Driving Park Association Elects Officersand Arranges Baces for Labor Day - Police Court Notes,

Yesterday afternoon a fire occurred at Pleasant View by which about \$500 worth of damage was done. The fire broke out in the barn of Thomas B. lisin and spread to his haystacks, granary, wagon sheds, etc., almost totally destroying everything. There being no fire department in the town a bucket brigade was formed and did all possible to save the buildings, a ditch was also made around the buildings and water ran in it to keep the fire from spreading. What caused the fire is unknown, at first it was thought that a man who had been around Pleasant View for a few days had set it on fire as he was seen near the barn only a few minutes before the flames were seen. Deputy Sheriff Balley arrested the man on a telephone message from Pleasant View, but after he was interviewed by Mr. Helm, it was decided that he was of guilty of the affair so was released. The builings were partially insured,

Crops Much Better Than Looked For - A Widow's Severe Affliction. Special Correspondence.

Clarkston, Cache Co., Aug. 15 .- Harvesting is almost through and thrashing has commenced. The yield of grain is better than was anticipated some weeks ago. On the high land the yield in quality and quantity is good, notwith-standing the dry spell we have had.

We are having much wind of late, mak-ing it bad for heading the grain. We were called upon Monday night, Aug. 13th, to mourn the loss of Agnes F. Jardine, who succumbed to typhoid fe-ver. She was a gentle and lovely child eleven years and four months old. She was the granddaughter of our Bishop John Jardine, and daughter of Mary E Jardine. The affliction is a severe one Jardine. to her widowed mother, who has lost all her family now but one little girl. She has the sympathy of the whole community in her bereavement.

"WAX" PROPOSITIONS.

It begins to look as if the "wax" properties of the county and also those of Utah county, up in the neghborhood of Utah county, up in the neghborhood of Colton, were to come to the front in a substantial manner. Bert Seaboldt will be at Colton the early part of the week, where he goes in the interest of the Joe Leiter crow of Chicago to re-port upon several things which have all along looked good to the owners. Through here, Mr. Seaboldt will extend his trip to Sunnyside, where he will examine the eighty-foot ledge of gilson-ite being worked by George C. Whiteraging for several days.
