Des 1905 MALE LAKE CITY.

President McAllister occupied the time in showing the difference in our position now, and when we first came to Utah. Now we need bolts and bars to our doors; then every-thing was safe without them and this is the result of so-called "Chris-tianity" in our midst. Spoke on the ordinances in the Temple of the

August 28th, 10 a,m.

After some business pertaining to the Stake had been disposed of, Prest. McAllister continued his discourse on the labors of the Temple.

Agre to be 60 feet in diameter each, the flanges or paddles being each 18 to beat the best ocean time at least two days, and declares that his vessel will be both safe and comfortable. He is well satisfied with the labors of the Temple. course on the labors of the Temple.
Also spoke on the follies of Babylon and the Latter-day Saints trying to

ape them.

The afternoon was occupied by a number of speakers. Presidents Crosby, Steele and Henrie gave the closing remarks. Conference was adjourned for three months, to meet in Panguitch.

Thus ended one of the most interesting conferences held in this Stake. Respecefully, M. M. STEELE, Clerk.

Correspondence.

Death of a Pioneer Lady.

SNOWFLAKE, A. T., Aug. 12, 1881.

Editor Deseret News:

Yesterday the citizens of this place were called to mourn the loss of one of their beloved members, Sister Margaret Jane Keartchner, wife of Wm. D. Keartchner, and daughter of Jacob T. Casteele and Sarah Nolan, who departed this life at 11 a.m. after a short illness of seven

The deceased was born in Cooper co., Mo., Sept. 1, 1825. She was married to Wm. D. Kearchner in 1844, and with him passed through NERVES are BRACED, the BRAIT the many trials and privations con- NOURISHED, and the BODY RO nected with the exodus of the Saints | BUST. Try this Remedy fairly and yo they reached the Pueblo, Col. where they spent the winter, and on the opening of spring pursued their journey, entering Salt Lake City with the Pioneers on the 24th of July, 1847.

She accompanied her husband to California who went there under he direction of Apostles Rich and Lyman in 1851, and returned to Utah in 1858, locating at Beaver. Her husband being called to go to the Muddy she again started to assist in building up another new settlement, and remained there until that place was abandoned, when they moved to Panguitch, where they remained until called to Arizona, where they moved in

She was the mother of 11 children, eight of whom are living and were present at her death, with one exception. She was the first of her father's family to join the Church, and has ever proved a faithful and worthy Latter-day Saint She was a kind and affectionate mother, a loving and dutiful wife. The funeral ceremonies were held

to-day, in the Snowflake Schoolhouse, at 11 a.m., at which instruc-tive and consoling remarks were made by Elders S. H. Rogers, J. N. Perkins and Bishop John Hunt. The deceased leaves a wide of cle of relatives and friends, who will deeply mourn her loss. Your brother in the gospel, JOSEPH FISH.

The Law in Leadville.

IOW THE DISCOVERER OF A KICH MINE WAS DEFEATED BY THE

He was on his way home from Leadville, says an exchange. He had on a ragged old summer suit, a bad hat, and he had been taking his meals about 24 hours apart to make his money carry him through. "Yes; I like the country out that way," he replied to the query. "The climate is good, the scenery is fine and some of the people are honest as needs be. The trouble is knowing how to take the bad ones,"
"I should think that would be

"Yes, it looks that way; but I had some experience. I am the original diskiverer of the richest mine around Leadville. Yes, I am the very man, though you wouldn't think it to see these old clothes."

"Then you don't own it now?"
"Not a bit of it. I'll explain. was poking around on the hills and found signs. I collected some specimens for assay, staked off a claim and went off to the assayers. It was two days before he let me know that I had struck the richest ore that he had ever assayed, and then I hurried back to my claim. Hang my buttons if it hadn't been jumped."

WM. H. HOOPER, Prosident, H. S. ELDREDGE, Vice-Prost, WM. JENNINGS, PERAMORZ LITTLE, JOHN SHARP, NICHOLAS GROESBECK, L. S. HILLS, Cashier. found signs. I collected some speci-

"Why, a gang of sharpers had found the spec and built up a pole shanty and hung out a sign of First Baptist Church over the door. True as shooting they had, and the law out there is no man can sink a shaft Promptly within 200 feet of a church building. They saw me coming, and when I got there were holding a revival. There were six of them, and they got up one after another and told how wicked they had LIGHTNING CURE and take no would you believe it? they had the cheek to ask me to lead off in sing-ing. I went to law, but they beat me. Three days after the verdict the First Baptist Church burned down, and before the ashes were cold the

congregation were developing a mine worth over \$3,000,000. You see, I didn't know how to take them." "Was there any particular way to

"You vet there was! I ought to have opened on that revival with a Winchester rifle and given the coro-ner \$50 for a verdlet that they came to their death from too much reli-

PERFECTION BAKING POWDER.

We respectfully call the attention of the Public to the following analysis: OSCAR DE WOLF, Commissioner of Health Department, Chicago, Aug. 8, 18 Dear Sir:—I have made a very careful and elaborate chemical analysis of twenty-ser simples of baking po ders received from the hands of Mr. Merki, your clerk, and have a more to report the following table of figures:

Soluble Ash	Insoluble Ash	Total Ask
89.00	0.04	39 06

SPRACUES, WARNER & GRISWOLD, CHICAGO.

88, & 40 Lake Street, CHICAGO.

A known and weighed quantity of baking powder was incinerated in a silver crucible satil only a grey residue was left. This is the total can. It was carefully removed to a glass ressel and acted upon by hydrochloric acid and distilled water at the boiling point: wig: distilled in that menstruum has been called soluble ash, and that which did not, insoluble ash.

I have the honor to be, sir, yours very respectfully, R. S. G. PATON, Chemist of the We have always claimed that the Perfection is the highest grade of baking powder that n be produced from cream tarier and soda. Respectfully,
