KUROKI DEFEATS EUROPEAN ARMY

All the Russian Positions East of
Hau-Cheng Have Been
Abandoned.

LAND ATTACK ON PORT ARTHUR

Was Begun Yesterday Morning, Forces
Driven South from Delay
Assaulting Garrison.

FORTRESS NO DOUBT WILL FALL.

So Say Refugees from There—
Russian Officers Are Desperately
Gloomy.

London, June 1.—A special dispatch
from Rome says a telegram has been
received from Tokyo reporting that
Gen. Kuroki has completely de-
feated Gen. Kuropatkin's forces near
Sungai (probably Salimata or Sima-
ta).

All the Russian positions east of Hau-
cheng have been abandoned, according
to the telegram; several guns have
been taken and whole squadrons of
cossacks captured.

It is possible the news received in
Rome refers to the fighting reported in
last night's Associated Press dis-
patches from Liao Yang and St. Pe-
tersburg. These did not indicate a
general engagement but showed that
a series of sharp engagements had taken
place east of Simat, lasting from the
morning of May 27 until daylight
of May 28, which resulted in severe losses
on both sides and the retirement of the
Russians upon Simat. The latter place is
15 miles north of Feng Wan Cheng.

LAND ATTACK ON PORT ARTHUR

Indianapolis, June 1.—A special cable
from the staff correspondent of the In-
dianapolis News at Chemo, dated June
1, says:

"The Japanese land attack on Port
Arthur was begun yesterday morning.
Russian forces that were driven south-
ward from Dally and Kin Chou by the
Japanese are assisting the garrison at
Port Arthur and the Russian navy has
joined in the movement to repulse the
enemy."

"There may be several days of ship-
ping and outfit work before the
Russian city is taken, but it is the opin-
ion of refugees who have arrived here
from the besieged 'Gibraltar' that the
Russians eventually must succumb to
rebeling numbers."

"Dally, Kin Chou, Tallenwan and Nan
Shan have already fallen before the
Japanese."

RUSSIAN OFFICERS GLOOMY.

Tien Tsin, June 1, morning.—A coun-
ter, who has arrived here from New-
chwang says:

"While it is known that the Russians
received reports from Mukden last
night, giving the losses sustained by
them during the fighting at Kin Chou
and Nan Shan hill and the conditions
prevailing, they will not talk on the
subject. The officers are desperately
gloomy. The press bulletin giving the
news of the fighting on the Kwang
tung peninsula with the comments on
the theory of the Japanese, was sup-
pressed on the Russian side, and when
the Russians are again meddled with
the telegraph offices between New-
chwang and Shan Hai Kwan."

COMMANDER'S SUPPLIES.

Seoul, June 1, 10:20 p. m.—The Rus-
sian bands scattered through the Han
province are encountering com-
munications difficulties. The countryside
is ill supplied with food and forage,
owing to the bad crops of the past two
years. Since the first Russian land
there has been no trade at Yensan and
consequently no importations
of food. The Russians are causing
widespread starvation and they are
experiencing the same difficulties in
obtaining food.

A detachment of 20 Cossacks with
two Korean interpreters, yesterday or-
dered the governor of Han Hwang to
arrange for suitable supplies.

A Japanese newspaper published
here has bitterly attacked the Korean
home minister, Yi Yung Tai. The lat-
ter's sale of offices angered the prime
minister, Cho Pin Sik, and a quarrel
impeachment and resignation. The
Japanese authorities take action against
Yi Yung Tai.

GEORGIA DEMOCRATS.

They Differ About Instructing
For Parker.

Atlanta, Ga., June 1.—The Democrats
of Georgia met today to nominate dele-
gates to the national convention and
to confirm the nominations of state or-
ganizations made at the primaries held
in April. The contest before the con-
vention will be between the nominees
of the various divisions in a final con-
test at St. Louis. The Democrats are
divided on the question of whether to
nominate a candidate to support Parker
or to support a candidate to support
the strongest candidate before the
national convention. The Democrats
are divided on the question of whether
to support a candidate to support Parker
or to support a candidate to support
the strongest candidate before the
national convention.

Judicial Appointments Made.

