One of the liveliest contests played on the Glenwood Park diamond was witnessed by nearly 300 Ogden fans yesterday afternoon. It lasted eleven innings and would have been going but for Umpire Dick Richards, who called the game on account of darkness. The score then stood five to five, but the great wonder is that the White Wings were not ignominiously defeated.

Evans' pitching was of the shut-out order, but his support was simply rank, bad enough to disgust any pitcher. His work was steady and cool all the time and he had the best of Meredith all the way through. During the eleven innings seven hits were scored against him but three of them would have been worthless had the infield been awake.

For five innings Evans chopped the enemy down without any assistance. But three men faced him in each of those innings and they were retired as fast as they came up. In the ninth inning he smote out a hit for three bases and brought in the run which tied the score. Had Evans been given the support accorded to Meredith at critical stages, the game would have been his. Meredith's work was of a high order until the closing inning, when he let down a bit and was hit quite freely. "Kid Buck" Weaver was the shining light among the hitters, making three clean hits all by himself. Platter Gilman also did some fine hitting and took good care of the middle garden.

DUCKS WERE SLAIN.

Hunters Return With Bags Full of Game.

The duck hunters returned to the city last night feeling well repaid for their trouble. But few had reason to complain over their failure to secure a few ducks.

Mallards were rather scarce but teal and pintails were plentiful.

Scores of hunters admitted they reached the ponds by law but not one could be found who would admit he killed over 40 birds.

Following are the names of some who made good hauls: Cal Callison, 40; A. F. Callison, 40; Steve Love, 40; J. J. Yard, 32; J. Mitchell, 37; Jack Sharp, 30; Joe McKinnis, 27; I. M. Higley, 30; R. Walker and Sharp Walker, 30.

Among the good kills reported are Sheriff Taylor, 25; Leon Mollinell and J. W. Chandler, 25; John Clark, 15; Litchfield and Boes, 50; George Hardy and companion, 75.

LONDON COMMENT

Upon the International Yacht Races—Some Are Prejudiced.

New York, Oct. 2.—Commenting upon the international yacht races the London correspondent of the Tribune says: There is a marked subsidence of interest in the races. The comment now centers upon the evil chance by which the strong and steady wind prevailing on Monday was lost and the yachts were remanded to feeble puffs and light airs and denied the opportunity of showing their real merit. The English yachtsmen may no secret of their own prejudice against the Sandy Hook course, as fraught with uncertainty and disappointments.

They were eloquent in explaining the benefits which will be derived from the capture of the cup by Sir Thomas Lipton, since the conditions of the international contests will be transformed by the transfer of the scene of rivalry to British waters, where the challenger will have plenty of wind and also the privilege of sailing against a fleet, in place of a single defender. They forget that the island did not have all the wind that she needed in racing on the Clyde and the Solent. They speak by book, however, when they assert capture of the cup will be followed by new conditions of racing which dictated under the deed of gift of the New York Yacht club.

COLUMBIA THE FAVORITE.

Prevailing Odds Appear to Be Two to One.

New York, Oct. 2.—The Tribune is authority for the statement that the prevailing odds in the international yacht race appear to be about 2 to 1 on the Columbia. A few large sized bets are reported, however, McIntyre and Marshall announce that they have wagered \$10,000 on Columbia against \$4,000 placed on Shamrock II by persons whose identity they declined to disclose.

Among other bets reported was one by Jos. Corvan of Jos. Corvan & Co., who placed \$1,400 to \$1,000 on Columbia for the race yesterday.

THE ABBOT FAILED.

Made an Attempt to Lower World's Record—Time 2:04½.

Terre Haute, Ind., Oct. 1.—The Abbot made an effort to give the world and track a new record, but could not do better than 2:04½. The first quarter and the half were made in good time, but he broke on the home stretch.

The feature today was the record of 2:04 made by Harold H., the little Canadian horse. The first half was made in 1:04 and the last half in 1 minute and 10 seconds. The time was 2:04, with third quarter in 23 seconds. Summary:

2:07 pace, \$1,000 (continued from yesterday)—Harold H. won in straight heats. Best time, 2:04.

2:08 pace, \$5,000—Audubon Boy won in straight heats. Best time, 2:04½.

2:09 trot, \$1,000—Pereno won first, third and fourth heats. Best time, 2:11½. Torgales won second heat in 2:08½.

2:10 pace, \$1,000—Little Swag won in straight heats. Best time, 2:06.

2:18 trot, \$1,000 (unfinished)—Galbeater won second and third heats. Best time, 2:11½. Dartmore won first heat, Time, 2:11½.

LORD DERBY VS. BORALMA.

Match Race for \$5000 a Side—Best Three in Five.

