

## NEWS OF THE WEST.

A Scarlet Epidemic Continues to Rage Around San Francisco.

## NOTICE OF DEATH TO RELATIVES.

Cold-blooded Murder of a Rancher & Ranch House Boy.

Sacramento (Cal.) city trustees have passed an ordinance to prohibit gambling by the use of the mechanics-theatre machine.

Owing to late frosts there will be practically no peach crop next year (Calif.), while the plum crop will be half ruined, the peach crop being very few trees escaped.

A petition has been presented to the Wyoming (Cheyenne) city council, asking legislative expenditures of \$100,000 in prospecting for coal, gas, oil, salt and mineral water.

Fish in the Missouri rivers are cheaper than ever before. Large bass cost 25 cents each. Many fish of several sizes are sold at 10 cents apiece. The trout in the Missouri River are the best ever seen.

Mrs. Wanda Davis, daughter of an English Jefferson Davis, of the well-known Davis family, arrived in Aragon, Calif., Tuesday evening to marry with her sister, Mrs. Hayes of Colorado Springs.

Dr. F. M. Parker, a prominent citizen of Glendale, Cal., was run over and killed on Tuesday morning at the intersection of Glendale and Colorado streets. He was a retired physician and very wealthy.

Deputy Sheriff O'Brien has been assigned to the Glendale hospital at Glendale, where, from the effects of a terrible shooting which he received in Glendale on May 1st, Wadsworth is now in a critical condition.

The Tropic Land and Planning Company in Boise, Idaho, has filed articles of incorporation with a capital of \$1,000,000. The company is to buy land, build railroads, plant forests, etc.

Charles H. Smith appears to be in good health. President O. M. Drury has even up a 34-story water, a pair of sharp, pointed specimens and a three-ton silver tray to satisfy the claim of a local dry-goods firm for merchandise bought by his wife.

George W. Park, a prominent merchant and City Father of Pleasant, A. I. (Iowa), suddenly died on Sunday morning at the Pleasant Hospital. He was a retired physician and very wealthy.

The manufacturer, who was captured, was a black-faced man, aged until his victim was discovered, and then shot him in the back with a rifle. The bullet passed the heart and Hayes died instantly.

James G. Halliday, an employee at the state asylum at Moundville, Cal., was shot and killed on Tuesday night by P. J. Morris, a former patient. Morris was committed to the asylum some time ago for insanity. He apparently recovered and was given and jobs about the institution. On Tuesday night he shot Halliday in the head with a revolver and got away. Halliday attempted to take him home and Morris drew a knife and stabbed him three times in the body. It is said that Halliday's wounds were not dangerous.

ROSS MARCH'S CURE.

Miss Mary Hatch, a young woman of excellent health, has come with her mother to the West. Her father, a former stock broker, has suffered from severe heart disease for many years. His wife, Mrs. Hatch, has come to the virtues of Ross M. March, a French physician of the Order of the Hotel Dieu. Miss Hatch had taken medical treatment without benefit and had finally come to despair of cure by other than surgical means.

Miss Hatch availed her to apply to the Sisters of the Hotel Dieu, for a Ross March treatment. The sisters, however, refused to make any arrangements for her treatment.

She did, however, go to the hospital for treatment for a week, and the results were not encouraging.

Miss Hatch was sent to the hospital for treatment for a week, and the results were not encouraging.