Washington, June 1.—After a confer-
ence with the president today, Atty-

Gen. Knox announced the following ap-
pointments: William M. Lanning of
Trenton, N. J., to be U. S. district judge
for the district of New Jersey. Mr.
Lanning now represents the Fourth
New Jersey district in the house of rep-
resentatives, and succeeds the late
Judge Andrew Kirkpatrick.

Edward A. Mann of Las Cruces, N. M.,
to be territorial judge of the New
Mexico supreme court. This is a new
position created by the last session of
Congress. The appointment was recom-
mended by the Republican organiza-
tion of New Mexico.

MINERS AND PROHIBITIONISTS.

They Would Nominate Him if
Identified With Them.

Chicago, June 1.—Oliver W. Stewart,
chairman of the National Prohibition
committee, said today:

"Gen. Miles would without a doubt be
nominated by the Prohibitionists at In-
dianapolis, June 25, if he were known to
be identified with the Prohibition party.
His record in opposition to the army con-
gress is one of which the Prohibitionists
are proud. They confess to a great admi-
ration for him. If he were to state pub-
licly that in the coming campaign, as a
patriotic citizen, he would affiliate with
the Prohibition party and support its de-
tails, my judgment is that there would be
no other name proposed in the national
convention. However, Gen. Miles has
made no public statement to the effect
that he intends to co-operate with the
Prohibition party. He has suggested
that we propose to our convention unit
after the national Democratic convention
at St. Louis on the ground that possibly
the Prohibitionists will take such action
as to make a nomination by the Prohibi-
tionists unnecessary. This is unsatisfac-
tory to the rank and file of the Prohibi-
tion party. We are confident the Demo-
crats will make no such move and propo-
se to go ahead with our convention and
make our nomination. Gen. Miles is not
willing to make an open public state-
ment to that effect. It has become the
settled conviction of the most thoughtful
Prohibitionists that we must look else-
where for a nominee. It is generally
believed that the convention at Indianapoli-
s will be more largely attended than any
Prohibition party has ever held by the Pro-
hibition party."

MINERS AND LABORERS.

Committee's Report on Affiliation
Of Two Now Ready.

Denver, June 1.—The committee on af-
filiation of the Western Federation of
Miners and the American Federation of
Labor has completed its report and Secy.
W. D. Haywood of the Western Federa-
tion of Miners today presented the com-
mittee's report to the convention. The
report will be considered by the con-
vention this afternoon.

The morning session of the convention
was devoted to the consideration of a
proposal to increase the per capita tax.
The proposition was defeated, a majority
of the delegates declaring themselves in
favor of assessments, when necessary,
rather than an increase of the per capita
tax.

Canvassing Typographical Notes.

Indianapolis, June 1.—The election board
of the International Typographical Union
began today the canvass of the vote of
the union for international officers. Six
hundred and twenty-six unions have been
heard from. The canvass will take sev-
eral days.

All Trains Running.

Topeka, Kan., June 1.—A St. Fe rail-
road official reports all the trains
running today over the scheduled routes
as usual, save one stretch of flooded track
between Leawards and the junction at
Manhattan branch. The Kavy river at
this point is rapidly resuming its normal
condition.

Heavy Rain in Kansas.

Kansas City, June 1.—Two inches of
rain fell in southern Kansas today, and
it is probable that all streams which
had been receding in the past few days
will again rise and overflow their
banks.

Hutchinson, Kan., June 1.—This sec-
tion and all southwestern Kansas were
drenched by a heavy rain accompanied
by hail. Between Bucklin and Meade
on the Rock Island road hail did much
damage to crops. Hail broke nearly
every window in the north side of an
eastbound Rock Island train and bro-
ken glass cut several passengers. Miss
Foster, of Fowler, was so severely cut
that a physician's attention was neces-
sary.

OKLAHOMA DEMOCRATS.

Determined Fight Will Be Made
Against Hearst Delegation.

Anadarko, Ok., June 1.—Before the
Oklahoma Democratic territorial con-
vention, to elect six delegates to the
national convention, was called to order
today, the indications were that a
determined fight would be made against
the Hearst delegation. The strength
of the delegates for and against in-
structions for the New York, how-
ever, seemed to be about evenly di-
vided. Leslie G. Niblack, editor of the
Oklahoma Herald, leads the Hearst fac-
tion. The argument against instruc-
tions is made principally on the ground
that Oklahoma, fighting for statehood,
would have itself liable to attack of the
 Hearst faction and they were de-
feated.

