

JOHNNIE CHAPMAN

THE FRONT

Another Fine Program of Bicycle Races at Salt Palace.

SAMUELSON BEAT HOPPER.

Five Mile Motor Race Won in 2:26—Starbuck Beat Best of the Amateurs.

The races at the Salt Palace bicycle track last evening will long be remembered as among the very best of the season. The riding of Johnnie Chapman, one time king of the saucer, was the most pleasing feature of the program and his excellent work in the final of the mile handicap evoked cheer after cheer from the spectators. Chapman certainly rode in his old time form and in a brilliant burst of speed distanced such men as Hoffman, Hopper and Samuelson in the final of the event. He was given 50 yards in the handicap, the scratch men being Hoffman, Hopper and Samuelson, while the other riders were strung along the track to the 30 yard mark which was given to Leyland. As soon as they were off, combinations were formed by the front men and the "scratches," and the fight was a warm one until the finish. On the last lap Chapman rushed around the track and immediately had a fight on with Jack Burris who tried to keep the lead. Chapman got ahead and Hoffman and Hopper worked hard to crawl up in the lead. When it seemed that the race was going at his best speed, he came down the track with a rush and crossed the tape by a good margin.

Another sensational finish was in the final of the half mile handicap amateur, when Starbuck surprised the bunch by one of the swiftest rides seen on the saucer this season. He was given 50 yards and from the crack of the pistol set out to win. He rode alone not depending on pace and just simply kept on going until the race was finished.

The five mile motor race was somewhat of a disappointment as Hopper's motor did not work well. It had been thoroughly overhauled for the race. Samuelson's machine carried off the honors, going the five miles in 2:26. The summary follows:

Final, mile post amateur—Burt Downing first quarter, Limberg second and fourth quarters, Agraz third quarter. Time—2:00 2-5.

Final, mile professional—Hoffman, Hopper, Chapman, Samuelson, Downing. Time—1:38.

Half-mile professional handicap—Chapman (50 yards), Burris (75 yards), Turville (65 yards), Leyland (90 yards). Time—3:25.

Final, half-mile amateur handicap—Starbuck (50 yards), Burt Downing (scratch), Bowers (55 yards), Johnson (110 yards). Time—3:25.

Half-mile amateur consolation handicap—L. Redman (30 yards), Banbridge (65 yards), Elzer (50 yards), Tate (25 yards). Time—1:00 4-5.

Five mile motor race, between Samuelson and Hopper—Won by Samuelson. Time—2:26.

BOTH LADS ARE READY.

Herrera and Downey Finish Their Training for Tomorrow's Bout.

Aurelio Herrera and Jack Downey have finished their training for their 20-round contest which is billed to take place at the ball grounds tomorrow night, and it is predicted by friends of the little fighters that the mill will be one of the fastest seen here for many months. Downey has returned from Ogden canyon, where he has been working and declares himself in perfect condition. The Mexican has had to do but little work to get himself in proper shape because he is billed to fight at 145 pounds. He is sure to give good satisfaction to the fight fans.

WILLIE LAID DOWN.

Had Enough of Tommy Ryan in Four Rounds.

Butte, Mont., June 30.—Amid the hoots and jeers of a crowd of 500 people, John Willie took the count in the fourth round tonight of what was to have been a 20-round contest. Willie was 20 pounds heavier than Tommy Ryan, but was totally outclassed. In the fourth round Ryan upped Willie with left to jaw twice in succession and followed with a right swing to head. Then he lapped Willie a light on the face at the jaw and Willie went to the floor for the count. Willie went out more from sheer exhaustion than from any blow inflicted. But few blows were struck with clenched gloves and the crowd was shouting yelling "fight" and "fakie." Willie's footwork was miserable, and his attempts to get at Ryan were so awkward as to be laughable. Ryan would hit Willie on the face at will and allow the heavy Chicago lad to exhaust himself trying to land.

ANOTHER WORLD'S RECORD.

At Washington Park Dick Wells Goes Six Furlongs in 1:11 4-5.

