Fatal Boiler Explosion.
COLUMBUS, O., 5.—An explosion of a locomotive at Delaware, on the C. C. & I. C. Railroad, to-day, injured the engineer, Wm. Hutchings, and killed his son, the acting fireman.

Mills to be Closed.
PITTSBURGH, 5.—Owing to a disagreement in convention, between the iron puddlers and manufacturers, to-day, all the mills excepting two or three will suspend work on Monday; the manufacturers decided to reduce the rate from six to five dollars per ton for puddling, which reduction the workmen refused to accept.

Ousted.
MONTGOMERY, 5.—The State Senate has ousted a Democrat, and seated a Republican.

Grangers Adjourned.
ST. LOUIS, 5.—The executive committee of the Missouri State Grange, which has been in session here for several days past, adjourned to-day, after transacting considerable business. They adopted a resolution favoring open trade between the Mississippi Valley and Brazil, a bill for steam ship lines, and asking the farmers of the valley to aid in supporting the enterprise; they say it is their duty and policy to induce shipment by river southward instead of by rail eastward.

An Honest Grand Jury.
ST. LOUIS, 5.—A full bench of judges in this district to-day, decided that the late grand jury, which indicted the alleged safe burglars, was illegally chosen, and dissolved all the indictments by that grand jury are nullities. The matter came up on the case of Huff, found guilty of stealing a horse and carriage from the Continental hotel in this city; his counsel appealed, and the case has been decided against the legality of the grand jury.

Suit Commenced.
ST. PAUL, 5.—Attorney General Wilson, to-day, commenced a civil suit on behalf of the State, in the second district court, against ex-Senator and Charles McElrath, for the recovery of ninety-four thousand dollars, alleged by the State to have been wrongfully withheld by McElrath during his term of office, extending over a period of nine years. The suit is composed of collections from stumpage and interest on certain Missouri State bonds. Hon. Wm. Lochner, the recent democratic candidate for associate justice of the supreme court, is associated with the Attorney General in the prosecution of the suit.

Debate in the Assembly.
PARIS, 5.—The National Assembly has been engaged in an exciting debate the past two days, on a bill supported by clerical deputies, for freeing the universities from the control of the state. The principal speakers were the Bishop Dupanloup, legitimist, and Chancelier Lacour, a radical. The Bishop Dupanloup, in the course of his remarks, to-day, passionately declared the danger to society to be apprehended from the friends of those who favored the shooting of the Archbishop of Paris. The remark occasioned a great tumult in the chamber. Upon the restoration of order, Chancelier Lacour retorted upon Bishop Dupanloup in a speech of great bitterness, in which he declared the danger to society to be apprehended from the friends of those who favored the shooting of the Archbishop of Paris.