Lexington, Ky., Oct. 1.—Secretary Horace Wilson of the Kentucky Trotting Horse-Breeders' association, authorized by Thomas W. Lawton, tonight issued a challenge to Harry Hamilton, for a match race between Lord Derby and Boralma, for \$5,000 a side, best three in five, the race to be decided over the Lexington track one week after the match race between the

Abbott and Boralma is contested, which would set it on October 16th.

In a challenge sent tonight to Mr. Hamilton, Secretary Wilson adds: "Should the Abbot from any cause be prevented from meeting Boralma, and you should accept Lord Lawton's challenge on behalf of Lord Derby, the race will be set for the date of The Abbot-Boralma race, on October 16th, and in such case the association will add to the stake the \$10,000 originally set aside to be added to The Abbot-Boralma match by its winner, of course, to take all."

The special match race between Cress and Charlie Herr, on the programme for the second day of the coming meeting of the Kentucky Trotting Horse-Breeders' association, has been declared off by the board of directors, who tonight issued a statement in part as follows:

"It is now Mr. Lawton's judgment, after waiting until the last practicable moment, hoping for some conditions, that the comparative form of the two stallions is such that a race between them would be a farce. He has therefore declined to donate \$5,000 for such a race."

LESTER REIFF SHUT OUT.

Stewards of Jockey Club Withdraw His License.

Newmarket, Oct. 1.—The stewards of the Jockey club today voted to withdraw the license of Lester Reiff, the American jockey, and to warn him off Newmarket Heath. This latter penalty is generally only imposed upon welchers.

The action of the Jockey club followed a hearing of testimony on the accusation of Reiff of suspicious riding of William C. Whitney's De Lacey Friday last, when that horse was second to Richard Croker's Minnie Dee, ridden by J. Reiff, in the race for the New Barnes plate. Huggins, Mr. Whitney's trainer, told the stewards that he had not seen anything wrong, and that having trained the horse, he had watched him closely throughout the race, especially at the finish. Wishard, Mr. Croker's trainer, gave similar testimony.

Some of the English jockeys and others gave it as their belief that Reiff pulled the horse.

Following the announcement that Mr. Whitney will withdraw from the Newmarket turf, it is said here today that Mr. Croker will leave English racing alone after the present season. Wishard, however, says he has not received any instructions on the subject.

It is understood that Corrigan's license will not be renewed next year, but the rule recently adopted, no more trainers will be licensed.

American Jockeys Win.

Newmarket, Eng., Oct. 1.—Five of the events on today's racing cards were won by jockeys from America.

Philadelphians won the two-year-old race, distance six furlongs, Semper Vigili, ridden by Charley Thorpe, won the Trinitian plate stakes, distance a mile and six furlongs and two hundred and three yards. Edme (Maher) won the Visitor's plate, distance five furlongs. Armach (J. H. Martin) won an all-age selling race, distance six furlongs. Lure (Thorpe) won the First Nursery handicap, distance five furlongs.

Visiting Team Entertained.

New Haven, Conn., Oct. 2.—The Oxford-Cambridge track team accompanied by several Harvard men, has arrived here. After a visit to the university buildings the visitors are being entertained at the New Haven Country club by Walter Camp, Manager Gould and Capt. Sheldon of the track team.

Will Open November 2.

San Francisco, Oct. 2.—The directors of the New California Jockey club have decided to open the racing season at Oakland November 2, and continue about thirty days, after which racing will be held at Tanforan.

It has also been determined to insert the claiming clause of half of the selling purses and to eliminate it in the others, thus giving horsemen an opportunity to exercise their preference in such races.

Hereafter all jockeys and trainers will be required to make application for a license from the New California Jockey club the same as required by all other turf bodies and shall not be permitted to pursue their respective vocations on the California tracks until such license is granted.

The judges are not to have the power to suspend or rule off, but will report all cases to the board of stewards, who will act thereon.

SOCIAL AND PERSONAL.

Miss Caroline Yardley leaves tomorrow for Honolulu, where she will visit with her daughter.

Mrs. Mary J. Young will leave shortly for Honolulu, where she will visit with her daughter.

Mrs. Fred Christensen has gone to Seattle to join Mr. Christensen.

A. W. McCune has arrived in New York from his South American trip and is expected home within a few days.

The Misses Howat gave a shower party for Miss Josie Katz this afternoon.

Miss Minnie Marks, of Council Grove, Kansas, is visiting her cousin, Mrs. Glen Miller.

A Wife Says:

"We have four children. With the first I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of Mother's Friend before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hours' pains. This liniment is the greatest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. Mother's Friend equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard strains is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell Mother's Friend for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.
