SALT LAKE STILL LEADS THE LIST

Locals Lose to Murray and Win Over Soldiers in Keen Games.

FORT FORFEITS TO OGDEN.

Lobsters Trim Smeltermen in Grand Feast of Fearful Willow Work, Crowds Attend.

UTAH STATE LEAGUE.

	W.	L.	P.C.
Salt Lake	5	1	.833
Ogden	3	2	.600
Murray	2	4	.333
Fort Douglas	1	4	.200

The beauty of the above standing is the way it stands. Salt Lake is hanging to first place in good shape, but somehow or other there is enough doubt in every game to make the race an exciting one. The four-week-end games saw Salt Lake beat the Soldiers in a hitting contest yesterday; the Lobsters handed the Smeltermen a package; the Smeltermen put it over Salt Lake and the Soldiers forfeited to the Lobsters. Now figure out which is the best team.

Murray has a rejuvenated team. Salt Lake learned that Saturday when it journeyed down to the city in the south, and was handed 13 to 3. Baseball players are superstitious. Salt Lake's team crosses its collective fingers when it hears 13. Murray made 4 in the third; 7 in the fifth, and one each in the sixth and seventh. Salt Lake started out well, making two in the first. One more in the sixth put an end to the local's trips over the pan.

Critchley was substituted for Scott behind the bat and his initial appearance in a Murray uniform was all to the good. Hummel pitched for the locals and was swatted plenty. Pearson for Murray was in fine fettle. Dutch umpired and didn't tempt the crowd to riot once.

REAL BASEBALL, THIS.

Locals and Soldiers Indulge in Heavy Hitting and Spectacular Fielding.

After handing victory to Murray on a silver platter, Salt Lake turned around the following day and defeated Fort Douglas by a 16 to 8 score. The Soldiers tried to shut off the flow of slugging by putting in Barbour and Brown. The first was trimmed and the second done up true to his name. But Manley, a new Salt Laker, and a good one, was hit, too. Both teams made enough errors to make a farce, had sensational playing made the contest one of intense excitement. The fans like heavy hitting and spectacular fielding. There was plenty of the first and enough of the second in the game to take the limelight off the errors. There was a crowd of 2,500 fans present and everyone yelled himself horse out of pure delight. They were glad they were there because they were there.

COMEDY OF ERRORS.

Murray Makes a Basketful, Ogden, a Good Many But—

Murray and Ogden met at Ogden yesterday, Ogden made it 21 to 8. It would have been 21 and 6 had the ball not lost itself in the grass. There was plenty of showy work by both teams but hits driven through unprotected spots sent men trotting over the home plate too fast to make the game exciting. Gimlin of the Lobsters pulled down a long hit with one hand and Taylor, also of the Lobsters, slid across the diamond and then pulled down a hard drive. Jackson went into the box for the Murrayites and was pounded unmercifully. One of the largest crowds of the season attended the Smeltermen's obsequies.

SOLIDERS MISS TRAIN.

Lobsters Get Boost Up Percentage Line Through Fort's Mistake.

The Soldiers were scheduled to meet Ogden in the Junction City Saturday, but as half the Fort team went down to the Oregon Short Line and the other half went to the Rio Grande depot, a mixup resulted, and no game was played. Lieut. Elliott, manager of the Soldiers, says he discovered the men's mistake just too late to get them all rounded up at one depot. Half went up and the other half followed on a later train. Upon the appearance of the second batch of men Ogden would not play, taking the game on a forfeit. President Tobin has the matter under advisement.

Ogden's side of the story is that Gimlin would not play with the Fort's team made up of amateurs as was suggested upon the arrival of the first delegation of Soldiers. Playing at 6 o'clock also looked impracticable to Gimlin of the Lobsters. The articles of agreement which regulate the league make it proper for one team to take a game upon a forfeit when the other team is not on the field at the scheduled time. There was no bad feeling but a forfeited game doesn't do anyone any good, except the team getting the added percentage.

Neuralgia
Pains

OCCIDENTALS VICTORIOUS.

Evanston, June 28.—The Occidental baseball team of Salt Lake City shut out the local team here today by a score of 17 to 0. The locals were unable to do anything with Langford and Harrison. Williams threw for Evanston and the visitors scored 23 hits off him.

BOXING MATCH.

Hot Springs (north of Ogden) June 29th. Pete Sullivan vs Cyclone Thompson. Excursion via O. S. L. Round trip $1.25. Special train leaves Salt Lake 7:15 p. m., returning after the match, about 11 p. m.

MILL SLATED FOR THIS EVENING

Followers of Manly Art All Excitement and Impatient to See Exhibition.

BOTH MEN TALK CONFIDENTLY

With Sullivan and Thompson Looking All Fit and Flue Knowing Ones Predict Fast Show.

Pete Sullivan—"I'm as fit as a fiddle; my condition is perfect, my wind splendid."