Chicago, June 30.—Dick Wells set a new world's record for six furlongs at Washington park today, running the distance in 1:11 4-5. He carried 109 pounds. The former record was 1:12, set jointly by Lax Costa and Summer. Dick Wells set the new mark under remarkable circumstances. He was almost left at the post. When the barrier flew up his head was turned and his rider not ready. He was fully a second behind his field at the start. The race was terrific, but Jockey Knight set out after the field. He closed the gap of about 10 lengths slowly, but surely, he saved ground on the turns and took the rail after entering the stretch. He advanced on the leaders at every stride and then hunched up with Runnels, who took him a winner. Dick Wells slowly overhauled him and won by three-quarters of a length. Taking the official time as a basis, Dick Wells ran the distance in 1:10 4-5.

Horsemen agree that he was fully a second behind his field at the start. The official time was freely disputed, as it was in numerous instances recently. There were dozens of horsemen who caught the race in 1:11 2-3. The set was a 6 to 5 favorite, and his feat of winning after so bad a start was duly applauded. The fractional time or the race is: Eighth, 1:14 4-5; quarter, 23 1-5; three-eighths, 34 4-5; half, 47 1-5; three-quarters, 58 4-5; mile, 1:11 4-5. Dick Wells is a 3-year-old bay colt by Ling Erie-Tassover, and is owned by J. I. Respos of Cincinnati.

Tomorrow night Herrera and Downey clash for twenty rounds at Ball Park.

Interest in the Mexican and Downey contest tomorrow night is keen.

Forbes Whipped Again.

Memphis, Tenn., June 30.—Johnny Reagan of St. Louis defeated Clarence Forbes of Chicago in the seventh round of a 20-round fight tonight. The contest was held on the Mississippi river in a floating arena of the Memphis Athletic club.

HANLON-YANGER DRAW.

California Boy Held His Own Against Tough Little Benny.

San Francisco, June 30.—The Hanlon-Yanger go at the Mechanics' pavilion tonight ended in a draw at the end of the 20th round. Referee Eddie Smith began unable to choose a winner between the game little featherweights. The fight was one of the fiercest ever seen in this city. Both men fought with a vim from the top of the bell in the first round until the referee gave his decision.

So hot was the fighting during the first stages of the battle that it seemed to foretell a quick victory for one or the other of the contestants. But neither was able seriously to injure the other, and the contest lasted the limit.

In Eddie Hanlon, Yanger met one of the greatest little fighters it has been his lot to go against, and in Yanger Hanlon doubtless met the strongest little man in the featherweight division today.

From the first to the ninth round Yanger had slightly the better of the contest. He led the Californian on and by clever straight leads for the head occasionally broke through the crouching guard which is known as a creation of Hanlon's throughout the pugilistic world. In the ninth round the tide turned in favor of the Californian. In this round by a series of lefts and rights to the head and occasionally short arm blows to the body Hanlon had Yanger in a groggy condition.

In the 15th and 16th rounds Hanlon's lead was a decisive one, but in the 12th Yanger recuperated and at one time seemed to have him at his mercy, but the local lad was too clever and by good generalship stalled off until he was able to win a victory for the Chicago boy.

From the 14th to the 20th, inclusive, Hanlon had the better of the fight, on more than one occasion having the Chicago lad all but out and willing to hang on at the slightest provocation. The decision of the referee was a popular one with the crowd, which showed its approval by a great burst of applause.

In the 17th round the first knockdown of the fight occurred, Hanlon putting a terrific right to Yanger's jaw, sending him through the ropes. Yanger was quickly on his feet, but the little Californian was after him with both hands and had his opponent almost out when the bell rang. Yanger's fighting on several occasions met with the disapproval of the crowd. He struck low a number of times during the fight, and was once warned by the referee. Whenever he seemed to be getting the worst of the battle he set himself against Hanlon, rushed him against the ropes and twice almost had the Californian outside the ring.

After the contest Johnny Hertz, Yanger's manager, stated that the man disabled his right hand in the seventh round of the contest and was obliged to fight a strong and clever little man with one hand. Hertz offers to match his man again with the Californian, and states his willingness to bet \$5,000 on the side that Yanger will be declared the winner. Hanlon was seen in his dressing room after the contest and stated that Yanger was the strongest and toughest little man in the world at his weight and the best fighter he has ever met in the ring. Hanlon says that at no stage was he at all uneasy or hurt, and that he will be glad to make the Chicago boy again before the club offering the best purse.

Herrera says he will box Young Corbett in Salt Lake if he defeats Downey tomorrow night at Base Ball Park.
