THE FAMILY!

Twenty-five years in successful
use and still the popular Family
Machine! The beauty of its
work and wide range of applica-
tion on all kinds of material,
sewing with either cotton, silk or
linen thread, and its never get-
ting out of order, have made it
the pride and joy of nearly

The No. 6.

This machine is especially de-
signed to fill a want long felt by
manufacturers of Clothing, and
is constructed upon the same
principle as the No. 6. It is
capable of higher rate of speed
than shuttle machines, is lighter
running and can be regulated for
work quicker than any machine
heretofore used by

WHEELER & WILSON SEWING MACHINES!

production of our company. Af-
ter experimenting for fifteen
years to construct a machine
upon the rotary hook principle,
we offer to mechanics represent-
ing the above industries, this
recent and improved invention,
confident that it possesses qual-
ities long sought for by them.
The machine will speak for itself.
An examination and trial are all
that we ask.