MOHONK CONFERENCE.

Tenth Annual One on Interna-
tional Arbitration Opens.

Mohonk Lake, N. Y., June 1.—The
tenth annual conference on interna-
tional arbitration opened here today
with a large attendance. The first
business of the conference was the
reading of a letter from the prime
minister of the United States, Mr.
Theodore Roosevelt, who was chosen
to preside over the conference.

A review of the year in the history
of arbitration was made by Dr. Benja-
min F. Trueblood of Boston, secretary
of the American Peace society.

Mail Steamer Korea Quarantined.

Yokohama, June 1.—The American
mail steamer Korea from Chinese
ports is quarantined at Kobe, owing to
having a suspected case of plague on
board. The sick person is a cabin
passenger, Mrs. Palmer. The steamer
probably will be detained 10 days.

Third Asst. Secy. of State Herbert
H. Pringle, who has been inspecting the
United States consulates in the far
east, is a passenger on board the
Korea.

St. Louis, June 1.—The Indian gov-
ernment school and exhibit were for-
mally opened at the world's fair to-
day. Fifteen hundred invitations were
issued to exposition officials, foreign
and Indian government officials, and an
elaborate program of Indian games
and sports was carried out. The games
were played by the older Indians and

VATICAN ETIQUETTE.

Those Having Audience With
Pope Must Kneel.

Rome, June 1.—The Vatican authorities
have given the strictest notice to those
who request people for audiences of
the pope that they must guarantee that
such persons will conform to Vatican
etiquette in kneeling and kissing the
hand of the pope. This notification was
issued as a result of the conduct of some
Americans, a few weeks ago, who refused
to kneel when the pope appeared.

MICHIGAN DEMOCRATS.

Canvass Shows Delegates Are
Against Hearst.

Detroit, June 1.—Shortly before the
opening today of the Democratic state
convention to elect delegates to the na-
tional convention at St. Louis, it was
stated by a prominent anti-Hearst lead-
er that a canvass had been made of the
county with the result that 80 per
cent of the delegates were found to be
against instructions for the state dele-
gation. The same tabulation showed,
according to the informant, a predomi-
nant sentiment in favor of the unit
rule and 75 per cent of the delegates to
be anti-Hearst.

Lewis G. Stevenson, a Hearst leader,
stated on the other hand that six of
the 12 congressional districts were solid
for the Hearst column and that there
was little doubt of the Hearst de-
legate being able to carry another dis-
trict, making seven for instructions for
Hearst.

William E. McKnight of Grand Rapids
made the claim that the Hearst sym-
pathizers would elect 14 out of the 24
district delegates and at least two of
the four delegates-at-large.

The convention was called to order by
State Chairman Barkworth. He an-
nounced Representative Laton T. Hem-
ans as temporary chairman.

Fujii is aground on a reef off the Miao
Tao islands, between the Kwang Tung

is being guarded by torpedo boats.

NEBRASKA DEMOCRATS.

Only Contest is for Delegates at-
Large.

Omaha, June 1.—Nearly all of the
1,600 delegates to the Democratic state
convention arrived at the early morn-
ing train and the district con-
ventions were held early. William J.
Bryan, to whom everybody looked as
the central figure of the convention, did
not arrive until noon, although the Lin-
caster delegation came in earlier.

Former Supreme Court Justice Sulliv-
an announced that his recent endorse-
ment for the vice presidential nomina-
tion by his party in Nebraska was un-
authorized by him, and he stated that
he would be forced to withdraw his
name if it should be presented in the
convention.

The convention was highly expected
to divide on any question, the contest
being for delegates-at-large, three of
whom, Mr. Bryan, C. J. Smith of Oma-
ha, and W. H. Thompson of Grand Is-
land, the last Democratic candidate for
governor, were practically settled to or-
der before the convention was called to or-
der.

During the forenoon the district con-
ventions selected the following dele-
gates to the national convention:

First district, J. A. McGuire and
Frank McGuire.

Second district, John A. Creighton
and W. H. DeFrance.

mine Range of the United States Steel
corporation mines, has left for Negaunee
on a special train with a crew of

Hudson of Negaunee, supposed to be

MORE TROUBLE AT HANGING ROCK.

Gov. Herrick Orders Four Com-
panies of Militia to Proceed
There.

