store windows is a home production, having been written and arranged for the stage in this city. The music, a of whiskey, served them by the clerk very important leature in the piece, Mr. Wilson. Sayers left there, saying was selected from the most popular operas and arranged by the musician, Prof. George Careless.

LOCAL NEWS.

Notice .- The regular monthly meeting of the Board of Directors of the Deseret Hospital will convene on the second Monday in June, instead of on the first. The members will please take notice, and governthemselves accordingly.

Notaries .- The Governor has appointed the following notaries public: S. T. Pearson, of St. George, for Washington County; Lucien D. Crandall, of Springville, for Utah County; Fred G. Willis, of Salina, afor Sevier County.

District Court Proceedings .- The case of Louis Hyams vs, E. A. Ireland is still in progress. On motion of Mr Varian it was ordered that all of the private and personal letters of Messrs. Livingstone and Friedlander, which had not been duly levied upon, be returned by the officer to Mr. Varian as their attorney, to be held by him subject to the demand of the defendant's attorneys for their production in evidence.

Jabez B. Adlard and Wm. G. Westwood, both natives of England and residents of Salt Lake County, were admitted to citizenship.

The New Race Course,-Through the courtesy of Dr. Bridges, a NEWS Dr. Richards. They administered injecreporter had the pleasure of visiting the new race track on the Wells farm yesterday, and witnessing the speed of the trotting mare "Eisle," which is being trained for the coming to learn how their patient got into his races with most gratifying results. The track is half a mile long, well

laid out, and in very good condition although at present a little too hard. It is daily used in the training of several trotting horses, and excellent races during the coming season are anticipated as a result. At a convenlent distance from the track is a row of stables containing 25 box stalls, nicely lined and fitted up for the reception of

the trotting stock. A high board fence is being built bround the premises, and many other improvements are in progress there.

Destroying Caterpillars.-The best method we have yet seen or heard of being tried for the extermination of the caterpillars which are now swarming upon the fruit trees in many parts of the country, is to wash them off the an overdose of chloral hydrate, but by trees by means of a hose with water whom administered the jurors know from the hydrant, and when they commance to climb the trees again, brush them into a coal scuttle or other vessel and burn them. It is also a good plan to scatter a few shingles or small peices of board around beneath the trees for the vermin to crawl upon, from which they can readily be brushed off into the vessel. In this way a bushel of caterpillars can be secured and destroyed in a very short time in a

ple Street, and conversed for a short with the exception of the 6th, 8th, 9th time. While there they took a drink and 11th, which commence at 6 o'clock. "good night." Manning and Wilson then went out, locking the store, to get some oysters, and returned in about three-quarters of an hour. After their

return, a knock came to the door and Wilson opened it. Sayers staggered in, saying "Well, boys, I'm awful drunk;
