DISTRICT COURT SESSION. Divorce, Criminal and Other Cases Disposed Of.

Special Correspondence,

Price, Carbon Co., June 10 .- The May term of the Seventh district court convened here yesterday. In the morning there were between 30 and 40 cases on the calendar, but by the closing of court in the evening, through dismissals, continuances and stipulations it was trimmed so that the whole matter will probably be disposed of by the end of the week. But one criminal case is to be con-

sidered, that of the State of Utah vs S. A. Hendricksen for assault and battery. The testimony in this case was all taken yesterday afternoon, submitted without argument, considered by the jury and a verdict returned of guilty as charged. It came to this court on appeal from the justle's court of Scofield. The testimony developed that there was very little if any merit in the case, the only aggressions per-petrated by the defendant consisting in shaking his fist at an intruder and endeavoring to push him out of his, defendants's, store. Sentence will be imposed Thursday morning at 9 a. m. In the case of the State vs Charles Eabbet, charging the defendant with having robbed a man on the train, the complaining witness did not appear and the matter went over on request of the district attorney. During his travelin about and afterwards his camping upo his claim, he encountered much bad water, which, together with the severe water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case be-came so bad he expected to die.