BOTH SIDES HEAVILY ARMED.

Cause of Trouble is Attempt to Sup-
ply Strikers' Places With
Non-Union Men.

Columbus, Ohio, June 1.—Four com-
panies of militia were today ordered
to proceed to Hanging Rock, near Iron-
ton, on the Ohio river.

Gov. Herrick ordered out Company
K, of Portsmouth; Company L, of Iron-
ton, and two companies from Gallipoli
and Manchester. Col. C. Thompson
will assume command. The compan-
ies left at once for Hanging Rock on
a special train.

CAUSE OF TROUBLE.

The trouble at the furnaces in the
Hanging Rock district is due to the at-
tempt to supply the places of strikers
with non-union men, many of the lat-
ter being colored. For some days both
sides have been heavily armed and
there have been several collisions but
few casualties considering the extent of
the shooting.

IS THIS KINGSLEY?

Provo Man Thinks He May Have Dis-
covered Missing New Yorker.

The item in last night's "News"
concerning the mysterious disappearance
of Hunter Kingsley, a wealthy
New Yorker, for whose apprehension a
reward of \$10,000 is offered by relatives,
may be the means of determining the old
gentleman's whereabouts. In this connec-
tion the "News" today received the fol-
lowing from W. W. Hyde, proprietor of
the Hyde House at Provo:

Provo, Utah, May 31.—Having no-
ticed in this evening's "News" an article
concerning a wealthy New Yorker whom
strange Lake detectives were searching for,
I was quite forcibly struck with the same.
Last Sunday night an old gray-headed
man came to my place of business for
supper and bed. He was rather a curious
looking man, and I was anxious to know
something about him, but failed to learn
much as he was so busy. I soon learned
or noticed, however, that he was some-
what of a dandy. Upon taking him to my
room, he said he wished it perfectly pri-
vate that he had lots of enemies and four
times they had tried to assassinate him.
He stated that he had been from New York
and was a wealthy business man, that he
had lost two fortunes and was endeavor-
ing to avoid his enemies, who he thought
he had lots of money. At this point our
conversation had to cease, and I was
anxious to know more but did not. He
claimed to be 80 years old but I would
judge he was 90 or so. He carried a kimp-
ack on a stick across his shoulder and
an old cane.

I don't know whether this information is
worth anything to those who are search-
ing for him, but I have thought considerable
about the old gentleman.

Yours respectfully, O. W. HYDE.

AFTER GLORY.

Z. C. M. L. Ball Tossers Are Out With
A Wide-Sweeping Challenge.

The employees of Z. C. M. L. are tak-
ing a great deal of interest in baseball
these days. They have organized a
team composed of some of the best
amateur players in the city, all how-
ever, employees of "Utah's Greatest De-
partment Store." They are willing to
maintain the high standard of the "big
store," on the diamond, and are very
anxious for competition. Mr. Ad-
am Proctor has been selected to manage
the team, and he is more than willing
to accept the challenge of any and every
organization of ball tossers representing
any business house in the city or state.

THE COUNTY'S POOR.

There Were 735 Who Received Public
Assistance During May.

The report of Pauper Clerk James
Sabine of the board of county commis-
sioners, shows that the sum of \$1,566.25,
was paid out during the month of May
for assisting the indigent of this county.

There were 250 families, consisting of
735 persons, who received aid. Of the
total number 225 families, or 675 per-
sons, reside within the city limits and
23 families, or 108 persons, reside in the
county outside the city limits. The
average amount to each family is \$6.25,
and the average to each person is \$2.11.
In addition to the total amount paid
out, the county also appropriated \$50
to the G. A. R. for its Memorial day

WATER MEN MEET.

Only One of the Canal Company's Rep-
resentatives Makes Report.

There was a meeting of the general
water committee this morning, in the
office of the state engineer, Constitu-
tion building, to hear reports from
sub-committees. Instructions were con-
ferred with the different canal companies
relative to their pleasure in the proposed
government irrigation extension
scheme. Only one committee reported,
that from the Utah and Snake Canal
company, which represented the com-
pany as being entirely agreeable to the
plan of exchange of primary rights al-
ready accepted. The other committees
stated that there would not well be
an expression of opinion reported from
their various companies for the pres-
ent as that annual elections were pend-
ing in which there might be changes
in the directors.
