AT BIGGER SALARY

take T. Raleigh Re-Appointed Street Supervisor and Watermaster by Council.

NEW COAT OF WHITEWASH.

good and Black Contract a Case of Cold Feet-Vinduct Blue Prints Are Not Official:

alled to Jake T. Raleigh by the counjust night he was reappointed street ervisor and watermaster at an adout salary, despite the efforts of cilmen Black and Wood. In the place the report of the committee ed to investigate Raleigh of the one that he had misappropriated the hers of the old White bridge, exand him. Black and Wood opposed adoption of the report but they the only members to vote against hen when the ordinance came up ng an increase in Raicigh's sal-wood objected to the passage of it. paved from the auditor's books taleigh had purchased about \$1,400 haleigh had purchased about \$1.000 at of rand from his own firm. Hake a Harmon, at the rate of 25 cents load, which was puld for by the in an effort to cover this up the were presented by B. Young, who sployed by Ruleigh & Harmon, i declared that Raleigh was beneby the sales of this gravel and which was contrary to the statule, o the vote was taken by the council.

which was contrary to the statute, if the volc was taken by the councod and Black were the only ones voted against its passage, or suffered an attack of "cold feet" ver, and did not present the pear which had been circulated in the rand Second wards asking for give removal. This petition was do by 200 names and many of the resented. Wood and Black left cancil chamber immediately after and were not seen during the resent were not seen during the reand were not seen during the render to the meeting.

BLUE FRINT NOT OFFICIAL.

he blue print showing the location of foot viaduct constructed by the he foot viaduct constructed by the bregon Short Line depot at South Tember was not official, according to a communication sent to the city engineer by Chief Engineer William Ashon and submitted to the council last light for consideration. It is held by the railroad company that while the blue print did not set forth the location of the foot viaduct on the north line of South Temple street that the franchise gave them the right to put it on an about the north line of the street.

Mme Yale's Almond Blossom Complexion

Cream

A Great **Toilet Luxury**

Cleanses, softens, purifies whitens and beautifies the Skin. Soap and water only cleanse superficially.

Mme. Yale says: A little Almond Blossom Complex-ion Cream should be ap-plied every time the face and hands are washed. It removes the dust, soot, grime, smut and smudge from the intersitions of the skin and makes the sur-face smooth and soft.

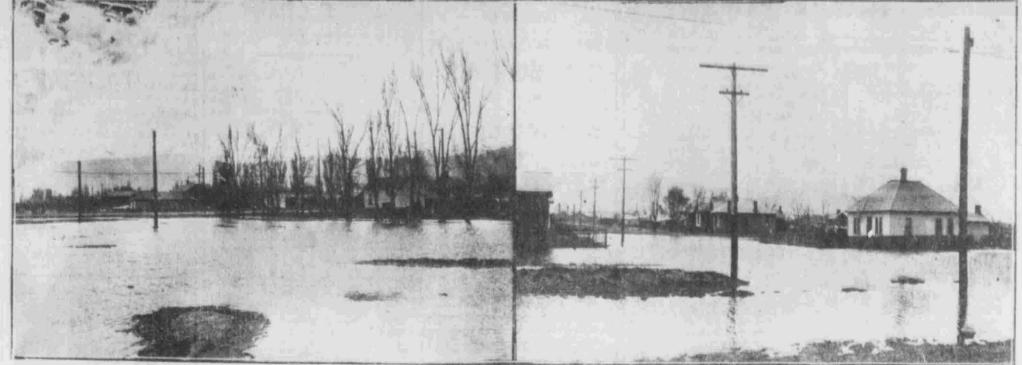

A daily necessity at home and road; a treasure when travel-og by land and water. Excellog by land and water. Excelion for allaying abnormal redheas of the nose or any form of
inflammation; also chafing, cold
sores, fever blisters and all irritation of the skin. It gives
prompt relief to burns, takes the
fine cut quickly, soothes, heals
and prevents scars and suppuration. Indispensable for use of
infants and every member of the
bousehold. An exquisite toilet

tee on municipal laws to discuss the letter and report on the proper action the council ought to take to have the foot viaduct removed to the location the council decided upon.

SPECIAL ASSESSMENTS.

The new law regulating the payment of assessments for special improvements will go into effect May 10, and the city attorney submitted ordinances providing for notices of special assessments. Under the new law the installments can be collected as soon as they are due and are a flen on the property and may be foreclosed immediately. The old law previded for a foreclosure five years alter the lustallments fell due and the ter the installments fell due and the contractors had trouble in disposing of the city's warrants. The ordinance was hild over one week.

BAIL COMMISSIONERS.

The mayor's appointment of Chief of Police Samuel M. Barlow, Desk Sergeants John A. Lingi, Joseph Pugsley, and A. Z. Spears as ball commissioners were confirmed. They have the power to fix the ball of prisoners brought to the city Jail.