Thompson—"Now, we'll settle that old score of a year ago. Nothing to it but me."

In this strain do both fighters who meet at the Hot Springs tonight discuss the bout. Sullivan finished his training here yesterday by taking an eight-mile jog. The run didn't see him breathing a bit unnautrally and after a rub down he donned a street suit to take things easy.

Thompson is training in Ogden and reports from his camp are to the effect that he is in better condition than he has ever been in before. When Cyclone's past furious fighting performances are remembered this report is fraught with significance.

There is no way of getting any shaded opinion through the whiling jingle. Up in Ogden odds are offered on Thompson; down here, on Sullivan. Odds against odds are not odds at all—it is an even break so far as the figures are concerned.

Tom Painter of Wyoming will referee the bout. This leads the fans to rest confident that the decision is to be correct. At the former meeting of the two men a decision giving Sullivan the best of it, pleased half the crowd and angered the other 50 per cent. The go is for 20 rounds and the wise ones expect something to drop before the end has been reached.

An Oregon Short Line train will leave this city at 7:15 sharp. This train will go right up to the Hot Springs sanitarium, where the contest is to be held. As preliminaries have been left out of the program and as the train will leave for this city immediately after the fight the fans contemplating the journey expect to get home early.

At the eleventh hour Manager Guiney reports good sales and predicts that when everybody has been seated there will be no vacant chairs in the building.

AMERICA SHOULD WIN.

Appears to Be No Good Reason for Uncle Sam Failing.

There seems to be no good reason why America should not continue her winning career at the Olympic games this year, unless her athletes, who will be in London for the contests which begin in the stadium on July 13, are out of condition. The trials for the teams to represent the various countries have been finished, with the exception of those in Ireland, and none has shown any world beaters who should lower the colors of the American team, in most of the events in which its members will compete. In fact, according to the records already made by the Americans, it seems as if they should carry off more first places than they did at Athens in 1906, although they can hardly hope to equal the record of 1904 at St. Louis. According to the trials already held, if all competitors run up to their best form, the American list of victories should contain 18 first places; England should get five, Canada one, and Germany two, while the tug-of-war is exceedingly doubtful. All this depends upon the physical condition of the competitors on July 13.

Records of other years are as follows:

Athens, 1896—America, 9 firsts; England, 3 firsts.

Paris, 1900—America, 17 firsts; England, 2 firsts.

St. Louis, 1904—America, 24 firsts; Canada, 1 first.

Athens, 1906—America, 11 firsts; Ireland, 3 firsts; Sweden, 2 firsts; Greece, 2 firsts; France, 1 first; Canada, 1 first; Austria, 1 first.

GANS GONE BACK LESS.

Dinge Appears Favorite Over Nelson In Coming July 4 Battle.

Gans will step into the ring July 4 a favorite over Battling Nelson. A Call authority writes:

"It is quite possibe, in view of his years, that Gans is not the man he once was, but that he is sufficiently the master to trirm Battling Nelson is a majority sentiment, voiced by hundreds and agreed with by the writer. While it may be wrong to affix to Battling Nelson the title of a man who once was, nevertheless there is nothing in his record of late to show that he is going ahead. Rather, to say that he is standing still is being kind to him.

Take his fights with Britt, for an example. Britt beat him at the Auditorium, and later in the 19-round fight at Los Angeles Nelson did well to make it a draw. In the meantime McFarland has cleaned Britt, and Nelson, whose friends boast for him that he did well with Attell, in reality did very little, considering the difference in weight.

Some may be alarmed because of the announcement that Gans will do little work for this fight. They may take it that the champion finds that he cannot train as strenuously as he could in the former days and they accept it as proof that he feels his years.

They forget that Gans, than whom there is no more finished boxer, does not need experience; that he does not require reduction to get down to weight, and that he will be in as good shape without heavy exercise as if he was up and at it with the gloves every afternoon."

TENNIS TOURNEY OPENS.

First Matches Show Form in Players That Spells Keen Contests.

Opening matches in the state tennis tournament were played Saturday before a good sized crowd. Ned Garnett showed splendid form in his two matches, one over Thompson and one over Raymond. Accurate placing was a feature of Garnett's fast work. McLeod won over Dinwoodey, but it was no easy victory as Dinwoodey smashed away in a style that kept the crowd at attention throughout the contest. The results of the day's program were:

TANDEM RACE, PRETTY.

Crowd Likes Old Style and Has Good Reason to Do So.

It was a wise move that importation of tandems. Manager Chapman of the Saltair track showed wisqom, for the move is heartily endorsed by the saucer fiends. A big crowd saw the week-end races out at the salt sea side. It was there mostly to see the eight tandems fight it out in a five-mile race. They did—it was a splendid race. Mayer and Clarke rode easily for four mies and on the fifth began to push up. Downing and Achorn tagged to the Dutchman and his partner. Hopper and Hollister made a jump and got first place but the Dutchman and Clarke returned the dig, with Downing and partner hanging on like leeches. On the home stretch Downing and Achorn dug in to pass the leaders but had to be content with second place.

