ering Hall, New York, and this is the way in which he opened upon the subject— "The courage of the live Yankee work is solving the prevaiing dif-ficulties here than all the chis mu-sic in America could accompliab. "It is important to be right," you there is not to be compared with the heroism of the man who volun-tarily goes and pops the question. What is physical pain or danger

tarily goes and pops the question. What is physical pain or danger compared with the shame that comes over a man with that terri-ble 'No?' Think of the sleepless nights, the waking dreams, the always-going-to-do-it, and coming away without daring to attempt it; the expense of hair curling and kid gloves and after all that, think of

gloves, and, after all that, think of that terrible 'No' coming from those beautiful lips. Why should

young people use such a roundabout way to arrive at the end for which most of us were born? Why not speak plainly and say, 'My dear, feel such a curious sensation here

(with your hand on your heart) rehave the same sensation; let us marry."

THE following card by Mr. O. J. precious metal from dross, and fit Hollister, U. S. collector of internal faith. No reference was made to revenue, addressed to the Utah ring Plymouth Church matters.