The institut of Councilmen Perry allowing the board of public works to secure the permission of the mayor to order extra work and then certify such action up to the council for its approval at the following regular meeting was approved. This was done so that the board sould go ahead and do emergency work without having to wait a week for the approval of the a week for the approval of the

The meat inspection bill did not come up for discussion and the milk ordinance was laid over another week.

The payrolls for the first half of the month of April amounting to \$4,638.24 were approved.

At Request of Mayor Contractor Will At Request of Mayor Contractor Will As Court Court

"She hit me first an' I hit her back, explained William Teuscher, charged with battery upon his wife, Annie Teuscher, The complaint stated that Temscher struck his alleged better half

complainant and the accused has been discharged.

The proceedings before Judge Bowman in this case were no exception to the rule and Prosecutor Rogers frankly stated that the man was justified in striking the woman. He sad that Mrs. Truscher hit her alleged lord and master a crack on the side of the head with a dictionary. Unable to use words any faster she threw a double decker Webster at him and it landed. She started to follow up her advantage when Tenscher slapped her in the face and then departed while his shoes were good. Mr. Rogers, the prosecuting attorney, asked that the accused be discharged and the order was made.

John Obresk, the man arrested on the 10th of this month for vagrancy, was tried in Judge Bowman's court pasterday afternoon, was found guilty and the case continued until Friday. In the meantime the county authorities will make an investigation as to the man's condition and try to determine whether he is saine of not. Atty, Rogers says he is sainsied that the limbpin of the man's condition and try to determine whether he is saine of not. Atty, Rogers says he is sainsied that he called at their homes and "cussed for food" or rather cussed because he dight get any.

"Do you want to be zworn?" asked Judge Bowman.

"No: I don't know yot you mean as I haf a poor memory," replied Obresk.

"I mean do you want to testify?" explained the court.

"Oth, my memory is poor on dot, too."

"I think ha's crazy," and Mr. Rogers to the court.

"Oo, wied Obresk. "How could I pe yen I hatt 184 und you sent?" asked Judge Bowman.

"No: I don't know yot you mean as I haf a poor memory," replied Obresk.

"I mean do you want to testify?" explained the court.

"Oo, my memory is poor on dot, too."

"I think ha's crazy," and Mr. Rogers to the court.

"No," wried Obresk. "How could I pe yen I hatt 184 und you sent?" asked Judge Dalmer made a strong plas for him and declared he did not see why the man should be punished when bundreds of thousands af Americano do worse every Fourth of July as a means of letting the worl

Complete Outlet Sewer.

P. J. Moran, contractor, will take over the oullet sewer contract today at the request of Mayor Bransford in the face, but imamuch as he declared emphatically. I hit her back, the latter statement went. This is not the first time the Teuscher's troubles have been alred in the criminal division of the city court and in each instance Teuscher has been the defendant, Mrs. Teuscher the complainant and the accused has been discharged.

The proceedings before Judge Bowman in this case were no exception to the City Engineer Kelsey and H. G. Mc-Millan, chairman of the board of public works, and complete it. The contract which was originally given to the Campbell Building company was cancelled yesterday and there is still due them about \$5,000 which will be

withheld to pay Moran for his work. withheld to pay Morain for his work. Under the piesent agreement, Morain will re-inforce the pipe with concrete where it passes under the radirord tracks at Sixh West street and place alr vents at intervals along the pipe line. A gang of men under the direction of Frank Gaveans, foreman for Morain, was put to work this morning stopping the leaks.

When this work is completed, the pumps can be operated and the sewers in the western part of the city can be completed and the work commenced on the lateral sewers which were ordered and puld for over a year ago.

BAD DREAMS.

Indicate Improper Diet, Usually Due То Сойсе.

One of the common symptoms of coffee poisoning is the bad dreams that spoil what should be reatful sleep. A man who found the reason mays:

"Formerly I was a slave to coffee. I was like a morphine flead, could not sleep at night, would roll and toss to my hed and when I did get to sleep was disturbed by dreams and hobgoblins, would wake up with headaches and feel bad all day so nervous I could not attend to hushness. My writing looked like bird riscks, I had indigestion, hearthart, and palphatian of the heart, coustipation, irregulacity of the kidneys, etc.

the heart, constituted and palphatical of the heart, constitution, pregularity of the kidneys, etc.

"Indeed, I began to feel a had all the treathles that burnan flesh could suffer, but when a friend advised me to leave off coffee I feet as if he had insulted me. I resuld not bear the idea, it had such a hold on me and I refused to believe it the charge.

"I finally consented to by Posture and with the geoing of coffee and the conting of Posture all my troubles have gone and health has returned.

"I sat and sleep well now nerves steaded fluxy and I write a fair hand tas you can seed, can attend to business again and rejoice that I am from from the mension Coffee."

Ten days trial of Posture in place of coffee will bring aboud, restful, refreshing sleep. "Therm's a Reason."

Look in pages, for the famous little book. "The Hoad to Wellville."
