine Ekdridge C A years previous to the night on English L the shade at 1 p.m. to-day.