Bad luck put West and Palmer out of the race early. A chain broke but luckily did not fly into the spokes of the tandem or a bad spill would have been chalked up. West showed presence of mind by calmly putting his foot on the rear tire bringing the wheel to a stop in good time.

Clarke showed McFarland up in the mile open. "Mac" was going to sprint away from the bunch as is his habit, but Clarke and Downing and Mitten couldn't see it that way. Downing and Clarke both made wonderful sprints and finally it was a fight for first between Downing and Clarke. With the crowd on its feet and yelling, Clarke crossed the tape first with Downing second, Mitten third and "Mac" fourth. Mayer, the flying Dutchman, failed to qualify for this race, much to the disappointment of the fans.

Halstead, Lawrence and Wright went down in a heap towards the finish of the three-mile amateur. Wheels and ribs were badly scraped and the results of the race changed at the last minute.

THE SUMMARY.

Half-mile handicap, amateur (final)—Crebs (35 yards), Diefenbacher (30 yards), Herman (60 yards), Brodbeck (40 yards). Time—:56 1-5.

OFF FOR TARGET MEET.

Lieuts. K. S. Snow and Hugh Walthall of I company, Fifteenth infantry, have been chosen to represent the regiment at the coming target shoot at Leon Springs, Texas, July 20. At the Fort Douglas trial, Lieut. Snow scored 787 out of a possible 1,000, with Lieut Walthall 780.

The shooting was conducted under difficulties seldom encountered on the target range. Two hundred and four shots were fired by each man within the space of a few hours. The first scores were made at 100 yards, 20 shots being fired. Twenty shots each were then fired at the 300, 500 and 600-yard courses. Rapid firing was then begun, 20 shots being fired in 80 seconds at both the 200 and 300-yard courses. The test was concluded by four skirmish runs in quick succession, 20 shots being fired in each. The odd shots were what are spoken of vernacularly as "sights."

EIGHTEEN BOATS IN LIPTON YACHT RACE

New York, June 29.—Eighteen boats have been entered for the Lipton cup ocean yacht race, which will start next Saturday morning from the Brooklyn Yacht club. The entries will not close until tomorrow, and it is expected that at least 20 boats will start in the 325-mile race. The only unfortunate feature about the coming race of the Brooklyn Yacht club is that the cup to be awarded to the victor is not yet in evidence. Sir Thomas Lipton, who holds many close friendships with the members of the club, offered the trophy a year ago. It is to cost $1,000, but it has not arrived here. Sir Thomas will be kept informed by the committee of the success of the race and the name of the winning yacht with other details will be sent to him immediately after the result is known.

It is expected that the coming race will occupy slightly over three days. The start will be made at 10 o'clock and the course will be southward to Scotland lightship, to and around Fire Island, then around the northeast end light vessel off Cape May.

The White Sox played at home yesterday and the Windy City has seldom seen a busier batting bee. Detroit won the game, however, by a score of 10 to 5.

The Browns also played at home and made it 6-1 over Cleveland, all of which the Detroit fans declared O. K.

The leaders made it a double victory yesterday by handing Cincinnati lemons in the shape of scores of 3 to 1, and 2 to 0. Both games were pippins.

Pittsburg did to St. Louis what the Cubs did to the Reds. The scores were 4 to 1, 6 to 3.

Ford for Des Moines allowed Sioux City but three hits yesterday. It was a 3-0 game. Which reminds one of the old nursery rhyme:

A little old burg they call Sioux
Supported a ball team, that's trioux,
But when it got lambasted
Sioux uttered "dod gasted"
Tho' biloux, Sioux did wrong thus to dioux.

The Omahogs lived up to their sobriquet yesterday by taking two from Pueblo, 10 to 5, and 4 to 2.

Chabek was knocked out of the box in the second and Lincoln obtained a lead Denver couldn't overcome. Results, 7 to 6.

Don't Purge the Bowels—Do as Nature Does

Nature gets her laxatives from food.

If you ate plenty of fruit, coarse food and green vegetables, you would get laxative enough.

But you eat fine food, and too much of it. And you exercise too little.

So it is vital that you help the bowels in another way.

But don't use salts or pill cathartics. Never employ harsh physic.

Nature does all things gently. Give her gentle help.

Cascarets are vegetable. They have just the same effect as a laxative food.

They never gripe, so you know they don't irritate.

They act in Nature's way. Yet they are just as effective as violence.

While harsh physic ruins the stomach, Cascarets aid digestion.

While harsh physic callouses the bowels, Cascarets restore the natural functions.

Every effect is curative.

Those who are well informed about laxatives employ only Cascarets.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with CCC on every tablet. The box is marked like this:
