shows about a seek and a seek at they would have surmined that show Peters fall in loves with but the very woman of all others whom he sough never hear given a thought to—to other words, presty little Mare Roberts and the seek at the

east they know about ill They are inmother room.

Peters irrew that he had no right to
think about that girl during hadeness
hours. He was paid to think about the
old man and his affairs, which were not
nearly so interesting. But Peters was
conscientions, said he tried to do his
duty. Nevertheless the chances are
that unconsciously little Mis Saide occuppied some small portion of his mind
that should have been given up to the
concerns of Bentham Bres. & Co., and
her pressures where she had not the
slightness business to be threw the rest of
his mental unachinery out of gear.

It is very generally admitted mee that
who affair had been a successful to
who affair her given him the credit of
very as Johnson puts it. She claimed
that which about the could manage her
all right enough up to a certain point,
yet in this particular mather she per
